The Government And Politics Of The Prc:

The Government And Politics Of The Prc Jurgen Domes,1985-04-28 *The Government and Politics of Communist China* Derek J. Waller,1970 Dictionary of the Politics of the People's Republic of China Colin Mackerras,Donald H. McMillen,Andrew Watson,2003-12-16 Encompassing China's political and also social economic and cultural development since 1949 the dictionary is an up to date and comprehensive survey that will be of use to Asian studies and politics students and teachers alike

Local Government and Politics in China Yang Zhong,2015-02-18 After over a decade of administrative and economic reform in mainland China the center has become increasingly remote and less important for many localities In many ways the mobilization capacity of the central government has been weakened Central government policies are often ignored and local officials are often more interested in personal projects than in centrally directed economic plans In this study of local government and politics in China the author explores when and why local government officials comply with policy directives from above Drawing on interviews with government officials in various municipalities and a review of county records and other government documents he provides the first in depth look at policy implementation at the county and township levels in the PRC The book examines the impact of the Chinese cadre system on the behavior of local officials local party and government structure relationships among various levels of Chinese local government policy supervision mechanisms at local levels village governance of China and more

Handbook of the Politics of China David S.G. Goodman,2015-11-27 The Handbook of the Politics of China is a comprehensive resource introducing readers to the very latest in research on Chinese politics David Goodman provides an introduction to the key structures and issues providing the foundations on which later learning can be built Including a comprehensive bibliography it is an ideal reference work for undergraduate and postgraduate students and academics The Handbook contains four sections of new and original research dealing with leadership and institutions public policy political economy and social change and international relations Each of the 26 chapters has been written by a leading internationally established authority in the field and each reviews the literature on the topic and presents the latest findings of research Presenting the state of the art of the field this reader oriented Handbook is an essential primer for the study of China's politics

China's Political System Sebastian Heilmann,2016-12-08 The Chinese government is one of the most important actors in international affairs today To thoroughly understand how the People's Republic of China has grown in power requires a careful analysis of its political system To what extent can China's economic achievements be attributed to the country's political system and its policies What are the effects of economic modernization and global economic integration on the Chinese polity Is the Chinese political system capable of adapting to changing economic technological social and international conditions Exploring these central questions this definitive book provides readers with a comprehensive assessment of the preconditions prospects and risks associated with China's political development

The Government and Politics of China Tuan-shêng Ch'ien,1950

Historical study of the legal structure of government and political institutions in China during the period from 1912 to 1949 includes general information on the country and the texts of the constitutions of 1923 and 1946 and covers the political leadership of the Kuomintang political theory political problems the administration of justice public administration the role of political parties incl The communist party etc Bibliography pp 483 to 510 Casino Capitalism, Society and Politics in China's Macau Sonny Shiu-Hing Lo, 2020-07-20 This book explores the characteristics of casino capitalism in Macau under Chinese sovereignty and administration It argues that casino capitalism propelled the region's economic prosperity and social stability in the period starting from the internationalization of the casino industry in 2002 to the end of 2019 However casino capitalism also exacerbated the income gap between the rich and the poor To tackle income inequality the Macau developmental state combined casino capitalism with social welfarism The region's developmental state has been characterized by its relatively decisive leadership its autonomy from the capitalist and working classes and a comparatively weak civil society China has encouraged Macau to shift from its overdependence on casino capitalism to economic diversification and integration with the Greater Bay Area However given Macau's long standing and profound dependence on casino capitalism the path of economic diversification is destined to be long and difficult As this book also argues the Macau model of one country two systems is a unique one which cannot be easily transplanted to Hong Kong where the overdeveloped politics and assertive civil society are a far cry from Macau's frozen politics and quiescent society China's Political System June Teufel Dreyer, 1996 This text demonstrates how the government of China has been significantly affected by attempts to harmonize the unique nature of its indigenous culture with a variety of influences and ideas from the outside world China faces many challenges to its traditional economic legal social and cultural structures China's Political System Modernization and Tradition provides students with a clear sense of how this transition is taking place what its effects on current leaders and policies are and how the system might evolve in the future BOOK JACKET China's Political System June Teufel Dreyer, 1993 This text demonstrates how the government of China has been significantly affected by attempts to harmonize the unique nature of its indigenous culture with a variety of influences and ideas from the outside world China faces many challenges to its traditional economic legal social and cultural structures China's Political System Modernization and Tradition provides students with a clear sense of how this transition is taking place what its effects on current leaders and policies are and how the system might evolve in the future BOOK JACKET The People's Republic of China Today Zhiquan Zhu, 2011 Despite the significant progress it had achieved in the past 60 years especially in the past 30 years since Deng Xiaoping's reform initiatives in the late 1970s China faces daunting challenges today These challenges include among others a rigid political system that does not match economic vibrancy uneven economic growth and widening income gap a graying population environmental degradation potential social instability ethnic tensions and separatist movement poor international image and military modernization Based on papers originally presented at an international conference held at

