## **The Greening:**

The Greening of Protestant Thought Robert Booth Fowler, 2000-11-09 The Greening of Protestant Thought traces the increasing influence of environmentalism on American Protestantism since the first Earth Day which took place in 1970 Robert Booth Fowler explores the extent to which ecological concerns permeate Protestant thought and examines contemporary controversies within and between mainline and fundamentalist Protestantism over the Bible's teachings about the environment Fowler explores the historical roots of environmentalism in Protestant thought including debates over God's relationship to nature and the significance of the current environmental crisis for the history of Christianity Although he argues that mainline Protestantism is becoming increasingly green he also examines the theological basis for many fundamentalists hostility toward the environmental movement In addition Fowler considers Protestantism's policy agendas for environmental change as well as the impact on mainline Protestant thinking of modern eco theologies process and creation theologies and ecofeminism

**The Greening** Larry Abraham, Franklin Sanders, 1993

Modernism in the Green Julia E. Daniel, Margaret Konkol, 2020-04-15 Modernism in the Green traces a trans Atlantic modernist fascination with the creation use and representation of the modern green From the verdant public commons in the heart of cities to the lookout points on mountains in national parks planned green spaces serve as felicitous stages for the performance of modernism In its focus on designed and public green zones Modernism in the Green offers a new perspective on modernism's overlapping investments in the arts politics urbanism race class gender and the nature culture divide This collection of essays is the first to explore the prominent and diverse ways greens materialize in modern literature and culture along with the manner in which modernists represented them This volume presents the idea of the green as a point of exploration as our contributors analyze social organic spaces ranging from public parks to roadways and refuse piles Like the term green one that evokes both more than human natural zones and crafted public meeting places these chapters uncover the social and spatial intersection of nature and culture in the very architecture of parks gardens buildings highways and dumps This book argues that such greens facilitate modernists exploration of how nature can manifest in an era of increasing urbanization and mechanization and what identities and communities the green now enables or prevents

### **Walking With the Green Man Bob**

Curran,2007-03-05 Almost since the dawn of time the image of the Green Man the carven enigmatic head surrounded by leaves and foliage has both intrigued and mystified viewers and folklorists alike Appearing in churches taverns and even on stately buildings the carving seems shrouded in supernatural obscurity Is it merely a fertility symbol or is it something much deeper which calls for a response from us all Though it seems a predominantly Celtic icon does the concept of the Green Man also appear in other places and in other cultures What is its relevance for the world today In an absorbing new book Dr Bob Curran traces the many strands that make up this enigmatic image Tracing its origins from prehistoric times he explores its significance in the medieval world and discusses its development in the modern world He also investigates the image s psychological appeal which has allowed it to continue down through the ages and pulling from a variety of sources its impact upon other cultures in various parts of the world From heroic archetypes such as Robin Hood to Demigods such as Herne the Hunter from the King of the Woods to the Jack in the Green Walking With the Green Man examines the interconnection of man and Nature throughout history Whether as a man amongst the trees a man of the trees or a symbol of Nature used to express secrets and solidarity the Green Man s visage is traced throughout lands and cultures Walking With the Green Man will appeal to all those who are interested in the image of the Green Man as an example of symbolic art as well as to those who are interested in folklore and the interplay between folklore and culture It is a fascinating study which not only examines the history of the icon but also its development within human perception

The Top Books of the Year The Greening The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. The Greening : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Greening : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
