The Great Exchange Justification By Faith Alone In The Light Of Recent Thought:

The Great Exchange Philip EVESON,1998 How God accepts repenting sinners involves a wonderful exchange between Christ and believers his righteousness for their sin **Counted Righteous in Christ?** John Piper,2002-11-15 Are Christians merely forgiven or do they possess the righteousness of Christ Recently the time honored understanding of the doctrine of justification has come under attack Many question how or if we receive the full righteousness of Christ Martin Luther said that if we understand justification we are in the clearest light if we do not know it we dwell in the densest darkness And now in this new and important book John Piper accepts Luther s challenge He points out that we need to see ourselves as having been recipients of the imputation of Christ s righteousness and therefore enjoy full acceptance with God and the everlasting inheritance of life and joy Piper writes as both a pastor and a scholar His pastor s heart is shown in his zeal for the welfare of the church His careful scholarship is evident in each explanation and undergirds each conclusion **The Possibility of Salvation Among the Unevangelized** Daniel Strange,2007-01-01 In the area of systematics known as the theology of religions those who affirm the particularity of Christ in terms of truth revelation and salvation have always had to deal with the problem of the unevangelized those who have never heard of Christ through no fault of their own For evangelical theologians this issue impinges on fundamental tenets of evangelical identity Recently the fate of the unevangelized has received detailed attention from evangelicals and has been fiercely debated because of the wider doctrinal issues it raises The position known as inclusivism has been most fully developed by Clark H Pinnock an influential and controversial evangelical theologian known as being the leading spokesman of Arminianism and a new theistic paradigm entitled the trinitarian openness of God Through a detailed analysis and critique of his work this book examines a cluster of issues surrounding the unevangelized and its implications for Christology soteriology and evangelical identity *The Christian's Highest Good* Douglas Vickers,2014-04-07 Competing worldviews cast their impact on the church and the Christian confession What does it mean to be a Christian in an age that threatens cultural dissolution Related questions press on a calm consideration of the meaning of the Christian life Who is Jesus Christ of whose salvific work the Christian confession depends Why did Jesus Christ come into the world What is to be said of the human condition following the Adamic fall which as John Milton says brought death into the world and all our woe What is the Christian s highest good the grounds on which it has life determining relevance and what are its existential implications In this closely reasoned and biblically informed examination of those questions Douglas Vickers concludes that the Christian s highest good exists in fellowship with the Father The practical and everyday significance of that fellowship is addressed at length and the meaning and prospect of each Christian s eternal life is shown to be grounded in a vital and indissoluble union with Christ **The Saving Righteousness of God** Michael F. Bird,2007-03-07 This book presents a series of studies on contentious aspects of Paul s doctrine of justification including the meaning of righteousness the question of imputation the role of resurrection in

justification an evaluation of the New Perspective the soteriological and ecclesiological significance of justification justification by faith with judgment according to works and debates over the orthodoxy of N T Wright The burden of this volume is to demonstrate that reformed and new readings of Paul are indispensable to attaining a full understanding of Paul s soteriology An analysis of Galatians and Romans demonstrates that the covenantal and forensic dimensions of justification go hand in glove The vertical and horizontal aspects need to be appropriately described and weighted in order to provide a holistic rendering of justification in Paul s letters According to Paul faith alone in Jesus Christ is the instrument of eschatological vindication and faith alone marks out the true people of God

Outline of Christian Doctrine Wilfried Harle, 2015-04-14 In this book Wilfried Harle so distills Protestant Christian teaching as to bring fresh insight both to new students and to experienced readers of systematic theology Outline of Christian Doctrine however is not merely a translation of Harle s classic German text Nicholas Sagovsky has also entirely adapted the original work to the needs and resources of English speaking readers Biblically rooted contextually sensitive alert to philosophical issues and relevant with respect to debates about the world as we know it today Harle s Outline of Christian Doctrine An Evangelical Dogmatics is an ideal contemporary theology book for both class use and individual study

When God Converts a Sinner Douglas Vickers, 2008-08-01 In an age of theological innovation and doctrinal discount the heritage of evangelical Reformed theology is in increasing danger of betrayal Old established understandings of the faith once delivered to the saints are under attack disturbing the peace of the church tarnishing its witness and challenging its purity Against the pressures of newer fashions in thought Douglas Vickers here returns to the seventeenth century confessions of faith and illustrates from successive chapters common to three of those confessions the ways in which and the reasons why traditional beliefs and doctrinal constructions are to be preserved Among questions examined with biblically informed insight are the relation between eternity and time and its significance for the gospel of redemption the meaning and function of saving faith the accomplishment of redemption by the incarnate Christ the significance of his heavenly high priestly office the high doctrine of the Christian believer s union with Christ and the implications these doctrinal realities hold for the Christian life In a discussion of contemporary theologies When God Converts a Sinner examines such innovations as the New Perspective on Paul Federal Vision theology