Bucknell University in Pennsylvania to mark the 60th anniversary of the People's Republic of China PRC this book provides an up to date comprehensive and authoritative assessment of the PRC's political economic social ethnic energy security military diplomatic and other developments and challenges today Contributed by scholars and experts in political science international relations economics public administration history mass communication psychology and diplomacy the book focuses on the efforts needed by China to grow in a sustainable manner and to become a respected global power With each chapter addressing a different and yet an inter related issue of the PRC's development this book aims to make a significant contribution to the understanding of key challenges the country faces today as it strives to become a global power

Politics in China William A. Joseph, 2014 On October 1 2009 the People's Republic of China PRC celebrated the 60th anniversary of its founding And what an eventful and tumultuous six decades it had been During that time under the leadership of the Chinese Communist Party CCP China was transformed from one of the world's poorest countries into the world's fastest growing major economy and from a weak state barely able to govern or protect its own territory to a rising power that is challenging the United States for global influence Over those same years the PRC also experienced the most deadly famine in human history caused largely by the actions and inactions of its political leaders Not long after there was a collapse of government authority that pushed the country to the brink of and in some places actually into civil war and anarchy Today China is for the most part peaceful prospering and proud This is the China that was on display for the world to see during the Beijing Olympics in 2008 The CCP maintains a firm grip on power through a combination of popular support largely based on its recent record of promoting rapid economic growth and harsh repression of political opposition Yet the party and country face serious challenges on many fronts including a slowing economy environmental desecration pervasive corruption extreme inequalities and a rising tide of social protest Politics in China is an authoritative introduction to how the world's most populous nation and rapidly rising global power is governed today Written by leading China scholars the book's chapters offers accessible overviews of major periods in China's modern political history from the mid nineteenth century to the present key topics in contemporary Chinese politics and developments in four important areas located on China's geographic periphery Tibet Xinjiang Hong Kong and Taiwan

China's Political System Ning Fang, 2020-09-30 This book includes collective research by the Institute of Political Science of the Chinese Academy of Social Sciences which is an important research institution of political science and a think tank in China The book was completed by the expert team of China's Political System headed by Director Fang Ning for several years and after several changes in their manuscripts This book covers the core political systems of China such as the leadership system of the Communist Party of China the decision making system of the Party and government in Chinese politics the system of the people's congress the relationship between the central and local authorities the system of officials training and selection the system of discipline inspection and supervision the system of consultative democracy and the system of community level self governance etc This book aims to

build a new paradigm of empirical research and introduction of the contemporary Chinese political system by using the description and research method of materialization and dynamics of the political system The Politics and Philosophy of Chinese Power R. James Ferguson, Rosita Dellios, 2016-12-12 This book provides a timely analysis of the politics philosophy and history of Chinese power focusing on social strategic and diplomatic trends that have shaped China for over three thousand years Chinese elites have used the past to inform the present but have also mobilized new ideas to address the country's rapid transition to global power China's intellectual world can draw on a surprisingly pluralist legacy When Chinese thinkers assess power they bring to bear their classical legacy the military classics Chinese socialism and Western political thought There are also a number of intriguing formulations that give shape to the exercise of Chinese power Among these are comprehensive national strength stability preservation soft power asymmetric conflict and counter intervention strategies This book looks at key periods in Chinese history when attitudes to power evolved and at their current expressions These include China's expanded use of think tanks to chart the future efforts at creating an eco civilization to balance growth and an extended set of security and information capabilities From observing the centrality of power in today's international affairs the book moves to the foundational concepts of Chinese governance its belief in a strategic configuration of power as understood in military contexts as well as its growing diplomatic and maritime engagement abroad This analysis culminates in new ideas of functional multipolarity Power is also deployed internally China's use of nationalism as a major tool for state building and cohesion the ongoing role of socialism and the People's Liberation Army are all examined in this light China's current strategic culture has shaped President Xi Jinping's search for a new model of power for China in the twenty first century an endeavor that will have serious implications for the future global order This book provides an alternative perspective on China's trajectory towards a revised international system **Chinese Provincial Leaders** Zhiyue Bo, 2019-09-17 Based on biographical data on more than 2 500 individuals in China's thirty provincial units from the beginning of the People's Republic in 1949 this is the most comprehensive and systematic treatment of China's provincial leaders ever published The study presents detailed accounts of four categories of provincial leaders party secretaries deputy party secretaries governors and vice governors including age gender nationality hometown education party membership and length of membership It also traces the careers of these leaders in terms of promotion demotion transfer and retirement And using sophisticated statistical analysis it links the political mobility of these leaders to the economic performance of their provincial units Japan and China in the World Political Economy Saadia Pekkanen, Kellee Tsai, 2006-06-01 Two powers in East Asia today stand to define the region's economic and commercial future Japan which rose in a spectacular industrial burst to become at present the world's second largest economy and China which is rapidly advancing towards a market economy under the watchful eye of the world While much has been made of Japan and China's particular economic institutions and developmental paths few works analyze them in a comparative framework Including contributions from

leading academics the text focuses on the period from the 1980s to the onset of the 2000s reviewing the experiences of Japan and China across the areas of development trade investment finance and technology Drawing on a combination of official documents economic statistics case studies and original fieldwork this book will give political scientists political economists business concerns and policy analysts a firmer grasp of the role Japan and China stand to play in the world political economy

