FIRST MINNESOTA VOLUNTEERS

RICHARD MOE

FOREWORD BY JAMES MACGREGOR BURNS

The Last Full Measure The Life And Death Of The First Minnesota Volunteers

David Detzer

The Last Full Measure The Life And Death Of The First Minnesota Volunteers:

The Last Full Measure Richard Moe,2009-10-28 Since its publication Richard Moe's *The Last Full Measure* has garnered a reputation as the definitive history of the First Minnesota Regiment and one of a handful of classic regimental histories of the Civil War. The First Minnesota Volunteers, the first regiment offered to President Lincoln after the fall of Fort Sumter, served in virtually every major battle fought in the eastern theater during the first three years of the Civil War. This is the story of the Army of the Potomac during that period: the initial enthusiasm dashed by sudden defeat at Bull Run, the pride at being shaped into an army by George McClellan and the frustration with his and his successors' inability to defeat Robert E. Lee, and finally the costly battle of Gettysburg, the decisive battle in which the First Minnesota played a crucial and tragic role. Drawing on a wide array of letters, diaries, and personal reminiscences, Moe tells the story anew through the experiences of the men who lived it.

The Last Full Measure Richard Moe,2001 Since its publication Richard Moe's *The Last Full Measure* has garnered a reputation as one of a handful of classic regimental histories of the Civil War and the definitive history of the First Minnesota Regiment. Moe's chronicle of the First Minnesota has received wide acclaim from reviewers and historians alike. As James MacGregor Burns notes in his foreword to the book, Like Tolstoy's *War and Peace*, this work sticks close to the men in battle and hence, like Tolstoy, the author keeps close to the human size of war. Ken Burns, co-producer of the acclaimed PBS documentary *The Civil War*, notes that Richard Moe, in this wonderfully told regimental history, manages to rescue that which Civil War studies so often neglects: the people.

The Last Full Measure Michael Stephenson,2013-06-04 Behind every soldier's death lies a story. What psychological and cultural pressures brought him to his fate? What lies and truths convinced him to march toward his death? Covering warfare from prehistory through the present day, *The Last Full Measure* tells these soldiers' stories, ultimately capturing the experience of war as few books ever have. In these pages we march into battle alongside the Greek phalanx and the medieval foot soldier. We hear gunpowder's thunder in the slaughters of the Napoleonic era and the industrialized killing of the Civil War and recoil at the modern automated horrors of both World Wars. Finally, we witness the death of one tradition of heroic combat and the construction of another in the wars of the modern era, ranging from Vietnam to America's latest involvements in Iraq and Afghanistan. Combining commanding prose, impeccable research, and a true sensitivity to the combatant's plight, *The Last Full Measure* is both a remarkably fresh journey through the annals of war and a powerful tribute to the proverbial unknown soldier.

TIME-LIFE The Civil War in 500 Photographs The Editors of TIME-LIFE,2015-12-10 The name TIME LIFE has become synonymous with providing readers with a deeper understanding of subjects and world events that matter to us all. Now, with the 150th anniversary of the end of the Civil War upon us, TIME LIFE's *The Civil War in 500 Photographs* will be an indispensable guide to a nation-changing era and the military, social, economic, and political forces that shaped it. The narrative of the Civil War, fought from 1861 to 1865, is familiar to almost all Americans, from Presidential candidate Abraham Lincoln's noble

declaration that the government cannot endure permanently half slave half free to Confederate Gen Robert E Lee's surrender at Appomattox Yet the details of the battles and battlefields the political maneuverings and the personalities who defined the war continue to fascinate citizens of all ages TIME LIFE The Civil War in 500 Photographs taps into that into that interest providing a fresh and accessible way to appreciate this most important conflict It will lay out the war's major developments in arresting colorized images and cover topics from the backstory through secession the Union's early setbacks the Underground Railroad victories at Gettysburg and Vicksburg and Reconstruction For history buffs and the newly curious The Civil War in 500 Photographs will be the ultimate easy to use guide to four years that changed our nation forever **The**

