Unveiling the Mysteries of the Last Days David A. Hamblin, 2010-06 Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book on the subject of end time interpretation Often the most important aspects of the Bible s prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God s Prophetic Timeline Never before has there been such a clear and concise presentation of God s timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation s seven phases ending with new heaven and new earth His approach details even subtle prophetic material including Israel s future wealth the world war it triggers and Jesus coronation Don t be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God s Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible s prophecies

Fourth Horseman Patrick Ullmer, 2024-11-05 Hello I am the Angel of Death and I want you to work for me There was a time in which your kind foolishly believed the world would end and I will transplant you from your current dimension to that era You will bring such an event

to a dark and evil threat to mankind this of course being a powerful cult comprised of the cruelest psychopaths orchestrating their venomous plans to destroy your future with their practices For this you will be gifted with my powers of strength wisdom and the ability to fly which will protect you from the cult s heavy weaponry The as your American slang terminology would dictate perks of this job will be to discover the woman of your dreams ten years prior to your initial meeting and the opportunity to prevent earlier horrors in her life from ever happening Ah I see your anticipation now but be warned the effects of your conquest will bury you in a twisted war bringing with it pestilence and then me Though I employ I m not allowed to play favorites But the decision is yours will you work for me *The Fourth Horseman* Kate Thompson,2013-06-18

DIVDIVDIVShould you believe what you see with your own eyes even if it can t be explained divDIV Laurie is worried Her father refuses to discuss the vision they have seen lurking by his science lab glowing dangerous looking horsemen bearing bows and swords Laurie is sure that the horsemen are portents of doom Are they somehow connected to her father s mysterious genetic research The recent bombings in Birmingham England The unrest in Shasakstan a country ruled by a dictatorship and armed with nuclear weapons And if these horsemen do pose a threat is it too late for Laurie to stop them div div [The Mystery Revealed!](#) Larry D. EDWARDS,2008-08 The mystery of Revelation is unfolded by the Prophet the Lord Jesus Christ Revelation is based on the prophetic themes of the Old Testament and the development of those themes in the Olivet Discourse This commentary integrates the book of Zechariah most of the book of Daniel and several chapters from other visionary prophets with the message of Revelation The world is in the throes of the labor pains of the end times Bible prophecy alludes to the nations that will be of worldwide concern during these times England the United States Russia Israel and several Middle East nations Persecution of Christians and Jews terrorism and Satanism are prophesied The Scriptures tell of a Great Middle East War that will occur at the end of the Great Tribulation where weapons of mass destruction may be used The relevancy of prophecy to the current world situation is discussed throughout this commentary During his medical career the author has studied internal medicine geriatrics and infectious diseases and been credentialed in these fields He has published in scientific journals in the discipline of infectious diseases His medical fellowships include the American College of Physicians the American College of Physician Executives and the American College of Healthcare Executives He has held several administrative positions at an executive level He has published in Christian periodicals on the subject of Medicine and the Scriptures and authored a prior book *The Twelve Generations of the Creation with Biblical Timelines from Adam to Christ* Longwood FL Xulon Press 2007 He is a past Dean of a Christian medical school He has served on several boards of churches and Christian organizations He has taught group Bible studies for over four decades In order to better understand the Bible he has studied Hebrew and Greek **The Fourth Horseman** Robert Koenig,2009-04-29 The story of Anton Dilger brings to life a missing chapter in U S history and shows dramatically that the Great European War was in fact being fought on the home front years before we formally joined it The doctor who grew anthrax and other bacteria in that

rented house was an American the son of a Medal of Honor winner who fought at Gettysburg on a secret mission for the German Army in 1915 The Fourth Horseman tells the startling story of that mission led by a brilliant but conflicted surgeon who became one of Germany's most daring spies and saboteurs during World War I and who not only pioneered biowarfare in his native land but also lead a last ditch German effort to goad Mexico into invading the United States It is a story of mysterious missions divided loyalties and a new and terrible kind of warfare that emerged as America in spite of fierce dissention at home was making the decision to send its Doughboys to the Great War in Europe This story has never been told before in full And Dilger is a fascinating analog for our own troubled times Having thrown off the tethers of obligation to family and country he became a very dangerous man indeed A spy a saboteur and a zealot to a degree that may have so embarrassed the German High Command that after the war they ordered his death rather than admit that he worked for them

The Last Word Jean McCurdy Meade,2025-09-11 What is the last book of the Bible all about Is Revelation a series of visions about the end times that few people can understand or is it a work of encouragement for all Christians in every time to endure even hardship and suffering for the sake of their faith strengthened by this vision of heaven with Christ on the throne with his Father where sorrow and pain will be no more Revelation deals forthrightly and dramatically with the reality of evil in God's good creation but the message is that God has conquered the forces of evil through his son Jesus the Lamb of God who was sacrificed for us In the end God wins and the end is coming soon but in God's time not ours Countless songs and hymns of the church have been inspired by this book but also John's visions have inspired artists to try to capture their teaching in visual form as in the wonderful fourteenth century tapestries of the Apocalypse in Angers France Their illustrations of the text give us insight into how Christians in every generation find hope and faith in its message

The Flying Horseman Gustave Aimard,2024-01-02 Gustave Aimard wrote the daring Western book The Flying Horseman With the American frontier as its backdrop in the middle of the 19th century the plot centres on the mysterious and talented horseman known simply as The Flying Horseman The Flying Horseman is well known for both his enigmatic past and extraordinary riding prowess He faces a number of difficulties while traversing the wild west such as run ins with lawbreakers disputes with Native American groups and personal grudges The Flying Horseman faces his own demons forges connections with surprising allies and traverses hazardous terrain all along the way The book explores themes of justice atonement and the collision of civilizations on the frontier in between the action and adventure Readers are drawn into a world of peril and excitement by Aimard's vivid imagery and gripping story where it is frequently difficult to

distinguish between heroism and villainy A legendary story of the Wild West The Flying Horseman is full of bold adventures memorable showdowns and surprising turns Fans of Western literature and adventure fiction will find Aimard s novel to be engrossing to read because of his skill at writing and his ability to capture the spirit of the frontier **The Indian Christ, the Indian King** Victoria Reifler Bricker,2014-03-07 Victoria Bricker shows that history sometimes rests on mythological foundations and that myth can contain valid historical information Her book which is a highly original critique of postconquest historiography about the Maya challenges major assumptions about the relationship between myth and history implicit in structuralist interpretations The focus of the book is ethnic conflict a theme that pervades Maya folklore and is also well documented historically The book begins with the Spanish conquest of the Maya In chapters on the postconquest history of the Maya five ethnic conflicts are treated in depth the Cancuc revolt of 1712 the Quisteil uprising of 1761 the Totonicapan rebellion of 1820 the Caste War of Yucatan 1847 1901 and the Chamulan uprising in 1869 Analytical chapters consider the relationship between historical events and modern folklore about ethnic conflict Bricker demonstrates that myths and rituals emphasize structure at the expense of temporal and geographical provenience treating events separated by centuries or thousands of miles as equivalent and interchangeable An unexpected result of Bricker s research is the finding that many seemingly aboriginal elements in Maya folklore are actually of postconquest origin and she shows that it is possible to determine precisely when and more important why they become part of myth and ritual Furthermore she finds that the patterning of the accretion of events in folklore over time provides clues to the function or meaning of myth and ritual for the Maya Bricker has made use of many unpublished documents in Spanish English and Maya as well as standard synthetic historical works The appendices contain extensive samples of the oral traditions that are explained by her analysis
