The Last Nazi:

THE LAST NAZI Carl Hiltbrand, 2005-01-14 Germany in 1930 is in a state of chaos. The terms of the Treaty of Versailles force Germany to pay reparations that are bleeding the country dry. The political climate is ripe for a revolution. The people feel a mixture of hatred, hopelessness, and despondency. ADOLPH HITLER is about to step onto the world stage to lead the country out of the oppressive situation. HAROLD ANDERSON and his wife MARY, who is seven months pregnant with what she believes is one child, arrive in Bremerhaven, Germany, from the United States during that bleak year. Unknowingly, the Andersons are thrust into a political cauldron which will affect their lives forever. Mary's labor pains start unexpectedly. One twin son is born as Mary faints from pain and exhaustion. Another identical twin son is delivered by the German doctor using caesarean surgery while Mary is still unconscious. Unknown to the parents, he is taken immediately to a German specialist, EMIL VON HOFFEN, who saves his life but plans to secretly separate him from his twin brother and American parents. Harold and Mary are never made aware of their second child and they return to the United States. The second twin is adopted by Doctor von Hoffen, who plans to use him along with other sets of twins in experiments to develop the perfect Aryan German. Eric von Hoffen, the German twin, is raised as a Nazi youth. At age fifteen, Eric is honored by Hitler personally. He becomes part of the elite guard force at the Fuhrerbunker in Berlin near the final end of the Third Reich. Eric actually witnesses the burial and burning of the corpses of Adolph Hitler and EVA BRAUN. Meanwhile, in the United States, Harold Jr., while in college, rescues a girl, DONNA COX, from the influence of the worst of the night world prostitution. The brown-haired beauty and Harold fall in love and marry following his graduation from the University. Their idyllic life is interrupted when Harold Jr. is drafted into the military in early 1953 during the Korean War. He is shipped to West Germany where he discovers the existence and identity of his twin brother and the intrigue that led to the separation of the twins at their birth. It is now 1988. Harold Anderson Jr. is voted president-elect of the United States. Eric plots the kidnapping of his brother and is successful in usurping the presidency. The deception fails later when Harold is rescued and confronts his brother in the oval office of the White House. All the indoctrination and brainwashing by the Nazis during his youth could not blot the love von Hoffen held secretly for his brother all those years. He perhaps did not realize it himself as he made the instantaneous decision to leap in front of a bullet meant for his brother. In a climactic scene near the end, the president holds his dying brother in his arms as life ebbs from him. As Abel would have forgiven Cain, I forgive my brother. He was a casualty of a ruthless society and belief. Let's hope he truly is the last Nazi.

The Last Nazi Trials Moritz Vormbaum, 2024-12-31 80 years after the Nuremberg trial, the prosecution of Nazi perpetrators has effectively come to an end. Examining the last Nazi trials in Germany from a multidisciplinary perspective, the present volume addresses key aspects of the judicial phenomenon of Sp' tverfolgung. Late prosecution links the issue to the international discourse on transitional justice and contributes to current debates in academia and society at large.

The Last Nazis Professor Perry Biddiscombe, 2004-06-30 The history of the shadowy

Werewolf guerrilla bands formed at end of the Second World War as the last desperate defence of Nazis Founded by Heinrich Himmler in 1944 when it became clear Germany would be invaded the Werewolf guerrilla movement was given the task of slowing down the Allied advance to allow time for the success of negotiations or wonder weapons Staying behind in territory occupied by the Allies its mission was to carry out acts of sabotage arson and assassination both of enemy troops and of defeatist Germans Perry Biddiscombe has researched the movement exhaustively and details Werewolf operations against the British Russians and fellow Germans on the Eastern and Western Fronts and in the post war chaos of Berlin Giving the lie to the established story of a cowed German population meekly submitting to defeat this is a fascinating insight into what has been described as the death scream of the Nazi regime **The Last Nazi** ,2017 **To Look a Nazi in the Eye** Kathy Kacer,2017-09-12 The true story of nineteen year old Jordana Lebowitz s time at the trial of Oskar Groening known as the bookkeeper of Auschwitz a man charged with being complicit in the deaths of more than 300 000 Jews A granddaughter of Holocaust survivors Jordana was still not prepared for what she would see and hear Listening to Groening s testimony and to the Holocaust survivors who came to testify against him Jordana felt the weight of being witness to history a history that we need to remember now more than ever *The Perfect Nazi* Martin Davidson,2012-03-06 What if you found out that your grandfather had been a Nazi SS officer This is the confession that Martin Davidson received from his mother upon the death of demanding magnetic grandfather Bruno Langbehn *The Perfect Nazi* is Davidson s exploration of his family s darkest secret As Davidson dove into his research drawing on an astonishing cache of personal documents as well as eyewitness accounts of this historical period he learned that Bruno s story moved lock step in time with the rise and fall of the Nazi party from his upbringing in a fiercely military environment amid the aftermath of World War I to his joining the Nazi party in 1926 at the age of nineteen more than six years before Hitler came to power to his postwar involvement with the Werewolves the gang of SS stalwarts who vowed to keep on after the defeat of Nazism Davidson realized that his grandfather was in many ways the perfect Nazi his individual experiences emblematic of the generation of Germans who would plunge the world into such darkness But he also realized that every fact he uncovered was a terrible truth he himself would have to come to terms with

