*The Great Rapture Hoax* Dave MacPherson, 1983      [Some Public Reactions to The Great Rapture Hoax](#) Dave MacPherson, Robert Duncan Culver, 1986      *The End* Mark Hitchcock, 2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ      **The Truth Behind Left Behind** Mark Hitchcock, Thomas Ice, 2011-08-24 With the unparalleled worldwide success of the Left Behind series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question Left Behind's biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event Story Behind the Book With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the Left Behind theology With the questions that are being raised and will continue to be raised many may begin to wonder if the Left Behind theology is really biblical Some of the impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series      *America's Demise, Antichrist's Rise* Thomas G. Reed, 2021-11-02 Are you aware that the current events shaping our world reflect apocalyptic biblical predictions It's clear that the end of time is near This book is a wake up call for Christians and American patriots who can no longer afford to shrug and hope for the best The strong foundation of Judeo Christian values that built our great country has crumbled to the ground in the face of humanism and liberal progressivism America's demise parallels the demise of mankind as a whole How have we reached this state of crisis We explore the death grip that humanism has on America and the ultimate fate of all the world's citizens We examine both the source of sin and the path toward holiness including death to the old self and resurrection of the new It is essential to heed the warnings found in God's Word warnings which become increasingly relevant as the Great Tribulation draws near With a detailed evaluation of the Scriptures we identify the timeline of the Tribulation Rapture return of Jesus Christ and the thousand year millennium

Realizing that the Rapture will not take place prior to the Tribulation we must accept the Tribulation when it begins and recognize its ramifications or risk being deceived by Satan and the Antichrist As the Tribulation defines our end so does it offer an opportunity for a new beginning if we can achieve perfection through our Lord While cataclysmic occurrences may be imminent devoted Christians can also expect wondrous rewards both here and now and for all eternity *Why Christians Will Suffer "Great Tribulation"* Joe Ortiz,2007-02-07 This sequel to *The End Times Passover Why Christians Will Suffer Great Tribulation* biblically proves why Gods true disciples will experience great tribulation and will have to remain on earth awaiting the return of Jesus Christ Most evangelical Christians believe in The Rapture they just dont know if its going to be a Pre Tribulation Rapture or a Mid or Post Tribulation Rapture Regardless many evangelicals believe the Rapture is right around the corner They believe that Armageddon is knocking at the door The crisis and battles for territorial rights in the Middle East the outbreak of Holy Wars and terrorism throughout the world have most evangelicals convinced the end is near But they arent worried because their hopes lie in The Rapture a unique event where they believe Jesus Christ will return to earth and snatch them secretly up to heaven while all hell breaks loose on earth But what would happen if there wasnt going to be a Rapture What would happen if all of those stories they have been hearing and reading about not being Left Behind were nothing but sheer lies Would that concern them Are they prepared to experience great tribulation This sequel to *The End Times Passover Why Christians Will Suffer Great Tribulation* biblically proves why Gods true disciples will experience horrible persecution while awaiting the final return of Jesus Christ However many of these brave disciples will be found preaching the gospel as never before regardless of the price Millions of them may even be slaughtered but they will die for Christ the way He died for them This may not sound like Good News but its absolutely true Check out the reasons why

**An Unusual Relationship** Yaakov Ariel,2013-06-24 In this enormously well researched and gracefully argued book Ariel develops a nuanced theme the complexity ambivalence and even paradox that has characterized conservative Protestant beliefs regarding Jews and Israel and the diverse responses among Jews First rate scholarship presented in a pleasingly accessible style Stephen Spector author of *Evangelicals and Israel The Story of American Christian Zionism* It is generally accepted that Jews and evangelical Christians have little in common Yet special alliances developed between the two groups in the nineteenth and twentieth centuries Evangelicals viewed Jews as both the rightful heirs of Israel and as a group who failed to recognize their true savior Consequently they set out to influence the course of Jewish life by attempting to evangelize Jews and to facilitate their return to Palestine Their double edged perception caused unprecedented political cultural and theological meeting points that have revolutionized Christian Jewish relationships *An Unusual Relationship* explores the beliefs and political agendas that evangelicals have created in order to affect the future of the Jews This volume offers a fascinating comprehensive analysis of the roots manifestations and consequences of evangelical interest in the Jews and the alternatives they provide to conventional historical Christian Jewish interactions It also provides a compelling

