[Reading Jesus](#) Vance L. Toivonen, 2012-04 For more than five hundred years the Bible has been referred to as the Word of God Yet even before the Bible was written there was a Living Word spoken through prophets and through Jesus of Nazareth that ultimately echoes through the centuries Pastor Toivonen relies on his nearly thirty years of preaching as well as studying and interpreting the Bible to inspire others to contemplate how God speaks in the contemporary world and whether God prefers flesh and blood to ink and paper While sharing his careful examination of how the Bible came to be the Word of God through a very human process and why the Word of God is intended to be living and breathing as opposed to a book Toivonen offers intriguing insights and commentary that encourages spiritual seekers to embark on a personal journey to answer their own questions about the Bible its authority and its trustworthiness Reading Jesus offers encouragement to anyone ready to consider a deeper and more meaningful relationship with Jesus of Nazareth and apply the Word of God to truly live God's way today

*Kingdom* Chris Woodall, 2012-09-18 It has been said that history teaches us that history teaches us nothing However true this may be in general terms the fact that we so frequently look to the past in an attempt to shape our future by applying its lessons in the present suggests we remain keen to learn In the context of the subject of this book though the stalwarts of the faith can serve as tremendous examples it is to the lessons of Scripture that we must turn if we are to have a better idea of what the kingdom of God is what that means for us as believers and how we can be better equipped to extend its values in today's world Thus what we understand by the term kingdom of God will not only determine whether we believe ourselves to be its citizens but also how we think we should conduct ourselves in the light of such knowledge It is the contention of this book that the biblical concept of kingdom as the expression of God's rule requires greater clarity of presentation in order to prevent it from confusion and or distortion amongst Christians
