The Last Chance Kid:

The Last Chance Kid Will Keen, 2017-04-01 When Lane Condry The Last Chance Kid paid a rare visit to the family home in Arizona's San Pedro Hills he found his younger brother Nate acting suspiciously and the property being threatened by unscrupulous mine owner Jack Kenyon *The Last Chance Kid* Nelson Coral Nye, 2005 Bored with his aristocratic existence Alfred Addlington sets off for New Mexico carrying a never used rifle that is soon fired up when the native outlaws try to frame him for their crimes **Last-chance Children** Monica B. Morris, 1988 Like the cracking of the genetic code and the creation of the atomic bomb the discovery of how the brain's neurons work is one of the fundamental scientific developments of the twentieth century The discovery of neurotransmitters revolutionized the way we think about the brain and what it means to be human yet few people know how they were discovered the scientists involved or the fierce controversy about whether they even existed The War of the Soups and the Sparks tells the saga of the dispute between the pharmacologists who had uncovered the first evidence that nerves communicate by releasing chemicals and the neurophysiologists experts on the nervous system who dismissed the evidence and remained committed to electrical explanations The protagonists of this story are Otto Loewi and Henry Dale who received Nobel Prizes for their work and Walter Cannon who would have shared the prize with them if he had not been persuaded to adopt a controversial theory how that happened is an important part of this history Valenstein sets his story of scientific discovery against the backdrop of two world wars and examines the fascinating lives of several scientists whose work was affected by the social and political events of their time He recounts such stories as Loewi's arrest by Nazi storm troopers and Dale's efforts at helping key scientists escape Germany The War of the Soups and the Sparks reveals how science and scientists work Valenstein describes the observations and experiments that led to the discovery of neurotransmitters and sheds light on what determines whether a novel concept will gain acceptance among the scientific community His work also explains the immense importance of Loewi Dale and Cannon's achievements in our understanding of the human brain and the way mental illnesses are conceptualized and treated Last Last Chance Fiona Maazel, 2009-03-31 Last Last Chance Fiona Maazel's first novel is one of the most distinctive debuts of recent years a rollicking comic tale about in no particular order plague narcotics recovery and reincarnation A lethal strain of virus vanishes from a lab in Washington D C unleashing an epidemic and the world thinks Lucy Clark's dead father is to blame The plague may be the least of Lucy's problems There's her mother Isifrid a peddler of high end hatwear who's also a crackhead and pagan theologian There's her twelve year old half sister Hannah obsessed with disease and Christian fundamentalism and Lucy's lover Stanley who's hell bent on finding a womb for his dead wife's frozen eggs Lastly there's her grandmother Agneth who believes in reincarnation and who turns out to be right And then there is Lucy herself whose wise warped approach to life makes her an ideal guide to love among the ruins Romping across the country from Southern California to the Texas desert to rural Pennsylvania and New York City Lucy tries to surmount her drug addiction and to keep

her family intact and tells us uproariously all about it Last Last Chance is a novel about survival and recovery opportunity and despair and finally love and faith in an age of anxiety It introduces Maazel as a new writer of phenomenal gifts **Last Chance Book Club** Hope Ramsay,2013-10-08 After a painful divorce Savannah White wants nothing more than to find her happy place So when she gets the chance to pack up her life and her son and move to the idyllic town where she spent childhood summers she jumps at the opportunity Last Chance is just as charming as she remembered She s even invited to join the local book club where talk soon turns to Savannah s plan to bring the ramshackle downtown movie theater back to life A new challenge is just what Savannah needs to move forward Dash Randall wants to put his fortune to good use but he remembers Savannah as the bratty princess who descended upon him each June causing no end of trouble But the teenager he remembered has grown into a gorgeous and generous woman and it isn t long before Dash finds himself wanting to make brand new memories with Savannah But first Dash and Savannah will need to make peace with their pasts to find a new chance for love *The Cowboy's Last Chance* Lee Ann Sontheimer Murphy,2024-10-21 When Vivian Blackburn recently returned to Southwest Missouri sets out to shoot pictures at a rodeo she s not looking for a cowboy but when she meets bull rider Calhoun Kelly she s found one They have an instant attraction and rapport They re compatible in every way but one he has a strong Christian faith and she lost hers after her parents died When Vivian experiences strange dreams that seem to warn Calhoun of upcoming danger she doesn t know what to think Calhoun decides to hang up his spurs at the end of the season but before he does he and Vivian are married They decide they ll settle at her grandmother s old farmhouse but not until he rides his last rodeo When he s critically injured his life hangs in the balance Will Vivian find her faith and pray It s a close call but time will tell Last Chance Summer Hope Ramsay,2024-09-24 It wouldn t be summer without the Watermelon Festival and single mom Amanda Wright is looking forward to a carefree day eating funnel cakes and sipping sweet tea But with her inquisitive son and elderly grandmother in tow she s not in the mood for carnival rides or the kissing booth until she hears a charming funny voice over the loudspeaker Grant Trumbull is the new DJ at the local radio station and his deep booming cadence has all the ladies of the church auxillary atwitter Even without seeing his face Amanda can t help but wonder if he s the one for her When she finally comes face to face with the man behind the mic summer is about to get a whole lot hotter in little Last Chance South Carolina **Last Chance** Jason Manning,2013-10-29 It may be the twilight of the Old West but the sun s not about to set on Ethan Payne The tough as nails gunslinger is still holding strong to the traditions that made him notorious A new trade is giving him the chance to prove it as regulator for a Wyoming cattleman s association But when an innocent man is killed Payne s spirit dies long with him Now it s the fearless outlaw who needs to be rescued And Buffalo Bill Cody s the one to do it A U S scout who rode out the civil War in glory Cody s become the Wild West s greatest showman Now that he s got Payne in the act it s only going to get wilder The biggest draw Cody ever bankrolled Payne is riding high once again Especially when the tour takes him back to Chicago and back to beautiful Lilah But the past