The Nazis, the Vatican, and the Jews of Rome Patrick J. Gallo,2023-02-15 On October 16 1943 the Jews of Rome were targeted for arrest and deportation *The Nazis the Vatican and the Jews of Rome* examines why and more importantly how it could have been avoided featuring new evidence and insight into the Vatican s involvement At the time Rome was within reach of the Allies but the overwhelming force of the Wehrmacht Gestapo and SS in Rome precluded direct confrontation Moral condemnations would not have worked nor would direct confrontation by the Italians Jewish leadership or even the Vatican Gallo underscores the necessity of determining what courses of actions most likely would have spared Italian Jews from the gas chambers Examining the historical context and avoiding normative or counterfactual assertions this book draws upon archival sources ranging from diaries to intelligence intercepts in English Italian and German With antisemitism on the

rise today and the last remaining witnesses passing away it is essential to understand what happened in 1943 The Nazis the Vatican and the Jews of Rome grapples with this particular awful episode within the larger horrifying story of the Holocaust Despite the inadequacy of memory we must continue to attempt to make sense of the inexplicable **Nazis on the Run** Gerald Steinacher,2012-08-23 This is the story of how Nazi war criminals escaped from justice at the end of the Second World War by fleeing through the Tyrolean Alps to Italian seaports and the role played by the Red Cross the Vatican and the Secret Services of the major powers in smuggling them away from prosecution in Europe to a new life in South America The Nazi sympathies held by groups and individuals within these organizations evolved into a successful assistance network for fugitive criminals providing them not only with secret escape routes but hiding places for their loot Gerald Steinacher skillfully traces the complex escape stories of some of the most prominent Nazi war criminals including Adolf Eichmann showing how they mingled and blended with thousands of technically stateless or displaced persons all flooding across the Alps to Italy and from there to destinations abroad The story of their escape shows clearly just how difficult the apprehending of war criminals can be As Steinacher shows all the major countries in the post war world had mixed motives for their actions ranging from the shortage of trained intelligence personnel in the immediate aftermath of the war to the emerging East West confrontation after 1947 which led to many former Nazis being recruited as agents turned in the Cold War **Nazi Intelligence Operations in Non-Occupied Territories** Christopher Vasey,2016-07-14 Drawing heavily on recently declassified sources this examination of German wartime intelligence services traces the logistical and strategic expansion of the Third Reich s foreign covert operations in World War II Beginning with the changes introduced to counteract institutional neglect the author describes attempts to penetrate both neutral and adversarial nations outside territories occupied by the Wehrmacht The Nazis created covert teams for counterintelligence and penetrating border defenses Strategies were formed for assembling saboteur divisions in North and South America while data were gathered on industrial installations to target American fascist movements of the 1930s are discussed along with Nazi sabotage missions in the United States and intelligence penetrations and domestic collusion in Latin America **The Death of Judeo-Christianity** Lawrence Swaim,2012-07-16 The Israeli Palestinian conflict is not mainly about politics nor religion nor even geo politics It is about pathology The traumas of the 20th century have driven millions of intelligent capable people into active psychological pathologies which they experience as ideological realities Some of the cult like groups associated with Christian evangelicals and the national religious settlers in Israel will settle for nothing less than an apocalyptic religious war to punish the world for allowing the Holocaust to happen
