

**THE
KICKAPOOS**

LORDS OF THE MIDDLE BORDER

BY A. M. GIBSON

The Kickapoos Lords Of The Middle Border

Colin Gordon Calloway

The Kickapoos Lords Of The Middle Border:

The Kickapoos Arrell Morgan Gibson, 1963 *Kickapoos* Arrell M. Gibson, 1975-04-01 The Kickapoo Indians members of the Algonquian linguistic community resisted white settlement for more than three hundred years on a front that extended across half a continent In turn France Great Britain the United States Spain and Mexico sought to placate and exploit this fiercely independent people Eventually forced to remove from their historic homeland to territory west of the Mississippi River the Kickapoos carried their battle to the plains of the Southwest Here not only did they wage active and imaginative war but certain bands became area merchants acting as middlemen between the Comanche and Kiowa Indians and the United States government They developed a flourishing trade in plunder and stolen livestock but their most lucrative goods were the white captives whom they obtained from the Comanches and others In 1873 after several profitable years of raiding in Texas for the Mexican Republic the Kickapoos reluctantly settled on a reservation in Indian Territory Corrupt politicians land swindlers gamblers and whisky peddlers preyed on the tribe and it was not until the twentieth century that the Kickapoos received just treatment at the hands of the United States government The Kickapoos; Lords of the Middle Border Arrell Morgan Gibson, 1963 Located in the Oklahoma Collection Dreaming with the Ancestors Shirley Boteler Mock, 2012-10-09 Indian freedmen and their descendants have garnered much public and scholarly attention but women s roles have largely been absent from that discussion Now a scholar who gained an insider s perspective into the Black Seminole community in Texas and Mexico offers a rare and vivid picture of these women and their contributions In *Dreaming with the Ancestors* Shirley Boteler Mock explores the role that Black Seminole women have played in shaping and perpetuating a culture born of African roots and shaped by southeastern Native American and Mexican influences Mock reveals a unique maroon culture forged from an eclectic mixture of religious beliefs and social practices At its core is an amalgam of African derived traditions kept alive by women The author interweaves documentary research with extensive interviews she conducted with leading Black Seminole women to uncover their remarkable history She tells how these women nourished their families and held fast to their Afro Seminole language even as they fled slavery endured relocation and eventually sought new lives in new lands Of key importance were the warrior women keepers of dreams and visions that bring to life age old African customs Featuring more than thirty illustrations and maps including historic photographs never before published *Dreaming with the Ancestors* combines scholarly analysis with human interest to open a new window on both African American and American Indian history and culture *The Commanders* Robert M. Utley, 2018-02-01 Taking a novel approach to the military history of the post Civil War West distinguished historian Robert M Utley examines the careers of seven military leaders who served as major generals for the Union in the Civil War then as brigadier generals in command of the U S Army s western departments By examining both periods in their careers Utley makes a unique contribution in delineating these commanders strengths and weaknesses While some of the book s subjects notably Generals George Crook

and Nelson A Miles are well known most are no longer widely remembered Yet their actions were critical in the expansion of federal control in the West The commanders effected the final subjugation of American Indian tribal groups exercising direct oversight of troops in the field as they fought the wars that would bring Indians under military and government control After introducing readers to postwar army doctrine organization and administration Utley takes each general in turn describing his background personality eccentricities and command style and presenting the rudiments of the campaigns he prosecuted Crook embodied the ideal field general personally leading his troops in their operations though with varying success Christopher C Augur and John Pope in contrast preferred to command from their desks in department headquarters an approach that led both of them to victory on the battlefield And Miles while perhaps the frontier army's most detestable officer was also its most successful in the field Rounding out the book with an objective comparison of all eight generals performance records Utley offers keen insights into their influence on the U S military as an institution and on the development of the American West

Rivers of Sand Christopher D. Haveman, 2016-02 2017 James F Sulzby Book Award from the Alabama Historical Association At its height the Creek Nation comprised a collection of multiethnic towns and villages with a domain stretching across large parts of Alabama Georgia and Florida By the 1830s however the Creeks had lost almost all this territory through treaties and by the unchecked intrusion of white settlers who illegally expropriated Native soil With the Jackson administration unwilling to aid the Creeks while at the same time demanding their emigration to Indian territory the Creek people suffered from dispossession starvation and indebtedness Between the 1825 Treaty of Indian Springs and the arrival of detachment six in the West in late 1837 nearly twenty three thousand Creek Indians were moved voluntarily or involuntarily to Indian territory Rivers of Sand fills a substantial gap in scholarship by capturing the full breadth and depth of the Creeks collective tragedy during the marches westward on the Creek home front and during the first years of resettlement Unlike the Cherokee Trail of Tears which was conducted largely at the end of a bayonet most Creeks were relocated through a combination of coercion and negotiation Hopelessly outnumbered military personnel were forced to make concessions in order to gain the compliance of the headmen and their people Christopher D Haveman's meticulous study uses previously unexamined documents to weave narratives of resistance and survival making Rivers of Sand an essential addition to the ethnohistory of American Indian removal

Passionate Nation James L. Haley, 2022-05-15 Utilizing many sources new to publication James L Haley delivers a most readable and enjoyable narrative history of Texas told through stories the words and recollections of Texans who actually lived the state's spectacular history From Jim Bowie's and Davy Crockett's myth enshrouded stand at the Alamo to the Mexican American War and to Sam Houston's heroic failed effort to keep Texas in the Union during the Civil War the transitions in Texas history have often been as painful and tense as the normal periods in between Here in all of its epic grandeur is the story of Texas as its own passionate nation Texas native Haley does an outstanding job of narrating the outsized and dramatic history of the Lone Star State John Steinbeck observed

Like most passionate nations Texas has its own private history based on but not limited by facts Cognizant of this Haley takes pains to separate folklore from fact He s a good storyteller but then it s hard to go wrong with the colorful characters he has to work with pioneer nationalists Sam Houston and Davy Crockett Quaker abolitionist Benjamin Lundy a wagonload of liquored up turn of the century oilmen and such latter day heroes as Lyndon Johnson John Connally and Janis Joplin Publishers Weekly Starred Review **Oklahoma, a History of Five Centuries** Arrell Morgan Gibson,1981 Located in the Oklahoma Collection **A Sorrow in Our Heart** Allan W. Eckert,1993-02-01 A biography of the famous Shawnee describes Tecumseh s plan to amalgamate all North American tribes into one people his role as statesman and military strategist and his death in the Battle of Thames **Native America in the Twentieth Century** Mary B. Davis,2014-05-01 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

Getting the books **The Kickapoos Lords Of The Middle Border** now is not type of challenging means. You could not lonesome going in imitation of books deposit or library or borrowing from your contacts to entry them. This is an agreed easy means to specifically get lead by on-line.
