The Lamb And His Enemies Understanding The Of Revelation

David Holsted

The Lamb And His Enemies Understanding The Of Revelation:

The Lamb and His Enemies Rubel Shelly, 2013-08 Revelation is a closed and unapproachable part of Holy Scripture for many people. It is written in strange symbols and has been abused by many interpreters. The Lamb and His Enemies is an attempt to get serious Bible students into the pages of this beautiful book. Revelation need not be avoided. It is as the first chapter of this volume insists, a book to be understood. Rubel Shelly has studied and taught the Apocalypse for years. This book is the result of that experience with Revelation and has been written at the urging of those who have been helped by his approach to the capstone of the Word of God. Dr. Rubel Shelly is an author, minister, and the former president of Rochester College. He served as Senior Minister for the Woodmont Hills church of Christ in Nashville, Tennessee, from 1978 until 2005. He was named the president of Rochester College in May 2009 and currently serves as a co-minister for the Bristol Road Church of Christ in Flint, Michigan. Rubel has also authored many books, including *Book by Book Study of the Bible*. A *Study of the Book of Revelation* Alexander Hardie, 1926. *The Love of Enemy and Nonretaliation in the New Testament* Willard M. Swartley, 1992-01-01. The essays in this irenic book explore two pervasive New Testament teachings that are foundational to peace: Jesus commands to love enemies and not to retaliate against those who do evil. These themes are covered from a variety of perspectives, showing the impact of Jesus teaching throughout the New Testament. Priesthood and Temple in John's Apocalypse Timothy B. Tse, 2024-12-12. Timothy B. Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place, scholarship has overlooked the importance of his spatial transformation of that language. Tse thus uses theories relating to Relevance Resistance Theory, Critical Space Theory, and Conceptual Metaphor to demonstrate that a significant part of John's apocalyptic strategy of resistance is to re-present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live. Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation. John's description of the visionary world creates the metaphors: the earth is a Sanctuary and the Saints are its priests. Tse argues that under this view, life on earth must be evaluated according to the concerns of the Sanctuary, which by definition requires the removal of everything impure, and the Saints, namely all Christians in both the historic and visionary worlds, must take priestly responsibility for the earth. John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb's war against Satan, Babylon, and all her impurities. Tse concludes that overall, John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality. **Nonviolence** Preston M. Sprinkle, 2021-04-01. In a unique narrative approach, Sprinkle begins by looking at how the story of God as a whole portrays violence and war, drawing conclusions that guide the reader through the rest of the book. With urgency and precision, he navigates hard questions and examines key approaches to violence, driving every answer back to Scripture. Ultimately, Sprinkle challenges the church to walk in a manner worthy of our calling and shape our lives on

the example of Christ Nonviolence The Revolutionary Way of Jesus is biblically rooted theologically coherent and prophetically challenging It is a defining work that will stir discussions for years to come The Pre-Wrath Rapture View Renald E. Showers, An authoritative biblical critique of the recent pre wrath rapture theory popularized by Rosenthal and Van Kampen Understand the Old Testament David Holsted, 2018-02-16 A full 75 percent of the Bible is the Old Testament If one of your kids or your coworkers or your friends were to ask you about the Old Testament could you talk knowledgably about it When you pastor says that your church believes in the Old Testament because the whole Bible is about Jesus can you even imagine what he s talking about In my experience Christians often know stories from the Old Testament or maybe have memorized verses from it but very few would say that they understand it That s where I stood not long ago so I set out to do something about it Frankly without help the Old Testament can be difficult to read let alone understand But with a little guidance you can not only understand it you can appreciate how it harmonizes with the New Testament and you can see how it is so foundational to your faith I put together this book as I earnestly studied my way through the Old Testament My hope is that I have taken hundreds of hours of reading and work and summarized it into a book that can be used by Christians who just don t have hundreds of hours to invest This book combines the best of what I ve read and studied about the Old Testament It is part book read it through or select areas of interest from the summaries It is part Bible study guide use the summaries to study or lead a Bible study group It is part commentary use it to complement your Old Testament reading The Old Testament is the story that Jesus completes and the promise that Jesus fulfills Are you willing to invest about an hour per week for a year in order to see how this is true Learn the name nature attributes and character of God Learn biblical principles patterns and promises Learn about Hebrew culture language and history in the context of world history Learn of the prophecies of hope through the Messiah Learn how the Old Testament testifies to Jesus throughout Share this adventure with me Take the first step Start down the path You will find it one of the most fulfilling things you ve ever done A *Commentary on "the Revelation of Jesus Christ."* By J. H. John HOSKYNS (M.D.), 1855 **The New Testament in His Blood** Burnell F. Eckardt Jr, 2010-09-16 The purpose of this manuscript is twofold first to present the Divine Liturgy in such a way as to highlight its beauty and dignity and second to show the liturgy s necessity by making the connection between Christ s fulfillment of the entire Old Testament and the proclamation of this fulfillment by the liturgy It is not accidental that the term new testament refers both to the canon of apostolic books arising after Christ s ministry and to the Holy Sacrament of the Altar There is an integral connection between word and worship between faith and the reception of the incarnate Christ And just as the written New Testament is the word of God and therefore the ultimate norm and rule for all of Christian life so the new testament as sacrament in Christ s blood must be the heart of truly Christian worship from which all other forms of devotion and piety flow **A Commentarie Upon the Book of the Revelation ...** James Durham, 1660
