The Great Betrayal The Untold Story Of Kim Philbys Biggest Coup:

The Great Betrayal Nicholas Bethell,1986-04-01 **The Great Betrayal** Nicholas Bethell,1984-01-01 Beretning om en lidet kendt engelsk amerikansk plan fra 1949 om milit re operationer mod Albanien Kim Philby havde en afgørende rolle i udførelsen af planen der led en katastrofe

Killing Hope William Blum,2003-07-31 Is the United States a force for democracy From China in the 1940s to Guatemala today William Blum presents a comprehensive study of American covert and overt interference by one means or another in the internal affairs of other countries Each chapter of the book covers a year in which the author takes one particular country case and tells the story and each case throws light on particular US tactics of intervention

Kings, Queens and Fallen Monarchies Robert Stove,2024-12-30 Explores the interwar movements to restore Europe's deposed royal houses examining their political significance and influence on global power dynamics Among the great hidden narratives of twentieth century history are the movements in Europe which between the two world wars aimed to restore the royal and imperial houses forced out of power in 1918 or in Portugal's case eight years earlier These efforts acquired media coverage and often strategic importance far greater than would be now supposed from the cursory often dismissive treatment which they have received from most historians since Campaigns to reinstate such dynasties as the Hohenzollerns the Habsburgs the Wittelsbachs the Braganças and even France's House of Orleans were taken seriously at the highest governmental and journalistic levels in London and Paris not to mention the Holy See Upon the whole phenomenon this book seeks to shed light It discusses both the phenomenon's soft power manifestations the designs of newspaper tycoon Lord Rothermere upon the Hungarian throne for his son for instance and the phenomenon's hard power manifestations among which probably the most dramatic were the successful monarchical campaigns in Albania and Greece With a cast that includes not only the monarchist candidates themselves but Churchill Lloyd George Hitler Mussolini and Franco this is a drama that embraces a continent and forces thorough reappraisals of events which we thought we knew No one can read it without acquiring a firmer grasp of political power's very nature and the sheer narrowness of the gap between victory and defeat

[Historical Dictionary of Albania](#) Robert Elsie,2010-03-19 Albania is not well known by outsiders it was deliberately closed to the outside world during the communist era Now it has thankfully become free again its borders are open and it can be visited and it is increasingly integrating with the rest of Europe and beyond Unfortunately Albania has had its share of problems in the post communist era it's a land of destitution and despair thanks in part to the Albanian mafia which has turned the country into one of blood feuds kalashnikovs and eternal crises Yet Albania is in essence a European nation like any other and will soon it is to be hoped advance and take its proper place in Europe and the world The second edition of the Historical Dictionary of Albania relates the history of this little known country through a detailed chronology an introduction a bibliography appendixes and over 700 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets

Ethics of

Spying Jan Goldman, 2005-12-14 This is the first book to offer the best essays articles and speeches on ethics and intelligence that demonstrate the complex moral dilemmas in intelligence collection analysis and operations Some are recently declassified and never before published and all are written by authors whose backgrounds are as varied as their insights including Robert M Gates former Director of the Central Intelligence Agency John P Langan the Joseph Cardinal Bernardin Professor of Catholic Social Thought at the Kennedy Institute of Ethics Georgetown University and Loch K Johnson Regents Professor of Political Science at the University of Georgia and recipient of the Owens Award for contributions to the understanding of U S intelligence activities Creating the foundation for the study of ethics and intelligence by filling in the gap between warfare and philosophy this is a valuable collection of literature for building an ethical code that is not dependent on any specific agency department or country

Nobody's Kingdom T.J. Winnifrith, 2021-05-05 The Roman Byzantine and Ottoman Empires foreign invasion communism and tribal conflict these have been the realities of life in Northern Albania for centuries In this rich and comprehensive history Tom Winnifrith examines the many different elements that have shaped this independent and little known region of the Balkans He explores the fundamental division between the South of Albania and its mysterious romantic North more feudal more tribal more Catholic and more prone to Austrian and Italian influence It is also a region less affected by Greece both ancient and modern and by medieval Byzantium or the Orthodox faith Northern Albania with a terrain and climate much harsher than the south of the country has traditionally had little respect for law and authority while its inhabitants remain in thrall to an ancient honour code the kanun demanding blood feuds and terrible revenge *Nobody's Kingdom* traces the history of this ruggedly beautiful region frequently disturbed by both invaders and internal strife yet retaining a distinct national identity and character From its origins in the ancient kingdom of Illyria and the Roman province of Illyricum through Byzantine and Ottoman rule the granting of Albanian independence in 1912 the rise and fall of communism to its current fragile democracy Northern Albania can be seen as a cultural crossroads especially remarkable given its mountainous and difficult landscape This book both scholarly and readable is the first modern comprehensive history of Northern Albania and is a timely and accessible introduction to a remote and inaccessible region

