*The Sussex Beekeeper at the Dawn of Time* Thomas Kent Miller, 2022-09-14 The Sussex Beekeeper at the Dawn of Time is an unconventional and breath taking tour de force that flirts with the crossover and steampunk genres The book knits together a transcribed oral memoir newspaper clippings and myriad letters and journal pages from across two millennia much of it held together by the pithy comments in the form of short notations on the edges of a quarter century old yellowed journal of a certain elderly beekeeper residing in Sussex England While comparatively few these notes are nonetheless the essential marble skeleton on which the whole denouement and structure of the book hangs In a sense much of the book comprises a straightforward objective record of the excavation of historical minutiae and forgotten manuscripts But then those mildewed scraps of parchment paper and scrolls are assembled into something far greater than the sum of their parts The objective reportage plus the finished assemblage comprises the novel SHERLOCK HOLMES IN THE FULLNESS OF TIME Thomas Kent Miller, 2016-06 Umberto Eco author of The Name of the Rose and Foucault's Pendulum said It's only publishers and some journalists who believe that people want simple things People are tired of simple things They want to be challenged SEE THE GREAT DETECTIVE MATCH WITS WITH THE SON OF GOD ON THE ROOF OF THE WORLD SEE HIS COVER BLOWN BY THE MOTHER OF GOD AT THE CRUCIBLE OF LIFE SEE HIM SOLVE THE MYSTERY OF GOD AT THE DAWN OF TIME With this trilogy Thomas Kent Miller is for the first time publishing in one volume the wide variety of millennia and centuries old lost manuscripts that he has serendipitously unearthed over 30 years These writings

are all linked by their featuring characters introduced by H Rider Haggard prime mover of the lost race literary genre over the course of sixteen books written from 1885 through 1927 and to a lesser extent indeed only referenced obliquely The Great Detective over three decades *Literary Afterlife* Bernard A. Drew,2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them It includes book series that have continued under a deceased writer's real or pen name undisguised offshoots issued under the new writer's name posthumous collaborations in which a deceased author's unfinished manuscript is completed by another writer unauthorized pastiches and biographies of literary characters The authors and works are entered under the following categories Action and Adventure Classics 18th Century and Earlier Classics 19th Century Classics 20th Century Crime and Mystery Espionage Fantasy and Horror Humor Juveniles 19th Century Juveniles 20th Century Poets Pulps Romances Science Fiction and Westerns Each original author entry includes a short biography a list of original works and information on the pastiches based on the author's characters

**Sherlock Holmes and the Adventure of the Bedeviled Foot** Thomas Kent Miller,2023-05-10 The Adventure of the Bedeviled Foot is at once an exciting prequel to as well as a sequel to The Adventure of the Devil's Foot Sherlock Holmes' strangest case Holmes and Watson were supposed to be on vacation of sorts amongst the Cornish greenery and archaeological treasures since it had become clear enough that the pressure of the detective's investigations had taken a toll on his nerves and a few days away from London in the country was prescribed But their

excursion was rudely interrupted when murders most heinous came to light The so called Devils Foot was a deadly substance of unknown origin that kills when inhaled The earlier story directed our attention to the unflawed greenery of the Cornish countryside The Bedeviled Foot finds Holmes on the African veldt combatting the Devil s own legions of marauding little buggers where he encounters the root of that curiously toxic devil s foot for the first time **Great Detective at the**

**Crucible of Life, Or, the Adventure of the Rose of Fire** Thos Kent Miller,2005 Recently found amongst some obscure papers of surprisingly H P Lovecraft this new manuscript chronicles a complex and mysterious quest deep into the deserts of Ethiopia in 1872 accompanied by his man servant Hans and a host of the nineteenth century s most prodigious luminaries among them explorer and linguist Sir Richard Burton astronomer Maria Mitchell and volcanologist Axel Lindenbrock In the midst of all the danger faced close calls magnificent landscapes wry humor stern and practical questioning and even a lost city Quatermain documents several thrilling incidents including his finding no less than the very essence of the meaning of life which he then as he frequently did discounts as a wizard s trick And and of course along the way Quatermain crosses paths with not one but two of the greatest detectives of his era Library of the World's Best Mystery and Detective Stories
