Hazan, 2024-12-01 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history authors Gregory S Mahler and Reuven Y Hazan examine the social religious economic cultural and military contexts within which Israeli politics takes place They explain the operation of political institutions and behavior in domestic politics such as the constitutional system parliamentary government and the executive legislative and judicial machinery of government including discussion of elections and voting political parties and civil society and democracy in Israel Finally Israel's foreign policy setting and apparatus are considered as well as the challenges faced by the Palestinians in Israel and the peace process between Israel and its neighbors Clear and concise **Politics and Government in Israel** provides an invaluable starting point for all readers needing a cogent introduction to Israel today      **The Handbook of Israel's Political System** Itzhak Galnoor, Dana Blander, 2018-04-30 There is growing interest in Israel's political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel's Arab citizens and economic inequities with concomitant social gaps and the contours of the political culture and its impact on Israel's democracy The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel      **Politics in Israel** Brent E. Sasley, Harold M. Waller, 2017 The Only Contemporary and Comprehensive Text that Offers Students a Framework for Understanding Israel's Past and Present Politics      *Politics and Society in Israel* Ernest Krausz, 2017-09-29 This series of the Israeli Sociological Society whose object is to identify and clarify the major themes that occupy social research in Israel today gathers together the best of Israeli social science investigation that was previously scattered in a large variety of international journals Each book in the series is introduced by integrative essays Each volume focuses on a particular topic the first volume seeks out the dynamics of conflict and integration in a new society the second volume is concerned with the sociology of a unique Israeli social institution the kibbutz The third volume presents sociological perspectives on political life and culture in Israel Articles by leading scholars deal with historical development political culture and ideology political institutions and behavior the social basis of politics and social change Volume III also includes a select bibliography Contributors to Volume III tentative Karl W Deutsch Yonathan Shapiro Dan Horowitz Moshe Lissak Daniel Elazar Asher Arian Charles Liebman Erik Cohen Yoram Peri Ephraim Yaar S Smooha      The Political Economy of Israel Ira Sharkansky, 2017-09-29 The resurgence of political economy as an

important topic reflects the deep interpenetration of politics and economics There are few economic issues of consequence that are not shaped by government decisions and there are few governments whose agendas are not dominated by economic issues No country reflects the interpenetration of politics and economics as much as Israel In this analysis Ira Sharkansky examines the extensive involvement of the Israeli government in the country's economy reflected in governmental expenditures that exceed the gross national product intimate links between governmental activity and Israeli's standard of living high inflation and other economic problems and policymaking behaviors that include entrepreneurialism and indirection He explores the strategic points of Israel's political economy pursuing a qualitative analysis of Israeli problems and strategies for dealing with them Those interested in policy analysis political economy comparative politics comparative public administration and Israeli politics will find this book invaluable Contents The Political Economy of Israel What is the Israeli State How Large is the Government Budget Israel's Standard of Living Israeli Municipalities Local Initiative amidst Central Controls Who Gets What amidst High Inflation Winners and Losers in the Israeli Budget 1978 1984 Conundrums of Israel's Political Economy Problems without Solutions Public Sector Entrepreneurialism Policymaking by Indirection Perspective on Israel's Political Economy      **The Government And Politics Of The Middle East And North Africa** David E. Long, Bernard Reich, 1995-08-03 Rapid social economic and political change is endemic to the Middle East and is often more revolutionary than evolutionary in nature In many ways the entire political landscape of the Middle East has been transformed in the past decade in the realm of both international relations and domestic politics The collapse of the Soviet Union the end of the cold war and the Iraqi invasion of Kuwait have all had a profound effect on relations among states within the region and between those states and countries outside the region In this revised edition Long and Reich provide comprehensive and up to date analyses of many critical contemporary events and issues The contributors explain how Desert Storm isolated Iraq and brought Syria back into the mainstream of Arab politics contributing to the revival of the Arab Israeli peace process They also show how the return of a Labor government in Israel has allowed the peace process to go forward Evaluating the economic costs of the Kuwait war and the continuing oil glut the authors find that resulting changes in the domestic economies of the oil producing states have created additional pressures for social and political change The most profound change in government and politics however is the rise of Islam as the idiom of political discourse among moderates as well as extremists      *Politics and Society in Modern Israel* Adam Garfinkle, 2015-03-04 With full coverage of recent dramatic events in Israeli politics from the Rabin assassination through the May 1996 elections this work provides an up to date introduction to Israeli politics and society It seeks to convey a strong sense of everyday life in Israel the nuances and contradictions of Israeli identity the ethnic composition and institutional structure of Israeli society as well as Israeli political culture and the issues that dominate the country's domestic and foreign policy      *Law and Government in Israel* Gideon Doron, Arye Naor, Assaf Meydani, 2013-10-31 While most current studies on law and politics in Israel focus on the legal