understanding of Middle Eastern politics through a new lens Yaakov Ariel is Professor of Religious Studies at the University of North Carolina at Chapel Hill His book *Evangelizing the Chosen People* was awarded the Albert C Outler prize by the American Society of Church History In the Goldstein Goren Series in American Jewish History *The End Times Passover* Joe Ortiz,2006-11-01 WILL CHRISTIANS EXPERIENCE GREAT TRIBULATION Most evangelical Christians believe in a Pre Tribulation Rapture and they believe it is right around the corner They believe that Armageddon is knocking at the door The crisis and battles for territorial rights in the Middle East the outbreak of Holy Wars and terrorism throughout the world have most evangelicals convinced the end is near But they arent worried because their hopes lie in The Rapture a unique event they believe will have Jesus Christ returning to earth to secretly snatch them up to heaven while all hell breaks loose on earth What will happen to their faith if they are proven wrong The End Times Passover not only biblically proves there will be no Pre Tribulation Rapture it proves that The Bride of the Lamb is not the Church that there will not be a 1000 year millennial reign of Christ that the human soul does not go to heaven or hell immediately after death that the Promised Land is not in the Middle East that Gods children of promise are not solely ethnic Jews that the church of God began thousands of years before the Day of Pentecost and that Gods true disciples will experience great tribulation This may not sound like Good News but its absolutely true Whether you are a Christian or not are you prepared to read this book and finally learn the truth We dare you We also dare your pastor your Bible studies teacher and folks like Hal Lindsey Tim LaHaye Dr Tommy Ice Jerry Jenkins Pat Robertson Jerry Falwell and thousands of other teachers and believers of the Pre Tribulation Rapture to read this book We dare these few good men to read and study this book and tell us if they think they can really handle the truth **The Witness of Jesus, Paul and John** Larry R. Helyer,2023-07-17 This book introduces the reader to the discipline of biblical theology In part one Helyer discusses the central problem of the unity of the Bible and the various options that have been proposed He then argues for a vital connection between the testaments forming one grand story of redemptive history and one central theme the coming kingdom of God Part two takes up the theology of three major witnesses Jesus Paul and John In these three witnesses Helyer finds the center of New Testament thought He emphasizes the importance of Jesus teaching as foundational for all the other the New Testament witnesses Without overlooking the diversity and individuality of the major witnesses he clearly demonstrates the theological unity that binds them together and provides the key to the enduring message of Scripture *The Scofield Bible* R. Todd Mangum,Mark S. Sweetnam,2009-12-10 The Scofield Reference Bible was responsible for popularizing dispensational theology eventually making dispensationalism the theology assumed by English speaking Christians for much of the twentieth century **God Against Us** Alvin Miller,200? An unusual perspective on current End Time Events including the Rapture and the Great Tribulation *The Routledge Research Companion to the History of Evangelicalism* Andrew Atherstone,David Ceri Jones,2018-07-11 Evangelicalism an inter denominational religious movement that has grown to become one of the most pervasive expressions of world Christianity in the early twenty first

century had its origins in the religious revivals led by George Whitefield John Wesley and Jonathan Edwards in the middle decades of the eighteenth century With its stress on the Bible the cross of Christ conversion and the urgency of mission it quickly spread throughout the Atlantic world and then became a global phenomenon Over the past three decades evangelicalism has become the focus of considerable historical research This research companion brings together a team of leading scholars writing broad ranging chapters on key themes in the history of evangelicalism It provides an authoritative and state of the art review of current scholarship and maps the territory for future research Primary attention is paid to English speaking evangelicalism but the volume is transnational in its scope Arranged thematically chapters assess evangelicalism and the Bible the atonement spirituality revivals and revivalism worldwide mission in the Atlantic North and the Global South eschatology race gender culture and the arts money and business interactions with Roman Catholicism Eastern Christianity and Islam and globalization It demonstrates evangelicalism s multiple and contested identities in different ages and contexts The historical and thematic approach of this research companion makes it an invaluable resource for scholars and students alike worldwide

The Seventieth Week of Daniel Dale Bromell,2024-07-31 The Church today could benefit greatly from a clear understanding of the events of the End Times the Seventieth Week of Daniel Because this is a dominant and recurring

subject of the Bible and because the second coming of Jesus Christ appears to be near it is essential that Christians fully understand this period The Seventieth Week of Daniel will provide a comprehensive study of the significant events that will transpire during this time including the signing of the Covenant the Abomination of Desolation the Great Tribulation the Rapture of the Church and the Day of the Lord Hundreds of Bible verses and easy to understand charts regarding the End Times are included to provide clarity The majority of works concerning the End Times promote the theory of a pretribulation rapture Instead The Seventieth Week of Daniel takes a different approach to the timing and events surrounding the Rapture one which has the effect of altering the typical end times timeline and thus challenging traditional wisdom regarding the Seventieth Week of Daniel     Expecting the End Kenneth G. C. Newport, Crawford Gribben, 2006 Jesus promise that the end draws near has spawned an expectation of that grand event across various religious groups This volume examines the abiding social issues that surround the continued presence of apocalyptic anticipation by setting them in historical present day and future manifestations Approaching this fervent expectation from a broad perspective Gribben and Newport explore the contemporary movements with insightful analysis that provokes discussion and even self reflection     Across the Spectrum Gregory A. Rainbow, 2008-10-15 To serve God and Christ faithfully in the midst of a pagan society that exalts power wealth and pleasure is the tenor of the prophetic summons to the church in the book of Revelation Unfortunately this simple message as potent today as it was at the end of the first century is often obscured by misguided if sincere interpreters The present book explores the background issues and lays out the principles that inform a sound approach to this enigmatic writing its historical and cultural setting its literary structure its symbolic code its core theological concepts its scheme of last things and its preachable and teachable points In dialogue with dispensationalism on the one hand and with the skeptical criticism of it on the other The Pith of the Apocalypse derives clues for cracking the Apocalypse from the book itself viewed against the sweep of the biblical prophetic tradition that flowed into it through the lens of methods widely accepted in mainstream New Testament scholarship Readers will return to the book of Revelation itself with enhanced confidence penetration and understanding     A Victorian Dissenter David E. Seip, 2018-04-24 This book introduces the reader to Robert Govett 1813 1901 dissenting clergyman and author who wrote as a scholar of biblical prophecy primarily on the subject of the exclusion of believers in the Millennial Kingdom an idea of which he conceived The purpose of the book is threefold 1 to describe Govett his life and his printed work 2 to analyze Govett

s eschatological beliefs especially those he originated and 3 to investigate why a respected theologian in England who had published over 180 books and tracts disappeared from dissenting print culture early in the twentieth century Govett s doctrine of exclusion was heavily intertwined with most of his writings It was a topic that he developed throughout his career Yet as the center of dispensationalism shifted to America Govett s views of the Rapture began to be seen as extreme The book explains why Govett was eclipsed as the center of the evangelical movement shifted and its theology ossified Since his death Govett has been occasionally remembered in scholarship but with increasing inaccuracies and skepticism This book seeks to remove the mystery