Battle Rages Higher Kirk Jenkins,2010-09-12 The Battle Rages Higher tells for the first time the story of the Fifteenth Kentucky Infantry a hard fighting Union regiment raised largely from Louisville and the Knob Creek valley where Abraham Lincoln lived as a child Although recruited in a slave state where Lincoln received only 0.9 percent of the 1860 presidential vote the men of the Fifteenth Kentucky fought and died for the Union for over three years participating in all the battles of the Atlanta campaign as well as the battles of Perryville Stones River and Chickamauga Using primary research including soldiers letters and diaries hundreds of contemporary newspaper reports official army records and postwar memoirs Kirk C Jenkins vividly brings the Fifteenth Kentucky Infantry to life The book also includes an extensive biographical roster summarizing the service record of each soldier in the thousand member unit Kirk C Jenkins a descendant of the Fifteenth Kentucky's Captain Smith Bayne is a partner in a Chicago law firm Click here for Kirk Jenkins website and more information about the 15th Kentucky Infantry *Three Years with Wallace's Zouaves* Thomas Wise Durham,2003 *God's Reflections* Ronald Ian Phillips,Ernest Schmidt,David Grotzke,Seth Grotzke,2022-04-07 Using a unique and ground breaking approach that combines religion with American history these four authors masterfully present a thoroughly researched and captivating account of fifty two inspirational stories of America's exceptionalism intricately woven with God's truths Each story connects the life giving honesty of the American people with a life shaping application from the gospel Individuals interested in the history of the United States or Christianity and looking for an overarching account of what unites us as Americans and believers will be enthralled by these inspiring stories of struggles and triumphs We are not the light just the reflection if we stand close enough to the Source The further we move away from God's will for our lives the more we stumble in the dark But as believers we know there is an all powerful force that will lift us up and help us to walk in the light The goal of God's Reflections Biblical Insight from America's Story is to draw Christians closer to the light source so they can radiate brighter in their service to God and their country and be part of the greatest rescue mission of all making disciples for Jesus Christ

The Fredericksburg Campaign: Winter War on the Rappahannock Francis Augustin O'Reilly,2006

Chancellorsville Stephen W. Sears,2014-12-16 A new look at the Civil War battle that led to Stonewall Jackson's death A Publishers Weekly Best Book of the Year and tour de force in military history Library Journal From the award winning

national bestselling author of Gettysburg this is the definitive account of the Chancellorsville campaign from the moment Fighting Joe Hooker took command of the Army of the Potomac to the Union's stinging albeit temporary defeat. Along with a vivid description of the experiences of the troops, Stephen Sears provides a stunning analysis of how terrain, personality, chance, and other factors affect fighting and distort strategic design. Library Journal. Most notable is his use of Union military intelligence reports to show how Gen. Joseph Hooker was fed a stream of accurate information about Robert E. Lee's troops; conversely, Sears points out the battlefield communications failures that hampered the Union army at critical times. A model campaign study, Sears's account of Chancellorsville is likely to remain the standard for years to come. Publishers Weekly. The finest and most provocative Civil War historian writing today. Chicago Tribune. Includes maps. **All for the Union** John A. Simpson, 2022-04-01. When the South bombarded Fort Sumter in April 1861, the Ellithorpe family in rural New York answered President Lincoln's call to defend the Union. For the next four years, the two Ellithorpe brothers and two of their brothers-in-law fought in some of the Civil War's most storied regiments on nearly every major battlefield in the East. In this utterly unique Civil War history biography, John A. Simpson reconstructs the intertwined lives and wars of four Union soldiers from Bull Run to Gettysburg and beyond. When the Civil War broke out, Phillip Ellithorpe, Philander Ellithorpe, Asa Burleson, and Oliver Moore did not hesitate to volunteer to fight for the Union. Their service would encompass virtually every branch of the Northern army, including infantry, including sharpshooters, cavalry, mounted and dismounted, and artillery, as well as commissary, engineering, and ambulance duty. They would serve in six different regiments: the 13th Pennsylvania Reserves, the legendary Bucktails, the 27th New York Infantry, the Union Regiment, the 2nd New York Mounted Rifles, the 5th Vermont Infantry, the 1st New York Dragoons, and the 1st Minnesota, which gained immortality at Gettysburg. They would participate in the major battles of the war's Eastern theater: First Bull Run, the Peninsula, Second Bull Run, Antietam, Fredericksburg, Chancellorsville, Gettysburg, and Grant's Overland campaign through Petersburg. Phillip would die at Gettysburg, and the other three would return home and live under the shadow of the Civil War for the rest of their lives. **All for the Union** tells the dramatic story of these four soldiers weaving their lives and wars into a tapestry of how one family navigated home front and battle front during the Civil War. Based on 180 family letters, voluminous primary and second sources, and visits to homes and battlefields from Allegany County, New York, to Richmond, Virginia, **All for the Union** is a remarkable contribution to Civil War history.

