The Grannyman Picture Puffins:

The Grannyman Judith Byron Schachner, 1999 Simon is a very old cat who's just about ready to give up after a long and fulfilling life. But his family has a creative solution to get rid of Simon's doldrums: a new kitten. The unexpected companion lifts Simon's spirits and gives him lots to do and lots to look forward to. Simon's caring ways with the kitten earn him a nickname and a place in the hearts of readers of all ages. Judith Byron Schachner's inimitable charcoal and watercolor pictures capture to expressive perfection the quirks that make cats such delightful lovable pets and very special family members. A priceless cat's eye perspective on aging and intergenerational friendship. The Grannyman proves that there is just no limit to the power of love given and received. This is the book for anyone who has ever lived with and loved a cat. Ms Schachner has written and illustrated two other books for children: Mr Emerson's Cook and Willy and May and she illustrated I Know an Old Lady Who Swallowed a Pie by Alison Jackson. **Mentor Texts** Rose Cappelli, 2023-10-10 In their first edition of Mentor Texts authors Lynne Dorfman and Rose Cappelli helped teachers across the country make the most of high quality children's literature in their writing instruction. Mentor Texts: Teaching Writing Through Children's Literature K-6 2nd Edition the authors continue to show teachers how to help students become confident accomplished writers by using literature as their foundation. The second edition includes brand new Your Turn Lessons built around the gradual release of responsibility model offering suggestions for demonstrations and shared or guided writing. Reflection is emphasized as a necessary component to understanding why mentor authors chose certain strategies: literary devices, sentence structures, and words. Dorfman and Cappelli offer new children's book titles in each chapter and in a carefully curated and annotated Treasure Chest. At the end of each chapter a Think About It, Talk About It, Write About It section invites reflection and conversation with colleagues. The book is organized around the characteristics of good writing: focus, content, organization, style, and conventions. The authors write in a friendly and conversational style, employing numerous anecdotes to help teachers visualize the process and offer strategies that can be immediately implemented in the classroom. This practical resource demonstrates the power of learning to read like writers. Teach Writing to Older Readers Using Picture Books Jane Heitman, Jane Heitman Healy, 2005 Presents more than one hundred standards-based lessons for fifth to ninth graders that use picture books to teach about literary elements including characters, setting, plot, theme, and style. **The Grannyman** Judy Schachner, 2003-08-11 The Publishers Weekly, 2003 **Bowker's Guide to Characters in Fiction**, 2003 *Forthcoming Books* Rose Arny, 2003 Children's Books in Print, 2007, 2006 **Time of Wonder** Robert McCloskey, 1989-06-15 Winner of the Caldecott Medal.
