Japanese copper trade by the Dutch East India Company the author argues that the trade in this commodity reaped high profits Despite the huge imports of British copper by the English East India Company during the eighteenth century the Dutch Company successfully continued to sell Japanese copper in South Asia at higher prices Compared to the capital intensive development of British mines in the age of the Industrial Revolution the copper production in Tokugawa Japan was characterized by a labour intensive revolution which also made a big impact on the local economy Genealogical and Heraldic Dictionary of the Peerage and Baronetage of the British Empire, 1880 Some sections omitted from 2nd The Concise New Partridge Dictionary of Slang and Unconventional English Terry impression of the 105th ed Victor, Tom Dalzell, 2007-12 Reviews of the two volume New Partridge Dictionary of Slang and Unconventional English 2005 The king is dead Long live the king The old Partridge is not really dead it remains the best record of British slang antedating 1945 Now however the preferred source for information about English slang of the past 60 years is the New Partridge James Rettig Booklist American Library Association Most slang dictionaries are no better than momgrams or a rub of the brush put together by shmegegges looking to make some moola The New Partridge Dictionary of Slang and Unconventional English on the other hand is the wee babes Ian Sansom The Guardian The Concise New Partridge presents for the first time all the slang terms from the New Partridge Dictionary of Slang and Unconventional English in a single volume With over 60 000 entries from around the English speaking world the Concise gives you the language of beats hipsters Teddy Boys mods and rockers hippies pimps druggies whores punks skinheads ravers surfers Valley girls dudes pill popping truck drivers hackers rappers and more The Concise New Partridge is a spectacular resource infused with humour and learning its rude its delightful and its a prize for anyone with a love of language Boxed set: The Anglo-Boer War 963 Days / The Anglo-Boer War Maps, Stats & Facts Pieter G Cloete, 2021-12-01 This bundle e book volume contains both The Anglo Boer War and the accompanying Maps Stats Facts volume from Pieter G Cloete The Anglo-Boer War 1899-1902: 963 Days Pieter G Cloete, 2021-12-01 Since the start of the Anglo Boer War today 120 years ago thousands of publications written or typed reports and other creations have been produced to narrate the war events express opinions on its origins causes course results and legacy and on participants in the struggle This process is ongoing since the debate amongst both professional historians and interested amateurs on exactly what happened and why is still raging and new information on the war still crops up The history of the Anglo Boer War is truly a neverending discourse As the author of a number of books on the war I have consulted hundreds of both published and unpublished sources Some were of limited value but a small percentage of the published books were of such high value that they formed part of a small stack of books that found a permanent home on my desktop while I was in the writing process Pieter Cloete's The Anglo Boer War A Chronology both the original English version and the enlarged Afrikaans version published in 2010 was always part of that stack It is to me a privilege to write a foreword for the user friendly and meticulously researched book It not only contains a wealth of information but a detailed

source list and an extensive index There are few if any more helpful reference books on the war and thus represents an essential resource to anyone with a more than superficial interest in the Anglo Boer War DR JACKIE GROBLER Historian and author Recently retired after 40 years at the Department of Historical and Heritage Studies The University of Pretoria