Union Soldiers in the American Civil War Lance J. Herdegen, 2017-07-19. Some Confederates called him a Bluebelly, Mudsill, and even a Lincolnite for President Abraham Lincoln, but the name that has carried down through the decades is simply Billy Yank. Author Lance Herdegen tells his fascinating, multi-faceted story in **Union Soldiers in the American Civil War**. **Union Soldiers** offers a complete guide for Civil War enthusiasts of all ages. Herdegen employs nearly 100 photographs coupled with clear and concise prose broken down into short, easy-to-understand chapters to better understand these men. Coverage includes such varied topics as the organization of the Union Army, learning to be soldiers, winter campaigning,

photography sick call nurses religion discipline prisoner of war camps weaponry uniforms as well as numbers and losses and the strengths of the various Union armies It also examines the participation of U S Color Troops and the role played by African Americans during the Civil War This handy reference book includes a list of Civil War points of interest some bookshelf suggestions and a glossary of Civil War terms Experienced Civil War buffs will find Union Soldiers in the American Civil War an invaluable quick reference guide and one that makes an excellent gift for introducing the Civil War to anyone of any age

James J. Hill Michael P. Malone, 2013-06-14 In this volume Michael P Malone provides a succinct interpretive biography of James J Hill the Empire Builder so called for his work in developing the region of the United States between the Great Lakes and the Pacific Northwest Malone explores Hill s complex life and personality his activities and interests and recreates both the story of the railroad race to the Pacific and the complex interactions involved in the development of the region Michael Malone has written a model interpretative biography of James J Hill He has drawn on the research of others published and unpublished as he says but also on his own knowledge of American economic development in Hill s time as a leading historian of mining and of a state in whose development Hill s railroads were major factors Earl Pomeroy Professor of History Retired University of Oregon and University of California San Diego

Petersburg to Appomattox Caroline E. Janney, 2018-03-14 The last days of fighting in the Civil War s eastern theater have been wrapped in mythology since the moment of Lee s surrender to Grant at Appomattox Court House War veterans and generations of historians alike have focused on the seemingly inevitable defeat of the Confederacy after Lee s flight from Petersburg and recalled the generous surrender terms set forth by Grant thought to facilitate peace and to establish the groundwork for sectional reconciliation But this volume of essays by leading scholars of the Civil War era offers a fresh and nuanced view of the eastern war s closing chapter Assessing events from the siege of Petersburg to the immediate aftermath of Lee s surrender Petersburg to Appomattox blends military social cultural and political history to reassess the ways in which the war ended and examines anew the meanings attached to one of the Civil War s most significant sites Appomattox Contributors are Peter S Carmichael William W Bergen Susannah J Ural Wayne Wei Siang Hsieh William C Davis Keith Bohannon Caroline E Janney Stephen Cushman and Elizabeth R Varon

Lincoln's Men William C. Davis, 1999-07-14 I sit down to write you a Soldier s Friend My kind Friend of Friends you have the power to help me a grate deal I have great Confidence in our Good President hoe has dun a grate deal for us poor Soldiers So wrote Private Joe Hass to Abraham Lincoln February 20 1864 Like an extraordinary number of his fellow Union soldiers he loved Lincoln as a father Lincoln inspired feelings unlike those instilled by any previous commander in chief in America In Lincoln s Men William C Davis draws on thousands of unpublished letters and diaries to tell the hidden story of how a new and untested president could become Father Abraham throughout both the army and the North as a whole How did the Army of the Potomac yearning for the grandeur of McClellan turn instead to the comfort of Old Abe and how was this change of loyalty crucial to final victory How did Lincoln inspire the faith and courage

