The Land-to-the-tiller Program and Rural Resource Mobilization in the Mekong Delta of South Vietnam

Charles Stuart Callison, 1974 The Land-to-the-Tiller Program and Rural Resource Mobilization in the Mekong Delta of South Vietnam C. Stuart Callison, 1974

Postwar Vietnam David Marr, Christine P. White, 2018-05-31 This anthology concentrates on domestic questions economic policies and socialist development and ideology The essays subjects include such varied topics as education economics the military leadership and economic assistance and humanitarian aid **Labour in Vietnam** Anita Chan, 2011-08-12 Two decades after Vietnam introduced a programme of economic renovation commonly known as Doi Moi the country today allows market competition in industry and a new working class has been created This is the first book to focus on the role and conditions of workers in the new economic regime The authors of the book trace Vietnam's labour history explore the impact of the socialist legacy and examine the reasons for the large number of recent strikes The book provides insights into the workforce of one of Asia's most rapidly developing industrial economies

Land-to-the-tiller in the Mekong Delta Charles Stuart Callison, 1983 Co published with the Center for South and Southeast Asia Studies provides a useful description of a successful land reform and the economic and social benefits that resulted from it **Vietnam at War** Mark Bradley, 2021-01-30 A penetrating history of how the Vietnamese people experienced the wars for their country From the independence struggles against the French in the 1940s and 50s to the fall of Saigon in 1975 Mark Philip Bradley paints a vivid picture of how Vietnamese people of all classes both north and south came to understand the thirty years of bloody warfare that unfolded around them and how they made sense of its aftermath Book jacket

The Egalitarian Moment D. A. Low, 1996 An account of the unsuccessful attempts in Asia and Africa to create egalitarian rural societies **Between a River and a Mountain** Edmund F. Wehrle, 2010-02-11 Between a River and a Mountain details American labor's surprisingly complex relationship to the American war in Vietnam Breaking from the simplistic story of hard hat patriotism Wehrle uses newly released archival material to demonstrate the AFL CIO's continuing dedication to social political and economic reform in Vietnam The complex sometimes turbulent relationship between American union leaders and their counterparts in the Vietnamese Confederation of Labor known as the CVT led to dangerous political compromises the AFL CIO eventually accepted much needed support for their Vietnamese activities from the CIA while the CVT's need to sustain their relationship with the Americans lured them into entanglements with a succession of corrupt Saigon governments Although the story's endpoint the painfully divided and weakened labor movement of the 1970s may be familiar Wehrle offers an entirely new understanding of the historical forces leading up to that decline unraveling his story with considerable sophistication and narrative skill Stunning in its research and sophisticated in its analysis Between a River and a Mountain is one of the best studies we have of labor and the Vietnam War Robert K Brigham Shirley Ecker Boskey Professor of History and International Relations Vassar College Skillfully blending diplomatic and labor history

Wehrle's book is a valuable contribution to the ever widening literature on the Vietnam War. George Herring, University of Kentucky. Wehrle has written a compelling and original study of the AFL-CIO, the South Vietnamese labor movement and the Vietnam War. Judith Stein, Professor of History, City College and Graduate School of the City University of New York. With this important book, Edmund Wehrle gives us the first full fledged scholarly examination of organized labor's relationship to the Vietnam War. Based on deep research in U.S. and foreign archives and presented in clear and graceful prose, *Between a River and a Mountain* adds a great deal to our understanding of how the AFL-CIO approached the war and in turn was fundamentally altered by its staunch support for Americanization. Nor is it merely an American story that Wehrle tells for he also presents fascinating information on the Vietnamese Confederation of Labor and its sometimes strained relations with U.S. labor. Fredrik Logevall, Cornell University. Edmund F. Wehrle is Assistant Professor of History, Eastern Illinois University.