National Security Intelligence and Ethics Seumas Miller, Mitt Regan, Patrick F. Walsh, 2021-11-07 This volume examines the ethical issues that arise as a result of national security intelligence collection and analysis Powerful new technologies enable the collection communication and analysis of national security data on an unprecedented scale Data collection now plays a central role in intelligence practice yet this development raises a host of ethical and national security problems such as privacy autonomy threats to national security and democracy by foreign states and accountability for liberal democracies This volume provides a comprehensive set of in depth ethical analyses of these problems by combining contributions from both ethics scholars and intelligence practitioners It provides the reader with a practical understanding of relevant operations the issues that they raise and analysis of how responses to these issues can be

informed by a commitment to liberal democratic values This combination of perspectives is crucial in providing an informed appreciation of ethical challenges that is also grounded in the realities of the practice of intelligence This book will be of great interest to all students of intelligence studies ethics security studies foreign policy and international relations The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons

Attribution Non Commercial No Derivatives 4.0 license **Partly Cloudy** David L. Perry, 2016-10-04 Partly Cloudy Ethics in War Espionage Covert Action and Interrogation explores a number of wrenching ethical issues and challenges faced by military and intelligence personnel It provides a robust and practical approach to analyzing ethical issues in war and intelligence operations and applies careful reasoning to issues of vital importance today not only for soldiers intelligence professionals and policy makers but also for the citizens they serve and protect This new edition has been updated throughout and includes new contents to deal with critical issues such as torturing detainees using espionage to penetrate terrorist cells mounting covert actions to undermine hostile regimes practicing euthanasia on the battlefield as mercy killing or using targeted killings as a means to fight insurgencies Partly Cloudy provides an excellent introduction to the field for students instructors and practitioners who are interested in the ethical challenges faced by public servants Disrupt and Deny Rory Cormac, 2018-05-10 Disrupt and Deny is the untold story behind Britain's secret scheming against both enemies and friends from 1945 to the present day British leaders use spies and Special Forces to interfere in the affairs of others discreetly and deniably Since 1945 MI6 has spread misinformation designed to divide and discredit targets from the Middle East to Eastern Europe and Northern Ireland It has instigated whispering campaigns and planted false evidence on officials working behind the Iron Curtain tried to foment revolution in Albania blown up ships to prevent the passage of refugees to Israel and secretly funnelled aid to insurgents in Afghanistan and dissidents in Poland MI6 has launched cultural and economic warfare against Iceland and Czechoslovakia It has tried to instigate coups in Congo Egypt Syria Saudi Arabia Iran and elsewhere Through bribery and blackmail Britain has rigged elections as colonies moved to independence Britain has fought secret wars in Yemen Indonesia and Oman and discreetly used Special Forces to eliminate enemies from colonial Malaya to Libya during the Arab Spring This is covert action a vital though controversial tool of statecraft and perhaps the most sensitive of all government activity If used wisely it can play an important role in pursuing national interests in a dangerous world If used poorly it can cause political scandal or worse In Disrupt and Deny Rory Cormac tells the remarkable true story of Britain's secret scheming against its enemies as well as its friends of intrigue and manoeuvring within the darkest corridors of Whitehall where officials fought to maintain control of this most sensitive and seductive work and above all of Britain's attempt to use smoke and mirrors to mask decline He reveals hitherto secret operations the slush funds that paid for them and the battles in Whitehall that shaped them **The CSCE and the End of the Cold War** Nicolas