Shepherdism and other attempts to effect a paradigm shift in historically received theology

Covenant Theology in the Reformed Perspective Mark W. Karlberg, 2000-07-31

The Coming Worldwide Calvary Desmond Ford, 2009 The most important New Testament prophecy is also the most neglected and the least understood despite our Lord s command to know and understand it See Matthew 24 15 The abomination standing in the holy place launches the tribulation such as never was bringing a worldwide Calvary that threatens to annihilate the Christian church This scenario is also discussed by Paul the Apostle in 2 Thessalonians 2 under the title of the man of sin the Antichrist who sits in the temple of God at present restrained by the mysterious hinderer This book is written for the layperson longing to know what the Bible actually teaches

about the future and what will happen at the end of time In it Dr Ford describes Antichrist s nature and work and clarifies the gospel of Justification by Faith that Antichrist seeks to destroy

Reprobation and God's Sovereignty Peter Sammons,2022-01-25 God s right to judge humanity is written on the very fabric of human existence The doctrine of reprobation that is the eternal unconditional decree of God for the non elect is frequently misconstrued in both pastoral and theological literature In **Reprobation and God s Sovereignty** Peter Sammons reintroduces this oft misunderstood doctrine revealing its relationship to divine sovereignty With Romans 9 as a guiding text Sammons presents a thoroughly researched defense of reprobation as an essential part in a Reformed theology that magnifies God and encourages believers to trust in him **Reprobation and God s Sovereignty** clearly defines and demonstrates from Scripture the foundational terms and doctrines required for properly understanding reprobation such as God s justice Election Compatibilism Secondary causality Preterition Predamnation Understanding these theological ideas proves vital to answering life s all important question Who is God Sammons shows how the doctrine of reprobation leads to a greater admiration for God eliciting higher praise reverence and belief in him

The Divine Purchase Douglas Vickers,2015-08-24 The contemporary church exhibits an elasticity and diversity of doctrine that at times sits oddly with biblical foundations The presuppositions that God is and that God has spoken too often give place to the assumed priority of the explanatory competence of human reason In that the theology of the church is captive to the thought forms of an Enlightenment rationalism on one hand or the looseness of postmodernist assumptions of individual autonomy on the other In those respects theological argument proceeds from man to God and not as in its biblically revealed contours from God to man **The Divine Purchase** calls the church back to a clear commitment to the gospel of redemption The kernel of the gospel resides in the apostolic statement that Christ purchased the church with his own blood That divinely ordained accomplishment projects the only remedy for the human condition in the present decaying culture and its intellectual uncertainty and confusion

Gospel Grace Mark W. Karlberg,2003-09-18 This book sequel to Dr Karlberg s **Covenant Theology in Reformed Perspective** is written in the hope that an understanding of the dispute at Westminster Seminary will provide some insight into the origination and spread of false teaching in once orthodox centers of learning In this particular case as in most there is the exploitation of false notions and misformulations some of which are deeply imbedded within the theological tradition Such misconceptions can be the seeds for heresy the fruit of further development and maturation of erroneous teaching sometimes appearing in succeeding generations Alongside the doctrinal substance of the current dispute are the machinations of once respected teachers in the Reformed churches

Exploring the New Exodus in John Paul S. Coxon,2015-03-09 The theme of the New Exodus NE in John s Gospel has been largely unexplored in recent scholarship Now however by careful intertextual exegesis of John 5 10 Paul Coxon has compellingly argued that not only is the NE key to interpreting the Fourth Gospel but also to unlocking the mysteries of the Johannine puzzle itself Anyone who is interested in searching the riches of this marvelous Gospel will want to explore the NE

