Institute,1983      **The Graphic Legacy of Paul Klee** Bard College (Anandale-on-Hudson, NY),1983      Historic  
Avant-Garde Work on Paper Sascha Bru,2024-03-13 This book examines the many functions of paper in the fine art and  
aesthetics of the early twentieth century modernist or historic avant garde Expressionism Cubism Futurism Dadaism  
Surrealism Constructivism and many more With its many collages and photomontages the historic avant garde is generally  
considered to have transformed paper from a mere support into an artistic medium and to have assisted in art on paper  
gaining a firm autonomy Bringing together an international team of scholars this book shows that the story of paper in the  
avant garde has thereby hardly been told The first section looks at a selection of canonized individual avant gardists work on  
paper to demonstrate that the material and formal analysis of paper in the avant garde s artistic production still holds much  
in store In the second section chapters zoom in on forms and formats of collective artistic production that deployed paper to  
move around reproductions of fine art works to facilitate the dialogue between avant gardists to better promote their work  
among patrons and to make their work available to a wider audience Chapters in the third section lay bare how certain  
groups within the avant garde began to massively create monochrome works because these could be easily reproduced when  
transferred to or reproduced as linocuts In the last section of the book chapters explore how the avant garde s attentiveness  
to paper almost always also implied a critique of the ways in which paper and all that it stood for was treated and labored in  
European culture and society more broadly The book will be of interest to scholars working in art history modernism and  
design      *The SciArtist* Walter Grünzweig,2012 This title presents criticism commentaries and creative responses to Carl

Bern this catalogue gathers together the artist s outstanding masterpieces of the years 1917 to 1933 This extraordinary  
survey which includes works which Klee originally intended to keep for himself has been made possible by loans from the  
collection of Angela Rosengart in Lucerne the Klee Foundation in Bern and many private collectors Many of these works are  
being presented to a wide audience for the first time Klee is widely seen as one of the most original artists of the twentieth  
century Together with Feininger Kandinsky and Jawlensky he founded the Blue Four group and had a decisive influence on  
artists such as Miro and Delaunay The years 1917 to 1933 were the most productive in Klee s work      In Celebration of