Badalassi, Sarah B. Snyder, 2018-11-16 From its inception the Conference on Security and Cooperation in Europe CSCE

provoked controversy Today it is widely regarded as having contributed to the end of the Cold War Bringing together new and innovative research on the CSCE this volume explores questions key to understanding the Cold War What role did diplomats play in shaping the 1975 Helsinki Final Act How did that agreement and the CSCE more broadly shape societies in Europe and North America And how did the CSCE and activists inspired by the Helsinki Final Act influence the end of the Cold War

Mother Teresa Gezim Alpion, 2006-10-16 Mother Teresa was one of the most written about and publicised women in modern times Apart from Pope John Paul II she was arguably the most advertised religious celebrity in the last quarter of the twentieth century During her lifetime as well as posthumously Mother Teresa continues to generate a huge level of interest and heated debate G zim Alpion explores the significance of Mother Teresa to the mass media to celebrity culture to the Church and to various political groups A section explores the ways different vested interests have sought to appropriate her after her death and also examines Mother Teresa s own attitude to her childhood and to the Balkan conflicts in the 1980s and 1990s This book sheds a new and fascinating light upon this remarkable and influential woman which will intrigue followers of Mother Teresa and those who study the vagaries of stardom and celebrity culture

King Zog Jason Tames, 2011-09-16 King Zog was a curiosity and so he has remained the most unusual European monarch of the twentieth century a man entirely without royal connections who created his own kingdom By contemporaries he was variously labelled the last ruler of romance an appalling gangster the modern Napoleon the finest patriot and frankly a cad Even today his reputation is disputed but Zog was undeniably one of the foremost figures in Albanian history Though notorious for cut throat political intrigue he promised to bring order and progress to a land that had long known little of either It was I who made Albania he claimed

Unholy Trinity Mark Aarons, John Loftus, 1998-06-15 Written in riveting fashion by the coauthors of The Secret War Against the Jews Mark Aarons and John Loftus s Unholy Trinity tells one of the darkest tales of World War II After the war had ended fearing a surge of Soviet growth the Papacy entered into an espionage alliance with British and American intelligence agents Subsuming justice to the nascent Cold War ideology these three powers ferreted Nazi criminals out of Europe so that they could be used in the supposedly greater fight against Communism The Vatican s Nazi smuggling network was penetrated by Prince Anton Turkul the great Soviet double agent who turned the operations into a sting for his masters in the Kremlin Unholy Trinity exposes Turkul s Red Nazi operation for the first time and shows how Kim Philby the infamous British Soviet double agent and his network were nearly sacrificed to preserve Turkul s Vatican operation Exploring the Vatican s role in aiding Nazi criminals to escape punishment for their crimes this book originally published in 1991 first revealed the Vatican Swiss bank connection to Nazi gold and documented the hidden links to Western investors in Nazi Germany Since its publication major revelations about the role of Swiss banks have confirmed Unholy Trinity s expose of the flight of the Nazi s stolen treasures the new introduction and new final chapters written by Aarons and Loftus for this edition bring the book completely up to date and show how the media have missed the vital Vatican connection in the Swiss bank

