The Gospel Of John Volume 2 Chapters 8 21:

The Gospel and Letters of John, Volume 2 Urban C. von Wahlde, 2010-11-22 Urban von Wahlde's radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar. Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John. With an archaeologist's precision and engaging a whole range of scholarly contributions in this area, von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition. Volume 1 gives detailed evidence identifying and listing the criteria for each stratum. Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively. These books are part of the Eerdmans Critical Commentary series edited by David Noel Freedman and Astrid B. Beck. **The Gospel of John**, 1975. [A Four-Column Parallel and Chronological Harmony of the Gospels of Matthew, Mark, Luke and John](#): Robert M. Sutherland, 2020-06-30. The author Robert M. Sutherland is an accomplished Canadian criminal and civil trial lawyer with 34 years at the bar in five provinces, having had some notable successes changing the law nationally and provincially at various points in time. He is philosophically a moderate realist and a natural law thinker in the tradition of the three great Western thinkers: Aristotle, Thomas Aquinas, and Mortimer J. Adler, and a former Canadian director of the Chicago-based think tank Mortimer J. Adler's Centre for the Study of the Great Ideas. He is an evangelical Christian and a member of the United Church of Canada. This is how he would format the testimonial evidence of the various gospel writers in the court of public opinion for the purpose of assessing their individual and collective credibility and reliability and ultimately their three basic historical claims: namely, 1. Jesus of Nazareth claimed to be divine; 2. He died for that claim; 3. He rose again from the dead to establish the truth of that claim. These are purely historical matters, knowable and provable on a balance of probabilities. And to assist the reader, he has provided some helpful methodologies for understanding the nature of truth, the nature of the natural moral law, and the nature of historical inquiry. **THE GOOD NEWS OF JESUS, THE CHRIST AND THE SON OF GOD, ACCORDING TO JOHN** Manfred Diefenbach, 2015-07-01. The Commentary on John completes my series *The Good News of Jesus*. My exegetical interpretation is written for students, for pastoral co-workers, for the faithful. This new commentary is intended to provide a deeper and more profound understanding of biblical text, always and everywhere. Ein profunder praxisnaher Johanneskommentar für heute. **The Daily Study Bible Series** Wm. Barclay, 1956. **Feasting on the Gospels--John, Volume 2** Cynthia A. Jarvis, E. Elizabeth Johnson, 2015-06-12. Feasting on the Gospels follows up on the success of the Feasting on the Word series with all new material on the most prominent and preached-on New Testament books, the four Gospels. A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Commentary on the Gospel According to John, Volume 2 John Calvin, 2021-09-04

The Doctrines of Grace from the Lips of Our Lord J. D. Watson, 2012-07-18 The doctrine of salvation is the watershed doctrine of Scripture Flowing from that doctrine will be not only all other doctrine but also personal practice and Christian ministry The major controversy concerning salvation is whether it is a result of the sovereign grace of God alone or a mixture of God's part and man's part Addressing that issue is absolutely critical to the very foundations of Christianity itself Whichever one of those premises is correct we should expect to find it everywhere we look in Scripture and that is precisely what we find There is no truth that permeates the Bible more than the doctrines of God's sovereign grace From Genesis to Revelation in literally hundreds of verses these doctrines call capture and command our attention Of the many books of the Bible we could choose the Gospel of John is among the most compelling because of its

foundational nature It is there we find some of the most profound teaching on the Doctrines of Grace in all Scripture Examining more than one hundred verses in John this small volume presents these great biblical and historical doctrines directly from the lips of our Lord

Theology of Wagner's Ring Cycle I Richard H Bell, 2021-07-29 Wagner's Ring is one of the greatest of all artworks of Western civilization but what is it all about The power and mystery of Wagner's creation was such that he himself felt he stood before his work as though before some puzzle A clue to the Ring's greatness lies in its multiple avenues of self disclosure and the corresponding plethora of interpretations that over the years has granted ample scope for directors and will no doubt do so well into the distant future One possible interpretation which Richard Bell argues should be taken seriously is the Ring as Christian theology In this first of two volumes Bell considers among other things how the composer's Christian interests may be detected in the forging of his Ring looking at how he appropriated his sources whether they be myths and sagas writers poets or philosophers and considering works composed around the same time especially his Jesus of Nazareth

Jousting with John Adele Reinhartz, 2024-12-30 The Gospel of John is a book that tantalizes and disturbs in equal measure Its sublime imagery makes spirits soar Its positive portrayal of women such as the Samaritan woman the Bethany sisters and Mary Magdalene tickle the imagination when it comes to the roles of women in the early church Its disparagement of the Jews however reverberates through the long history of anti Judaism and antisemitism to this very day Adele Reinhartz has been one of the foremost interpreters of the Gospel of John for the past thirty years and more This volume contains a selection of her essays on the Fourth Gospel originally published from 1991 to 2020 The collection focuses on four major themes Essays on Gender consider the Gospel's portrayal of female characters its christological use of female imagery and the possibility of reading social history into or out of the Fourth Gospel Essays on the Jews explore the representation of the ioudaioi and respond to approaches employed by scholars to address the fraught question of anti Judaism The section on Method includes essays that apply different approaches such as trauma theory postcolonial theory and literary and rhetorical criticism to issues in Johannine studies The final section on Ethics considers ethics from two perspectives the ethical stance s that a reader brings to her reading of John and the question of whether the Gospel portrays Jesus as an ethical actor