of so many shattered men wandering the inferno of Shiloh or entrenched in the siege of Vicksburg Why did soldiers visiting Washington feel free to stroll into the White House and sit down to relax as if it were their own home Davis removes layers of mythmaking to recapture the moods and feelings of an army facing one of history's bloodiest conflicts Tracing the popular fate of decisions to invoke conscription to fire McClellan and to free the slaves Lincoln's Men casts a new light on our most famous president the light that is of the peculiar mass medium that was the Union Army A motley band of talkers and letter writers the soldiers spread news of Lincoln's appearances like wildfire chortling at his ungainly posture in the saddle rushing up to shake his hand and talk to him The volunteers knew they could approach Old Abe Honest Abe Uncle Abe and Father Abraham and they cheered him thunderously The men could not be restrained from so honoring him said Private Rice Bull He really was the ideal of the Army The story of the making of Father Abraham is the story of America's second revolution its rebirth As one Union soldier and journalist put it Washington taught the world to know us Lincoln taught us to know ourselves The first won for us our independence the last wrought out our manhood and self respect

The Northern Home Front during the Civil War Paul A. Cimballa, Randall M. Miller, 2023-02-21 With a new preface and updated historiographical essay Based on recent scholarship and deep research in primary sources especially the letters and diaries of ordinary people The Northern Home Front during the Civil War is the first full narrative history and analysis of the northern home front in almost a quarter century It examines the mobilization recruitment management politics costs and experience of war from the perspective of the home front with special attention to the ways the war affected the ideas identities interests and issues shaping people's lives and vice versa The book looks closely at people's responses to war's demands whether in supporting the Union cause or opposing it and it measures the ways the war transformed society and economy or simply reconfirmed ideas and reinforced practices already underway As The Northern Home Front during the Civil War reveals issues and concerns of emancipation conscription civil liberties economic policies and practices religion party politics war management popular culture and work were all part of what Lincoln rightly termed a People's Contest and as much as the armies in the field determined the outcome of the nation's ordeal by fire As The Northern Home Front during the Civil War shows understanding the experience of the women and men on the home front is essential to realizing Walt Whitman's oft quoted call to get the real war into the books

Shades of Green Ryan W. Keating, 2017-08-08 An exceptional book that should make an immediately positive impact on the study of Irish Americans in the Civil War The Journal of Southern History Drawing on records of about 5 500 soldiers and veterans Shades of Green traces the organization of Irish regiments from the perspective of local communities in Connecticut Illinois and Wisconsin and the relationships between soldiers and the home front Research on the impact of the Civil War on Irish Americans has traditionally fallen into one of two tracks arguing that the Civil War either further alienated Irish immigrants from American society or that military service in defense of the Union offered these men a means of assimilation In this study of Irish American service Ryan W Keating

argues that neither paradigm really holds because many Irish Americans during this time already considered themselves to be assimilated members of American society This comprehensive study argues that the local community was often more important to ethnic soldiers than the imagined ethnic community especially in terms of political social and economic relationships An analysis of the Civil War era from this perspective provides a much clearer understanding of immigrant place and identity during the nineteenth century The author focuses on three regiments not traditionally studied rather than those of New York City and Boston and supports his argument through advanced quantitative analysis of military service records and a wealth of raw data an unusual and exciting development in Civil War studies Shades of Green s impressive research provides a significant contribution to scholarship sure to bring something valuable to several fields of study

Donnybrook David Detzer,2005-09 Detailing the Battle of Bull Run from its origins through its aftermath Donnybrook uses copious primary source material including the recollections of hundreds of soldiers to create an epic account 8 page B W photo insert *Gettysburg* Ron Kohler,2022-01-04 What lessons do we learn from the Battle of Gettysburg What are the leadership principles that emerge out of contest that transcends time and space Abraham Lincoln in his Gettysburg Address said that from these honored dead we take increased devotion to the cause for which they gave the last full measure of devotion This book deals with leadership principles that apply across different venues of leadership including Church leadership government military and business The Battle of Gettysburg is the largest battle ever fought on American soil Gettysburg was a pivotal battle that shaped the outcome of the war and reshaped American culture What can our forefathers teach us across the dusty pages of history that help us as a modern culture today For the clear eye there are many lessons to learn from history A failure to learn these lessons means that we will only repeat our mistakes of the past

Fredericksburg! Fredericksburg! George C. Rable,2002 A nail biting account of the battle of Fredericksburg reveals how this 1862 battle bolstered Southern hopes of victory while sending shock waves through the Union Military History **A Journal of the American Civil War: V4-2** Theodore P.