story Among other things the authors demonstrate that U S and British code breakers were fully aware of the Holocaust as early as 1941 but lied to the Western press that the code breakers bugged the Swiss banks and then buried secrets of Nazi gold transfers to protect U S intelligence chief Allen Dulles and that the Australian British and Canadian governments are still waging a campaign to keep their citizens ignorant about the Nazi war criminals living among them Covering all these topics and more Unholy Trinity is the definitive history of a series of profoundly disturbing cover ups involving the Holy See Allen Dulles the Swiss banks and the remnants of the Third Reich *Retracing the Iron Curtain: A 3,000-Mile Journey Through the End and Afterlife of the Cold War* Timothy Phillips, 2023-03-07 Across 3 000 miles and over eight decades this epic new people s history of the Cold War makes eye opening sense of a defining 20th century conflict and how it continues to shape our world today Initially a victory line where Allies met at the end of World War Two the Iron Curtain quickly became the front of a new kind of war It divided Europe from north to south for a staggering forty five years Crossing it in either direction was always a political act in many cases it was a crime to even talk about doing so New generations have grown up since these borders came down freed from the restrictions of the Cold War era But what has the Iron Curtain left in its wake Timothy Phillips travels its full 3 000 mile route from inside the Arctic Circle to where Armenia meets Azerbaijan and Turkey to craft this epic new people s history of a defining 20th century conflict Here in the borderlands where a powerful clash of civilizations took form in concrete and barbed wire he uncovers the remarkable stories of everyday people forever imprinted by life in the Curtain s long shadow Some look back on the era with nostalgia even affection while others despise it unable to forgive the decades of hardship their families and nations endured A director recalls the astonishing night his movie premiered in East Germany November 9 1989 the very night the Berlin Wall fell And a railroad worker recounts the 1951 hijacking of a passenger train from Czechoslovakia that breached the Curtain granting those aboard immediate asylum in the West These narratives by turns harrowing and heartening paint a vivid portrait of the new Europe that emerged from the ruins Phillips reveals the Iron Curtain s profound impact on our world today even as he punctures the fault lines we draw Publisher s note This book was published in the UK under the title *The Curtain and the Wall* *Modern Albania* Fred Abrahams, 2018-10-16 A compulsively readable account of the collapse of Europe s last Communist regime and the dramatic events that followed Los Angeles Review of Books In the early 1990s Albania arguably Europe s most closed and repressive state began a startling transition out of forty years of self imposed Communist isolation Albanians who were not allowed to practice religion travel abroad wear jeans or read decadent Western literature began to devour the outside world They opened caf s companies and newspapers Previously banned rock music blared in the streets Modern Albania offers a vivid history of the Albanian Communist regime s fall and the trials and tribulations that led the country to become the state it is today The book provides an in depth look at the Communists last Politburo meetings and the first student revolts the fall of the Stalinist regime the outflows of refugees the crash of the massive pyramid loan schemes the war in neighboring

Kosovo and Albania's relationship with the United States it may be the only country outside the US that boasts a statue of George W Bush Fred Abrahams weaves together personal experience from more than twenty years of work in Albania interviews with key Albanians and foreigners who played a role in the country's politics since 1990 including former Politburo members opposition leaders intelligence agents diplomats and founders of the Kosovo Liberation Army and a close examination of hundreds of previously secret government records from Albania and the United States A rich narratively driven account Modern Albania provides a front row seat to the dramatic events of the last battle of Cold War Europe Includes photographs

The ^ACold War and Soviet Insecurity Vojtech Mastny,1998-10-08 In The Cold War and Soviet Insecurity the long awaited sequel to his acclaimed work Russia's Road to the Cold War Mastny offers a masterful history of the birth of the Cold War drawing on extensive research in newly opened Soviet archives Russia's Road to the Cold War provided the definitive portrait of Stalin's foreign policy during World War II Now in The Cold War and Soviet Insecurity Mastny provides an equally superb account of Stalin's foreign policy during his last years Combining important new research with the fascinating insight of one of the leading authorities on Soviet affairs this authoritative volume illuminates a crucial period in recent world history

The Columbia History of Eastern Europe in the Twentieth Century Joseph Held,1992 This illustrated historical reference work provides an interpretive overview of each of the countries of Eastern Europe focusing particularly on political developments and including references to significant social cultural and economic events

Lifting the Fog Bob de Graaff,2024-06-06 Lifting the Fog The Secret History of the Dutch Defense Intelligence and Security Service 1912 2022 is unique as a general body of knowledge about the history of the Dutch intelligence and security services since 1913 The chapters alternate between a general historical overview and a number of case studies spread out over the more than a century long history that taken together give a good insight into the main functions of a middle size military intelligence service as The Netherlands has known The MIVD is giving the author access to the archives of the MIVD and its predecessors which normally are closed to outsiders

"A ^ANew Kind of War" Howard Jones,1997-05-15 America's experience in Greece has often been cited as a model by those later policymakers in Washington who regard the involvement as a victory for American foreign policy Indeed President Johnson and others referred to Greece as the model for America's deepening involvement in Vietnam during the mid 1960's Greece became the battlefield for a new kind of war one that included the use of guerrilla warfare propaganda war in the shadows terror tactics and victory based on outlasting the enemy It was also a test before the world of America's resolve to protect the principle of self determination Jones argues that American policy towards Greece was the focal point in the development of a global strategy designed to combat totalitarianism He also argues that had the White House and others drawn the real lessons from the intervention in Greece the decisions regarding Vietnam might have been more carefully thought out