aspects of public policymaking within the courts this book explores the relationship between law and government from a positive perspective That is to say that the question asked is how the political relationships between the three branches of government affect public policy and hence social outcomes The eleven contributors to this volume concentrate on Israel from theoretical comparative and critical approaches and hence the analysis presented could as well be applied to other polities This book was published as a special issue of Israel Affairs Israel and the Politics of Jewish Identity Asher Cohen, Bernard Susser, 2000-06-16 Since the 1980s relationships between secular and religious Israelis have gone from bad to worse What was formerly a politics of accommodation one whose main objective was the avoidance of strife through arrangements and compromises has become a winner take all zero sum game The conflict is not over who gets what Rather it is a conflict over the very character of the polity a struggle to define Israel's collective character In Israel and the Politics of Jewish Identity Asher Cohen and Bernard Susser show how this transformation has been caused by structural changes in Israel's public sphere Surveying many different levels of public life they explore the change of Israel's politics from a dominant party system to a balanced two camp system They trace the rise of the Haredi parties and the growing consonance of religiosity with right wing politics Book jacket The Political Right in Israel Dani Filc, 2009-12-18 This book takes a fresh look at the trajectories of Israeli politics since the election of Likud in 1977 examining how right wing parties have adopted populist policies in order to carve out an identity and win support at the polls As such it demonstrates how populism has become a hugely significant factor in shaping Israeli politics and society The original perspective taken by the author allows for an understanding of the central phenomena of the contemporary political system in Israel such as the Likud's party centrality in Israeli politics the political force of the religious Shas party and the growing influence of certain political leaders Through this innovative analysis of the concept of populism the book contributes to a better understanding of the Israeli political system With Israel playing such a central role in the Middle East conflict this analysis of the ways in which populism contributes to the consolidation of governing political forces in Israel will allow for a better understanding of this conflict Combining the theoretical elaboration of the concept of populism with its application in the analysis of a specific test case this novel approach contributes to the ongoing research on populist politics and as such will be a useful tool for understanding many issues in the study of populism comparative politics and the Middle East Let's Go 2003: Israel Let's Go Inc., 2002-12-13 Let's Go The Resource For The Independent Traveler For over forty years Let's Go Travel Guides have brought budget savvy travelers closer to the world and its diverse cultures by providing the most up to date information Entries at all price levels for lodging food attractions and more Must have tips for planning your trip getting around and staying safe Walking tours of ancient sights and advice for hiking In depth cultural information that offers an insider's look at life in the Israel Opportunities to make a difference through study work and volunteering Detailed city and regional maps Cultural Connections Follow the Via Dolorosa through Jerusalem Hidden Scoops Hidden Deals Buy silver at bargain prices in the Yafo

factions that pulls to the political Right Erwin Frenkel Preface to The Press and Politics in Israel The Jerusalem Post from 1932 to the Present This elegantly written thoughtful book manages to be history philosophy and personal document at the same time As a clear eyed observer he worked for the Jerusalem Post for almost 30 years and served as its editor for 13 of them Erwin Frenkel gives us an informal account of this English language newspaper from its founding in 1932 to the early 1990s against a background of the transformation of Zionism and Israel during these years and the changing relationship between press politics and public opinion in a free society This is a touching memoir by an acute unassuming highly intelligent man Congress Monthly      **Israel** David Levi-Faur, Gabriel Sheffer, David Vogel, 1999 The essays here attempt to move beyond the question of Israel s uniqueness to examine the pace and direction of change of Israel s political social and economic institutions

### **The Government And Politics Of Israel Introduction**

In today's digital age, the availability of The Government And Politics Of Israel books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Government And Politics Of Israel books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Government And Politics Of Israel books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Government And Politics Of Israel versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Government And Politics Of Israel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Government And Politics Of Israel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Government And Politics Of Israel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Government And Politics Of Israel books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