in John in these pages "All Things to All Men" Derek van Rensburg, 2012-02-14 How is it at all possible to project an image of being narrow minded and judgemental and at the same time imagine that you can be an effective witness for Jesus Christ The teaching of Jesus Christ unambiguously rejects such aberrations and by definition His Gospel of Grace renders them inadmissible This is the paradox which Derek van Rensburg sees at the heart of the very conservative brand of Evangelicalism which has been his spiritual home for more than half a century In order to facilitate affordable Bible studies Van Rensburg has over many years compiled his own notes for distribution among the participants in his study sessions Among others wife Wendy has encouraged him to publish these notes and a selection of these comprise this book which he has entitled ALL THINGS TO ALL MEN in the spirit of the Apostle Paul This title taken from First Corinthians 9 22 is an expression of Van Rensburgs conviction that the Gospel of Gods Grace through Jesus Christ has often been hamstrung by a variety of anathemas and exclusivities While this Gospel is so central to the conservative Evangelical Christian tradition to which he belongs he identifies typical negative trends in this tradition which compromise the Gospel A Christianity obsessed with anathemas is hardly a vehicle for the effective communication of Gods Grace to a hurting and broken world By contrast he notes the transformation of the pharisaically obsessed Saul of Tarsus into the Gospel obsessed Apostle Paul Coming from the one time compulsive persecutor of the early church with all his pharisaical hang ups the following quotation from First Corinthians 9 19 23 expresses a radical conversion transformation It also constitutes the Christ like communication of the Gospel of Grace to a Christless world Paul said Though I am free and belong to no man I make myself a slave to everyone to win as many as possible To the Jews I became like a Jew to win the Jews To those under the law I became like one under the law though I myself am not under the law so as to win those under the law To those not having the law I became like one not having the law though I am not free from Gods law but am under Christs law so as to win those not having the law To the weak I became weak to win the weak I have become all things to all men so that by all possible means I might save some I do all this for the sake of the gospel so that I may share in its blessings How different that is to a very great deal of the conservative evangelicalism the author has known for many many years If evangelism really is fundamental to evangelicalism then the evangelical exclusivists among them need to take a good hard look at 1 Corinthians 9 19 23 This book ALL THINGS TO ALL MEN is in two parts Part One is comprised of six essays expressing the authors views on some contentious topics germane to the above mentioned paradox These essays are entitled 1 Standpoint 2 I believe the Bible 3 In the beginning God created and Christians 4 Difficult Old Testament passages 5 The Resurrection 1 Corinthians 15 6 Christian Inconsistency Part One is fairly polemical and should accordingly stimulate discussion on that level Part Two consists of seven Bible studies in which the authors orthodox Evangelical theological grounding is very evident He is committed to this theology but is convinced that certain important aspects of it are often misrepresented in the habits and practices of Christians and institutions associated with it This conviction prompts the occasional searching question among more regular questions

constituting the general method of the **Evangelical Theological Perspectives on Post-Vatican II Roman Catholicism** Leonardo De Chirico, 2003 De Chirico Instituto de Formazione Evangelica e Documentazione Padova Italy begins by identifying the elastic contours of Evangelical theology in its contemporary outlook Then he examines a number of Evangelical theologians who have interacted with Roman Catholicism in general and with Roman Catholic theology in particular over the past 40 years

Tome 3. L'HISTOIRE ALLIANCIELLE DE L'ÉGLISE DANS LE MONDE JEAN-MARC BERTHOUD, 2019-05-31 Ce troisième tome de l'Histoire alliée de l'église dans le monde conduit le lecteur de Jean Marc Berthoud de l'époque glorieuse de Jean Calvin au déclin de la Réforme d'aux séductions des Lumières sans Dieu Après Calvin la période française n'est pas l'auteur présenter les figures attachantes de Théodore de Bèze puis de Benoît Pictet ici le seul genevois de souche Le XVII^e siècle fut marqué par des figures italiennes Jean Diodati et la famille des Turretini Benoît son fils le grand François et le petit fils Jean Alphonse qui œuvra à faire ce bel héritage Les figures de Claude Brousson et d'Antoine Courtis moignent de la diffusion de ce renouveau spirituel dans la France voisine sous les feux de la persécution Le livre se termine avec deux figures plus sombres Pierre de La Ramée qui par sa méthode binaire sème les poisons d'une raison sans Dieu dans l'héritage de la Réforme puis Comenius héritier des utopies d'une Modernité révolutionnaire meurtrie

Pierre de La Ramée (Petrus Ramus) JEAN-MARC BERTHOUD, 2020-01-16 Ce livre sur la pensée et l'influence d'un précurseur de Descartes Pierre de La Ramée 1515-1572 attire notre attention sur un modèle de l'art du prestidigitateur du langage idéologie qui remplace la réalité du sens par des mots isolés et qui par son obsession de clarté mathématisante comme modèle de la pensée empoisonne toute la culture moderne Cette herméutique binaire comporte une méthode de lecture propre ceux qui ne se donnent plus la peine de lire les textes avec l'attention qu'ils exigent et la remplacent par la tyrannie de leur méthode universelle unique La Ramée figure en bonne place dans la lignée de ceux qui déconstruisent le langage des hommes celle des Occam Biel Bacon Descartes Galilée Hobbes Spinoza Kant et de toute la vaste tribu des passionnés du seul modèle quantitatif herméutique destructrice de la perception juste de l'ordre créé qui aboutit aux maîtres modernes de l'insanité Lacan Foucault Deleuze Derrida et tutti quanti
