Capote,1951 The Grassharp and a Tree of Night Truman Capote,2003-05 The Grass Harp Truman Capote,2006 *The Grass Harp* ,1961 **The Grass Harp** Claibe Richardson,Kenward Elmslie,1973 **Settling the Borderland** Jan Whitt,2008-09-05 Settling the Borderland deals with the intimate connection between journalism and literature both fields in which work by women has been underrepresented This book has a twin focus the work of journalists who became some of the greatest novelists poets and short story writers of the nineteenth and twentieth centuries in America several of whom are men and contemporary journalists who best exemplify the effective use of literary techniques in news coverage Although five women are emphasized here Katherine Anne Porter Eudora Welty Joan Didion Sara Davidson and Susan Orlean three men whose work was profoundly influenced by journalism also are included Edgar Allan Poe Walt Whitman and John Steinbeck are well known as writers of poetry short stories and novels but they too are among the other voices rarely included in studies of literary journalism In Settling the Borderland Jan Whitt presents a thorough analysis of the increasingly indistinct lines between truth and fiction and between fact and creative narrative in contemporary media Truman Capote Truman Capote,1987 Truman Capote once said The thing I like to do most in the whole world is talk and talk he does in the more than two dozen interviews collected in this book The topics are often gossip about the famous people Capote ran with but always he provides revealing information about his writings the authors who inspired him his meticulous methods of research and composition and his personal reverence for the craft of authorship He was as the editor notes fiercely devoted to his art and keenly aware of his place in the world of letters While his detractors such as Ernest Hemingway and Gore Vidal spoke out long and loud against the feisty and media minded writer from Louisiana Capote here has the last word What emerges is a portrait of the author as pop cult figure unabashed in his pursuit of fame and fortune but unstinting in his devotion to becoming one of America s major prose stylists These interviews range from the first he granted after the publication of his first novel through his

shockingly personal self interview which appeared at the end of his last major work **Southern Writers** Joseph M. Flora,Amber Vogel,2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor s place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition s written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South s novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary s original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject **Writers Directory** NA NA,2016-03-05 The Novel Michael Schmidt,2014-05-12 The 700 year history of the novel in English defies straightforward telling Encompassing a range of genres it is geographically and culturally boundless and influenced by great novelists working in other languages Michael Schmidt choosing as his travel companions not critics or theorists but other novelists does full justice to its complexity *Mediated Images of the South* Alison Slade,Dedria Givens-Carroll,Amber J. Narro,2012-03-01 Mediated Images of the South The Portrayal of Dixie in Popular Culture edited by Alison F Slade Dedria Givens Carroll and Amber J Narro is an anthology that explores the impact of the image of the Southerner within mass communication and popular culture The contributors offer a contemporary analysis of the Southerner in the media In most cases previous literature situates these media images in the past most notably through historic analyses of the Southerner during the Civil Rights movement Mediated Images of the South breaks out of the box of the 1960s and 1970s by including the most recent and contemporary cultural examples of the Southerner This book represents a long overdue analysis of those images from both the past and the present In addition the discussions are not limited to one genre of media but provide the reader with an opportunity to see how far reaching the myth of the Southerner and the Southern image is in American society While there is a long list of successful southern politicians historical figures businessmen and women actors and actresses sports figures and other national and world leaders Slade Givens Carroll and Narro find that there is still work to be done to present southerners as capable and educated American Novelists Since World War II. James Richard Giles,Wanda H. Giles,2000 Contains biographical sketches of writers who either began writing novels after 1945 or have done their most important work since then Breakfast at Tiffany's Truman Capote,1993-09-28 Holly Golightly knows that

nothing bad can ever happen to you at Tiffany's In this seductive wistful masterpiece Capote created a woman whose name has entered the American idiom and whose style is a part of the literary landscape her poignancy wit and na vet continue to charm This volume also includes three of Capote's best known stories House of Flowers A Diamond Guitar and A Christmas Memory which the Saturday Review called one of the most moving stories in our language It is a tale of two innocents a small boy and the old woman who is his best friend whose sweetness contains a hard sharp kernel of truth
