**The Kingdom Focused Church** Gene Mims, 2003-05-01 The Kingdom Focused Church will give you everything you need to achieve your church's full potential and relief from the smorgasbord approach that distracts you from the unique focus, nature and mission of the church God has saved for you. You'll discover that success doesn't come from copying someone else's ideas or methods but from knowing the biblical model of a church and understanding how to conform your church regardless of size, location, resources, history or any other variable to that biblical pattern. Your answer is in knowing the biblical model of a church and understanding where you are, which direction you need to head and how to fix things as they break down along the way. In Mims' warm, engaging style, he encourages you to discover for yourself why a Kingdom focus will work when all else fails. American Book Publishing Record, 2003 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 *Kingdom Impact* Putty Putman, 2019-04-16 In Matthew 13 Jesus tells the parable of a man who stumbles across a treasure hidden in a field. He goes home, sells everything he has and buys that field to own that treasure. This is what the kingdom of heaven is, Jesus says, a treasure worth everything. But the truth is for most of us our enthusiasm is often wrapped more deeply around a football team or the latest TV show than what God is doing through us. Lacking a purpose calling to the deepest parts of us, we numb ourselves. In this eye-opening, empowering book, pastor and author Putty Putman shows that there is a kingdom designed to provide your life with such compelling purpose that you will reorient your whole life around it. Here is your invitation into a life of significance, adventure and wonder far beyond what you have let yourself dare to dream. **Kingdom First** Jeff Christopherson, Mac Lake, 2015-06-15 Authors Jeff Christopherson and Mac Lake call readers to imagine a movement that vividly remembers the insubstantial days of a mustard seed with a sense of awe and wonder when looking at the indescribable harvest that stands all around. Though the kingdom of God can't be forced by superficial methods, the good news is that when you move past the threshold of your competency and comfort, you find yourself in the very spot where God can use you like no other. **The Kingdom Way** Keith Wood, 2015-02-23 The Kingdom Way shows how the Kingdom of God can influence our lives, churches and cities for Christ. It relies on Scripture to develop a clear and compelling vision of the Kingdom of God that is simple and yet provides a powerful and coherent model for many areas of life and ministry. The first chapter lays out a clear, precise and biblical definition of the Kingdom of God as it exists today. The following chapters develop practical applications by carefully examining the Kingdom of God and seeing how various components of it can be applied in our lives, churches and cities. Some of the topics covered include the centrality of the Word of God, the importance of confession in our walk with God, abiding in Christ for empowerment from Him, unity in the church and the need for prayer to bring the power of God in all these areas. The book builds toward the conclusion that the Kingdom of God is meant to be a visible transformative force within cities and goes on to paint a clear picture of what that looks like. Using historic and recent examples of cities that have undergone radical transformation through the Gospel, the

book makes the case that transformation of our cities is something we must all work toward and can actually see happen in our time. Far from theoretical, however, the book is immensely practical. Its groundbreaking, thoughtful approach to application will clarify your understanding of the Kingdom and provide guidance and encouragement as you join with Jesus in working for the transformation of your city. It should be of interest to all Christians devoted to growth and ministry and will be of particular interest to pastors, elders, and mature and maturing believers. Your Kingdom Come Eng Hoe Lim, 2020-12-23

The Bible talks about three kingdoms: God's Kingdom, Satan's kingdom, and the kingdoms of this world or man's kingdom. But this world began with only one kingdom: God's Kingdom. Something happened in the garden of Eden that changed that. From one kingdom on earth, it became three kingdoms on earth. Jesus came to restore it back to one kingdom: God's Kingdom. This is the good news of the Kingdom: the restoration of God's Kingdom on earth, which is expressed in the prayer, "Let Your Kingdom come. Let Your will be done on earth as it is done in heaven." Matt 6:10. Jesus told us it began when He came and it will be completed when He comes again. The good news that Jesus preached is not the good news of salvation to go to heaven, but the good news of the Kingdom of God, which is about the restoration of God's Kingdom on earth. The Bible is very clear that it started when Jesus came. Not something only in the future when Jesus returns. God put us on this planet for a purpose. Man deviated from that purpose. Jesus came to restore us back to God's original purpose. The purpose of this book is to correct the wrong understanding of the good news and bring us back to what the Bible actually says. When we understand what the Bible actually says about the good news of the Kingdom of God, that Jesus has come to be King over this world and God wants to restore His Kingdom on earth, our whole understanding of church, ministry, missions, and God's will for our lives will be totally changed. We will be very concerned about what is happening in this world. We will become very concerned about injustice and suffering and everything else that is wrong in this world. Instead of disengaging from this world, we will work with God to bring change to our communities and to this world so that His Kingdom can come and reign and His will can be done on earth as in heaven. We will realize that each of us, whether we are teachers, doctors, engineers, farmers, musicians, administrators, or businessmen, etc., will have a role towards that. Not just those in full-time ministry. Our understanding of spirituality would not be a self-focused and self-centered thing that is just inside us or within the four walls of the church building, but love, which is a focus and concern for others. Evangelists and missionaries are into evangelism and church planting, and churches are into church growth, but Jesus said, "All authority in heaven and on earth has been given to Me. Let My Kingdom come. Let My will be done on earth as it is done in heaven." Before Jesus returns to judge this world, Isaiah prophesied that the people of God will be Kingdom communities of love and justice through which the salvation and the glory of God will be revealed to the world. This would also be the witness of the good news of the Kingdom of God that Jesus prophesied would be preached to all nations before the end of the world. This book is a call for the people of God to be these Kingdom communities that God has been waiting to see. *Future Church* Will Mancini, Cory Hartman, 2020-12-01. Church

growth models have often been long on promises and short on disciple making We continue to watch consistent church attendance shrink and our desire to reach the lost is infected with a need for self validation by growing our numbers at any cost If we believe that God wants his church to grow where do we go from here What is the future of the church Drawing from his 20 years and 15 000 hours of consulting author Will Mancini shares with pastors and ministry leaders the single most important insight he has learned about church growth With plenty of salient stories and based solidly on the disciple making methods found in Scripture Future Church exposes the church s greatest challenge today and offers 7 transforming laws of real church growth so that we can faithfully and joyfully fulfill Jesus s Great Commission     *Kingdom Focused* Tonya ROGERS,2020-06-19 All Christians are called to seek ye first the Kingdom of God Matthew 6 33 But how do we even know if we are Kingdom Focused In this second published book by Dr Tonya A Rogers she is celebrating 50 year of preaching and in this book she invites her readers to discover the importance of having a Kingdom mindset that is present in the church and in our everyday lives Dr Rogers gives us five things to consider for each decade of preaching 1 Always depend on God 2 Learn to define success in terms of faithfulness 3 Study to know God 4 Learn to be patient 5 Stay thankful and humble     The Present Future Reggie McNeal,2009-03-23 In this provocative book author consultant and church leadership developer Reggie McNeal debunks these and other old assumptions and provides an overall strategy to help church leaders move forward in an entirely different and much more effective way In The Present Future McNeal identifies the six most important realities that church leaders must address including recapturing the spirit of Christianity and replacing church growth with a wider vision of kingdom growth developing disciples instead of church members fostering the rise of a new apostolic leadership focusing on spiritual formation rather than church programs and shifting from prediction and planning to preparation for the challenges of an uncertain world McNeal contends that by changing the questions church leaders ask themselves about their congregations and their plans they can frame the core issues and approach the future with new eyes new purpose and new ideas
