Poetry in the Key of Truth Howard R. Logan, Jr., 2010-04-05 This book was five years in writing and includes over ten years of notes written when I was drowning in the incredibly painful and complicated morass of drug and alcohol addiction Some of the most powerful emotions that I as a human being have ever felt were recorded on whatever paper that was around at the time I swore to God that if I survived and didn't totally lose my mind like so many around me did that I would tell anyone who would listen what it's like to lose yourself completely to the demon of nothingness as I call it because it has the ability to transform all that you possess into nothing nada zilch so fast that your mind can't process it There were times so depressing and painful when the thought of living through another day was a bad option I wrote when I went into rehab and about what it took to find myself again I wrote about the joy of recovery and the fight to have it and to keep it I also write about hypocrisy as I see it While living on the other side of society I was constantly exposed to bullshit of every kind You name it I've heard it seen it and probably done it I've seen and played all the games So now I'm allergic and when I encounter the bullshit and game out here I write about it try to expose it Though I'm not the best Christian in this world I do believe in God and the church In my deepest despair I not only wanted to die I wanted my very soul to die too I wrote about these things too I've tried to include the outlook of live and let live in my poetry Some things are whimsical some about love some are political some dead serious All of it my music Howard R Logan Jr The Key of Truth a Manual of the Paulician Church of Armenia. Daniel, 2022-10-21 Father Ignacio Gordon SJ taught canon law the Catholic Church s law from 1960 until 1985 at the Pontifical Gregorian University in Rome with a concentration on procedural law or the laws on trials By all testimonies he was outstanding for the clarity of his teaching his humble affection for his students his indefatigable and hidden service to the Apostolic See and his priestly zeal Notable among his endeavors was an educational initiative for the ongoing formation of judges and other ministers of justice in ecclesiastical tribunals In his teaching he stressed the ecclesial importance and supernatural implications of procedural law in general and the indispensability of the judicial protection of marriage in particular Special efforts were made to make procedural law understandable to his students and to canonists in general at a time when the Church was celebrating and implementing the teachings of the Second Vatican Ecumenical Council as a result of which her law was undergoing a major revision Father Gordon taught from the consistent canonical tradition while also laying bare the latest developments in law and jurisprudence He taught the entirety of the law on trials producing numerous scholarly works on questions both timeless and new giving marked emphasis to the problem of the excessive length of trials and the causes of delayed justice An area of his particular attention and dedication was the Supreme Tribunal of the Apostolic Signatura of which he was a consultor

referendary and later votans including both its proper law and its history This history displayed in part why that Tribunal was the natural one to function as the supreme administrative tribunal of the Church Father Gordon s contribution to the question of ecclesiastical administrative justice was among those leading the novel and dynamic discussion about it in the 1960s and 1970s **The Key of Truth, a Manual of the Paulician Church of Armenia** F C 1856-1924
