**A TRUE FOUNDATION: Defending The Gospel Against Cults** Dr. Steve Joel Moffett, Sr., M.A., D.Min., 2016-10-11  
This book was written to expose Dangerous Religious Groups DRGs. It is indispensable for True Christians who want to understand and defeat cult groups. It is especially useful for those who have a loved one trapped in a cult and would like to help free them from the danger that is apparent. Loss of finances and assets is not the worst of it; in some cults, someone can lose their life. Critically Reviewed by Author Rev Dr Steve Joel Moffett Sr M A D Min      **Defending the Biblical Gospel**  
John Warwick Montgomery, 2017-03-11. This series is designed to help the lay Christian confidently proclaim and defend the faith. Too many Christians know what they believe but not necessarily why they believe it. The information in this series will help the listener to always be ready to make a defense to every one who asks you to give an account for the hope that is in you. 1 Peter 3:15      Defending the Gospel in Legal Style John Warwick Montgomery, 2017-10-25. Traditional apologetics is either focused on obscure quasi-Thomist philosophical arguments for God's existence or on 18th century style answers to alleged biblical contradictions. But a new approach has recently entered the picture: the juridical defence of historic Christian faith with its particular concern for demonstrating Jesus's deity and saving work for humankind. The undisputed leader of this movement is John Warwick Montgomery, emeritus professor of law and humanities, University of Bedfordshire, England, and director, International Academy of Apologetics, Evangelism and Human Rights, Strasbourg, France. His latest book, of more than sixty published during his career, shows the strength of legal apologetics: its arguments drawn from secular legal reasoning can be rejected only at the cost of jettisoning the legal system itself on which every civilised society depends for its very existence. The present work also includes theological essays on vital topics of the day characterised by the author's well known humour and skill for lucid communication      **Unitarianism Defended** John Hamilton Thom, 2018-02-13  
Reproduction of the original      **Defending the Faith** Dr Henry Morris, 2022-06-30. EQUIP YOURSELF AND BE READY TO GIVE AN ANSWER FOR YOUR FAITH. Examine scientific disciplines from a young earth and worldwide Flood approach. Identify the weaknesses in origin theories that ignore God. Learn how to rebut theories of atheistic scientism that compromise biblical truth. Have you ever been faced with an argument rejecting the doctrine of special creation and a global Flood? Were you left scrambling for an answer? In *Defending the Faith*, Henry Morris presents the evolutionary and Bible-compromising arguments for the origins of the earth and universe, then reveals their many flaws through sound evidence and logic. This book will prepare you to refute both scientifically and biblically evolutionary claims as well as Christian concepts such as the gap and day-age theories. Equipped with such knowledge, you will be ready always to give an answer to every man that asks you a reason of the hope that is in you. 1 Peter 3:15      *The Polity of Wesleyan Methodism Exhibited and Defended, Or, An Historical Review of the Rise, Progress, and Present State of ... that Religious Body, Etc* George SMITH (F.A.S.), 1851      *The Christian Spirit* H. **Defending the Revolution** Jeffrey Stephen,2016-05-13 The Glorious Revolution of 1688 90 played a fundamental role in re shaping the political religious and cultural map of the

British Isles Yet as this book demonstrates many key elements of the history of the period between the landing of William of Orange and the establishment of the Union between Scotland and England remain shadowy In particular the religious and theological underpinnings of the Revolution in Scotland have received scant attention compared to discussions of events in England and Ireland This book sets out to show how the religious dimension of the revolution settlement in Scotland while comprehensively Presbyterian was not inevitable revealing instead the degree of political and religious pressure that was brought to bear in order to press for a moderate settlement that took cognizance of the Episcopalian position However the outcome demonstrated the ability of Presbyterians to respond to the changing political circumstances and seize the opportunities they offered enabling them to galvanise their support within parliament and secure a settlement that went beyond what William and Erastian inclined Presbyterians would have preferred Traditionally treatment of the religious outcome in Scotland has been restricted to a bare narration of the significant acts of parliament this book takes a more thorough and critical approach to explain not only the nature of the final settlement but how it was achieved and the legacy it left for both Scotland and the newly forged British state
