G-Man (Pulitzer Prize Winner) Beverly Gage,2022-11-22 Winner of the 2023 Pulitzer Prize in Biography Winner of the 2022 National Book Critics Circle Award in Biography the 2023 Bancroft Prize in American History and Diplomacy and the 43rd LA Times Book Prize in Biography Finalist for the 2023 PEN Jacqueline Bograd Weld Award for Biography Named a Best Book of 2022 by The Atlantic The Washington Post and Smithsonian Magazine and a New York Times Top 100 Notable Books of 2022 Masterful This book is an enduring formidable accomplishment a monument to the power of biography that now becomes the definitive work The Washington Post A nuanced portrait in a league with the best of Ron Chernow and David McCullough The Wall Street Journal A major new biography of J Edgar Hoover that draws from never before seen sources to create a groundbreaking portrait of a colossus who dominated half a century of American history and planted the seeds for much of today s conservative political landscape We remember him as a bulldog squat frame bulging wide set eyes fearsome jowls but in 1924 when he became director of the FBI he had been the trim dazzling wunderkind of the administrative state buzzing with energy and big ideas for reform He transformed a failing law enforcement backwater riddled with scandal into a modern machine He believed in the power of the federal government to do great things for the nation and its citizens He also believed that certain people many of them communists or racial minorities or both did not deserve to be included in that American project Hoover rose to power and then stayed there decade after decade using the tools of state to create a personal fiefdom unrivaled in U S history Beverly Gage s monumental work explores the full sweep of Hoover s life and career from his birth in 1895 to a modest Washington civil service family through his death in 1972 In her nuanced and definitive portrait Gage shows how Hoover was more than a one dimensional tyrant and schemer who strong armed the rest of the country into submission As FBI director from 1924 through his death in

1972 he was a confidant counselor and adversary to eight U S presidents four Republicans and four Democrats Franklin Roosevelt and Lyndon Johnson did the most to empower him yet his closest friend among the eight was fellow anticommunist warrior Richard Nixon Hoover was not above blackmail and intimidation but he also embodied conservative values ranging from anticommunism to white supremacy to a crusading and politicized interpretation of Christianity This garnered him the admiration of millions of Americans He stayed in office for so long because many people from the highest reaches of government down to the grassroots wanted him there and supported what he was doing thus creating the template that the political right has followed to transform its party G Man places Hoover back where he once stood in American political history not at the fringes but at the center and uses his story to explain the trajectories of governance policing race ideology political culture and federal power as they evolved over the course of the 20th century *The Gospel According to the Novelist* Magdalena Maczynska,2015-08-27 Why have so many prominent literary authors from Philip Pullman and Jos Saramago to Mich le Roberts and Colm T ib m recently rewritten the canonical story of Jesus Christ What does that say about our supposedly secular age In this insightful study Magdalena Maczynska defines and examines the genre of scriptural metafiction novels that not only transform religious texts but also draw attention to these transformations In addition to providing rich examples and close readings Maczynska positions literary studies within interdisciplinary debates about religion and secularity Her book demonstrates a surprising turn of events even as contemporary novelists deconstruct the traditional categories of secular and sacred writing they open up new spaces for scripture in contemporary culture **The American Book of the Dead** Oliver Trager,1997-12-04 Contains over 750 alphabetically arranged entries that provide information about the rock group Grateful Dead featuring profiles of band members and associated musicians filmmakers photographers composers and others and descriptions of the band s albums and solo releases Collected Works of George Grant Arthur Davis, Henry Roper Roper, Sheila Grant,2009-02-28 George Grant 1918 88 has often been called Canada s greatest political philosopher and his work continues to influence the country s political social and cultural discourse and institutions The fourth and final volume of the Collected Works of George Grant contains his writings from the last period of his life and includes unpublished material such as lectures interviews and excerpts from his notebooks With comprehensive annotations for his articles reviews and the three books he published during this period Time as History English Speaking Justice and Technology and Justice the volume also contains his writings on Nietzsche Heidegger Simone Weil and C line that were central to this phase of his thought Volume 4 reveals his engagement with technology and the nature of technological society that is as insightful today as during Grant s lifetime and is lasting proof of his legacy Arthur Davis is Associate Professor in the School of Social Sciences Atkinson Faculty of Liberal and Professional Studies York University During the 1950 s he studied undergraduate philosophy with George Grant **The Story of Jesus** M. Clark,2005-08 The Story of Jesus is an invaluable guide for studying the life and ministry of Jesus of Nazareth By combining the four Gospels into a one

cohesive narrative it provides a more complete portrait of the most important person in history Jesus Christ Author M Douglas Clark has carefully woven together the separate but partial narratives contained in the four Gospels to provide a compelling perspective on the life of Jesus Without fictionalizing or paraphrasing Clark uses a straightforward style that is easy to comprehend providing a clear chronology of the events in Jesus life from his birth to his resurrection The Story of Jesus is divided into segments that include The Period of Preparation The First Year of Ministry The Time of Great Public Favor His Face Turns Towards the Cross The Resurrection and Ascension For those who are ready to delve into an in depth study of the life of Christ The Story of Jesus offers uncomplicated and factual guidance for both long term students and those who are just beginning their journey

American Jesus Stephen Prothero,2004-09-18 A Deep Dive into America s Complex Relationship with Jesus There s no denying America s rich religious background belief is woven into daily life But as Stephen Prothero argues in American Jesus many of the most interesting appraisals of Jesus have emerged outside the churches in music film and popular culture and among Jews Muslims Buddhists and people of no religion at all Delve into this compelling chronicle as it explores how Jesus the carpenter from Nazareth has been refashioned into distinctly American identities over the centuries From his enlistment as a beacon of hope for abolitionists to his appropriation as a figurehead for Klansmen the image of Jesus has been as mercurial as it is influential In this diverse and conflicted scene American Jesus stands as a testament to the peculiar fusion of the temporal and divine in contemporary America Equal parts enlightening and entertaining American Jesus goes beyond being simply a work of history It s an intricate mirror reflecting the American spirit while questioning the nation s socio cultural fabric