Chinese Politics in the Xi Jinping Era Cheng Li, 2016-10-18 Chinese politics are at a crossroads as President Xi Jinping amasses personal power and tests the constraints of collective leadership In the years since he became general secretary of the Chinese Communist Party in 2012 Xi Jinping has surprised many people in China and around the world with his bold anti corruption campaign and his aggressive consolidation of power Given these new developments we must rethink how we analyze Chinese politics an urgent task as China now has more influence on the global economy and regional security than at any other time in modern history *Chinese Politics in the Xi Jinping Era* examines how the structure and dynamics of party leadership have evolved since the late 1990s and argues that inner party democracy the concept of collective leadership that emphasizes deal making based on accepted rules and norms may pave the way for greater transformation within China's political system Xi's legacy will largely depend on whether he encourages or obstructs this trend of political institutionalization in the governance of the world's most populous and increasingly pluralistic country Cheng Li also addresses the recruitment and composition of the political elite a central concern in Chinese politics China analysts will benefit from the meticulously detailed biographical information of the 376 members of the 18th Central Committee including tables and charts detailing their family background education occupation career patterns and mentor patron ties *Chinese Provincial Leaders* Alan M. Glassman, Deone Zell, Shari Duron, 2005 An emergent approach to organizational strategy making assumptions that few organizations actually realize the goal of deliberative top down strategic planning and that effective strategy making occurs on a continual basis and is a shared activity of the entire organization This innovative book provides the first in depth look at how real organizations are formulating and implementing strategic change under this new paradigm The authors have dug deep into three large and varied organizations Hewlett Packard the California State University system and the County of Los Angeles and identified each one's efforts to develop a new strategic planning process better suited to match the current pace of change and environmental unpredictability The book is filled with vignettes quotes and real world examples that illustrate the trend toward faster more adaptive strategic planning processes It is relevant for a wide range of business governmental and non profit settings and should be required reading in any course on strategic planning

State-Society Relations and Governance in China Sujian Guo, 2014-07-09 State society relations and governance are closely related areas of study and have become important topics in the social sciences in the past decades not only in developed countries but also in the developing world In China state society relations have been changing in the new era of reform and opening and governance has become a central concern in policy practice and in academia In this wide ranging

collection of essays written by scholars from both inside and outside China the contributors explore the complexity of the changing state society relationship and the modes and practices of governance in China by combining theoretical exploration and empirical case studies

China's Political Development Kenneth G. Lieberthal, Cheng Li, Yu Keping, 2014-06-04 China's path to political reform over the last three decades has been slow but discourse among Chinese political scientists continues to be vigorous and forward thinking China's Political Development offers a unique look into the country's evolving political process by combining chapters authored by twelve prominent Chinese political scientists with an extensive commentary on each chapter by an American scholar of the Chinese political system Each chapter focuses on a major aspect of the development of the Chinese Party state encompassing the changing relations among its constituent parts as well as its evolving approaches toward economic growth civil society grassroots elections and the intertwined problems of supervision and corruption Together these analyses highlight the history strategy policies and implementation of governance reforms since 1978 and the authors recommendations for future changes This extensive work provides the deep background necessary to understand the sociopolitical context and intellectual currents behind the reform agenda announced at the landmark Third Plenum in 2013 Shedding light through contrasting perspectives the book provides an overview of the efforts China has directed toward developing good governance the challenges it faces and its future direction

The Government And Politics Of The Prc Introduction

In today's digital age, the availability of The Government And Politics Of The Prc books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Government And Politics Of The Prc books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Government And Politics Of The Prc books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Government And Politics Of The Prc versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Government And Politics Of The Prc books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Government And Politics Of The Prc books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Government And Politics Of The Prc books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital

copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Government And Politics Of The Prc books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Government And Politics Of The Prc books and manuals for download and embark on your journey of knowledge?

FAQs About The Government And Politics Of The Prc Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Government And Politics Of The Prc is one of the best book in our library for free trial. We provide copy of The Government And Politics Of The Prc in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Government And Politics Of The Prc. Where to download The Government And Politics Of The Prc online for free? Are you looking for The Government And Politics Of The Prc PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check

another The Government And Politics Of The Prc. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this.
