**The Message Behind the Movie** Douglas M. Beaumont, 2009-05-01 Some Christians denounce nearly every move that Hollywood produces others celebrate even the most morally and artistically questionable While most Christians can agree on the cultural importance of films very few are able to interpret movies with insight and understanding Apologetics professor and film lover Doug Beaumont wants moviegoers to become more informed viewers by better grasping the cinematic techniques and genre considerations that filmmakers use to communicate their central themes He also wades into hot button issues of nudity violence and language in movies helping Christians to more carefully evaluate celluloid depictions of sin Packed with quote and excerpts from many of Hollywood s most successful films and from some of the indie favorites that have gained cult followings The Message Behind the Movie is a fun and enlightening look at the art from that defines our age

**The School Librarian** School Library Association, 1984      **Fountain-source of Occultism** Gottfried Purucker, 1974 Derived from twelve booklets of instruction to private students Fountain Source restores occultism to its original purity and recreates the atmosphere and discipline of the ancient Mystery schools The scope of teaching is vast the primeval wisdom teaching discipline and the spiritual path the genesis structure and destiny of galaxies and solar systems correlations of cosmic and human constitutions death and the circulations of the cosmos and invisible worlds and their inhabitants Addressed to all who sense the inter relatedness of human destiny with the cosmic design and feel the call of altruistic service to humanity      The Gospel of John and Jewish-Christian Relations Adele Reinhartz, 2018-10-15 The Fourth Gospel is at the same time a sublime work that has inspired and enriched the faith of countless Christians and a problematic text that has provided potent anti Jewish imagery exploited in anti Jewish and anti Semitic discourse over the course of two millennia The Fourth Gospel contains approximately 70 references to hoi ioudaioi a designation most often and best translated as the Jews Several of these references are neutral or descriptive referring to Jewish festivals or specific practices and some depict individual Jews or Jewish groups as interested in Jesus message The vast majority however express a negative or even hostile stance towards the Jews These passages express several themes that became central to Christian anti Jewish and anti Semitic discourse These include the charge of deicide killing God and the claim that the Jews have the devil as their father 8 44 The essays in this book address both the Gospel s stance towards the Jews and the Gospel s impact on Jewish Christian relations from antiquity to the present day in a range of media including sermons iconography art music and film A short volume of collected essays cannot hope to address the full history of the Fourth Gospel s impact on Jewish Christian relations Nevertheless it is hoped that this volume will contribute to the efforts of Christians and Jews alike to find ways to appreciate what is good and life affirming about the Gospel of John while also acknowledging the damaging impact of its portrayal of Jews as the children of Satan and the killers of Christ Only when Christians disavow this portrayal can the Gospel of John continue to be a true source of inspiration and perhaps even a path forward in the relationships between Jews and Christians
