The Language Of Canaan And The Grammar Of Feminism:

The Language of Canaan and the Grammar of Feminism Vernard Eller, 1982 The Maleness of Jesus Neil H. Williams, 2011-01-01 At the center of Christianity is Jesus of Nazareth whose maleness is used by many to justify the subordination of women and to emphasize that men rather than women better represent Jesus This raises a number of questions that are the subject of this book What is the significance of Jesus maleness Does it reveal the character of God Is it foundational for the gospel Is Jesus maleness associated with an ongoing created order of male priority Our answers will affect Christianity s task of love justice and reconciliation in a world that is characterized by the global marginalization oppression and abuse of women **The Divine Feminine** Virginia Ramey Mollenkott, 2014-01-01 A calm well balanced carefully prepared book Excellent for adult Bible discussion groups for occasional sermons for suggesting ways of inclusive language This book teaches and directs without antagonizing The Bible Today A persuasive book useful for personal reflection and group discussion and ideal for gift giving Daughters of Sarah This is no dry erudite volume It rubs salve in personal wounds inflicted by centuries of biblical misreading Sojourners The book reflects careful research it is written in a style that will appeal to those interested in the implications of biblical research but without the time or inclination to follow the involved discussions of biblical scholarship National Catholic Reporter **Donald G. Bloesch** Paul Maher, 2007 Donald G Bloesch is among the most important American theologians of the 20th and early 21st centuries He calls himself a catholic evangelical and indeed his appeal is as wide as those terms imply His work has appeared in Catholic religious periodicals as well as many varieties of Protestant publications both mainstream and lesser known As a prolific author Bloesch s writing is scattered across a large number of journals many of which are difficult to access and reviews of his work appear in an even larger range of forums Donald G Bloesch A Research Bibliography collocates as many relevant resources on Bloesch s writing as possible The book provides a chronological listing and description of each work written by Bloesch as well as reviews of Bloesch s writing Each entry gives the title publication details and notes about the relationship of the item described to other publications Several indexes are also included giving a checklist of books by Bloesch a checklist of books to which Bloesch has contributed and a list of book reviews that Bloesch has written about other authors Finally there is an alphabetical index of titles names and periodicals cited in the bibliography making this the most comprehensive resource available on Bloesch

The Politics of Prayer Helen Hull Hitchcock, 1992 Distinguished Catholic and Jewish scholars theologians and linguists offer important insights into the functions of language as well as penetrating analyses of the feminists influence on Scripture and worship Liberating Tradition Kristina LaCelle-Peterson, 2008-04 Offers a clear perspective on the issues Christian women face in the twenty first century and shows how the Bible is a liberating and enriching book for women THE YOUNG CHRISTIAN'S SURVIVAL GUIDE Donald T. Williams, 2019-07-19 Some of the questions asked and answered in THE YOUNG CHRISTIAN S SURVIVAL GUIDE are You claim the Bible is inspired because it says it is right 2 Tim 3 16 Isn t that

circular reasoning You claim the Bible was inspired but there was no inspired list of which books that is true of So how can we know which ones to trust With so many different copies of manuscripts that have 400 000 variants errors how can we even know what the Bible says Why can t the people who wrote the four Gospels get their story straight Didn t the Council of Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power People used to believe in miracles because they didn t understand science Don t we know better than that now That a man rose from the dead takes a lot of believing How could you ever have enough evidence for a belief like that Science has proved that human beings evolved over millions of years rather than being created in six days Why are you still clinging to ancient myths Just because the Bible is true for you why does that make it true for me How can you base your modern life on a book that was written for a primitive culture Doesn t the Bible support genocide Doesn t the Bible support racism Doesn t the Bible support slavery Doesn t the Bible support homophobia Doesn t the Bible support the oppression and abuse of women There are so many religions all sincerely seeking the same goal What makes you Christians so arrogant that you think yours is the only way What about those who have never heard the Gospel If God is a God of love why did he let my loved one die How can it be just for God to impose an infinite punishment Hell forever for finite sins These questions will be asked and answered with reasonable rational Scriptural answers *Evangelical Dictionary of Theology* Daniel J. Treier, Walter A.

Kimel, 1992 A collection of essays written by a wide diversity of scholars including Thomas F Torrance Geoffrey Wainwright Elizabeth Achtemeier Colin Gunton and Robert W Jenson that discuss and critically analyze the crucial theological issues at stake in the feminist theological agenda The first volume of its kind to offer an orthodox critical response to the proposals of contemporary feminist theology **The Battle for the Trinity** Donald G. Bloesch, 2001-07-11 In *The Battle for the Trinity* Dr Bloesch tackles the controversial issues surrounding the questions of God language and their potential as one of the most divisive issues facing the church in the twentieth century Should God be addressed as Father Mother or Parent should Jesus be referred to primarily as the Son of God or the Child of God did God really reveal himself definitively in the person of his Son Jesus Christ Bloesch contends that how we speak about God embodies the very core of Christianity and how we ultimately understand the biblical and historical meaning of the Trinity itself The debates surrounding the Doctrine of God are many and Bloesch urges the church to respond to the concerns of

women that the sacred carries both masculine and feminine dimensions Bloesch emphasizes that the God of the Bible is not described in masculine terms exclusively and we err in our failure to recognize it If Christianity is to remain genuinely Christian these controversial issues must be dealt with in such a manner that will preserve the full historical and biblical understanding of the Trinity
