Jeaneane Fowler

The Great Discourse On Causation The Mahanidana Sutta And Its Commentaries:

The Great Discourse on Causation Bhikkhu Bodhi, 2021-12-31 The Mah nid na Sutta The Great Discourse on Causation is the longest and most detailed of the Buddha's discourses dealing with dependent arising paticca samuppada a doctrine generally regarded as the key to his entire teaching The Buddha often described dependent arising as deep subtle and difficult to see the special domain of noble wisdom So when his close disciple Ananda comes to him and suggests that this doctrine might not be as deep as it seems the stage is set for a particularly profound and illuminating exposition of the Dhamma This Pariyatti Edition contains a translation of the Mah nid na Sutta together with all the doctrinally important passages from its authorized commentary and subcommentary A long introductory essay discusses the rich philosophical implications of the sutta an appendix explains the treatment of dependent arising according to the Abhidhamma system of conditional relations *The Great Discourse on Causation* Bhikku Bodhi, 1995 The Mahanidana Sutta is the Buddha's longest discourse on dependent arising often taken to be the key to his entire teaching The commentary treats this doctrine according to the Abhidhamma method explained in an appendix A penetrative introduction lays bare the sutta's structure and the philosophical significance of dependent arising *The Great Discourse on Causation*, 1995 **Facets of Buddhist Thought** K.N. Jayatilleke, 2009-01-01 This book presents a brilliant account of Theravada Buddhism and embraces a wide variety of themes ranging from the birth of Buddhism to the Buddha's prophetic teachings regarding the future of mankind Topics covered include among many others the background of early Buddhism the significance of the Buddha's birthday the Buddhist doctrines of karma and reincarnation the Buddhist conception of truth good and evil Nirvana the individual the universe and the material world the Buddhist view of nature and destiny Buddhism and the caste system Buddhism and international law and the contemporary relevance of the Buddha's teachings to the modern world Professor Jayatilleke always writes with both the scholar and the lay reader in mind As a result this is a highly readable and extremely penetrating book and one that explores the roots and nature of the Buddha's teachings and examines them in the light of contemporary knowledge The present collection contains all essays earlier published in the book *The Message of the Buddha* edited by Ninian Smart as well as essays that were published in the Wheel Publication series Contents 1 Buddhism and the Scientific Revolution 2 The Historical Context of the Rise of Buddhism 3 The Buddhist Conception of Truth 4 The Buddhist Attitude to Revelation 5 The Buddhist Conception of Matter and the Material World 6 The Buddhist Analysis of Mind 7 The Buddhist Conception of the Universe 8 The Buddhist Attitude to God 9 Nibbana 10 The Buddhist View of Survival 11 The Buddhist Doctrine of Kamma 12 The Case for the Buddhist Theory of Karma and Survival 13 The Conditioned Genesis of the Individual 14 The Buddhist Ethical Ideal of the Ultimate Good 15 The Basis of Buddhist Ethics 16 The Buddhist Conception of Evil 17 The Criteria of Right and Wrong 18 The Ethical Theory of Buddhism 19 Some Aspects of the Bhagavad Gita and Buddhist Ethics 20 Toynbee's Criticism of Buddhism 21 The Buddhist Attitude to Other Religions 22 Buddhism and Peace 23 The

Significance of Vesakha 24 Buddhism and the Race Question 25 The Principles of International Law in Buddhist Doctrine

Buddhism and the Coronavirus Jeaneane Fowler, 2021-01-07 This book examines the early teachings of Buddhism associated with the life of the Buddha Siddhatta Gotama. In these teachings the Buddha put forward his famous Four Noble Truths concerning the nature of suffering, its causes, the Truth that it can be overcome and a pathway to end suffering. The suffering experienced in the contemporary coronavirus pandemic may seem to be very distant from the Buddha's message delivered over two thousand years ago, but the teaching of the Four Noble Truths is as relevant today as it was all that time ago. So this book melds the two occasionally with discrete treatment of past and present but ever cognizant of the ways in which the teachings of the past inform the present crisis. To understand coronaviruses the book examines the nature of viruses, their origins, causes, and the ways in which they are both friends and enemies of humankind. Importantly and crucially, the book investigates how far humanity itself is the cause of its own suffering in the pandemics that arise, no less in the coronaviruses that have emerged in the twenty-first century. Chapters include: The Buddha, Viruses, Friends and Enemies; The Noble Truth of Suffering; The Second Noble Truth of the Cause of Suffering; The Third Noble Truth of the Cessation of Suffering; The Fourth Noble Truth; The Noble Eightfold Path; The Noble Eightfold Path: Mindfulness and Concentration; The Brahma Vihara: Love, Compassion, Sympathetic Joy, Equanimity. **New Intimacies, Old Desires** Oishik Sircar, Dipika Jain, 2017-06-21 In the last 15 years, queer movements in many parts of the world have helped secure the rights of queer people. These moments have been accompanied by the brutal rise of crony capitalism, the violent consequences of the war on terror, the hyper-juridification of politics, the financialization, managerialization of social movements, and the medicalization of non-heteronormative identities/practices. How do we critically read the celebratory global proliferation of queer rights in these neoliberal times? This volume responds to the complicated moment in the history of queer struggles by analysing laws, state policies, and cultures of activism to show how new intimacies between queer sexuality and neoliberalism that celebrate modernity and the birth of the liberated sexual citizen are in fact reproducing the old colonial desire of civilizing the native. By paying particular attention to the problematics of race, religion, and class, this volume engages in a rigorous self-reflexive critique of global queer politics and its engagements, confrontations, and negotiations with modernity and its investments in liberalism, legalism, and militarism, with the objective of queering the ethics of our queer politics. Published by Zubaan.

Causality Jeaneane Fowler, 2020-02-21 This book examines the concepts of cause and effect from two dimensions. The first concerns the macrocosm of the Universe and how each belief system views creation. The second dimension explores the ways in which beliefs about creation influence the microcosmic world in terms of the nature of the self, the proximate goals within each system, the answers each belief system offers to the presence of evil and suffering in existence, and ideas about the ultimate goal of release from them. All these ideas inform and are fundamental to the understanding of the present-day practices of different faiths, presenting challenges for scriptural testimony balanced with existential living. The final two

chapters explore current research in physics concerning the beginnings of the cosmos and what implications such research might have for existence within it with the final chapter examining scientific views of the nature of the self Contents include Judaic and Christian Traditions Islam Hinduism Early Buddhism Sikhism Classical Taoism Recycled Stardust Ashes to Ashes and Dust to Atoms The Life and Death of the Self **Still, in the City** Angela Dews,2018-09-11 Still in the City is a collection of stories about the practice of urban Buddhism when a New York City subway becomes a mobile temple when Los Angeles traffic becomes a vehicle for awakening when a Fifth Avenue sidewalk offers a spiritual path through craving generosity and sorrow The instructions offered here for exploring mindfulness in and around our cities are written to be accessible whether you ve practiced a lot or a little Perhaps you ve returned home from a retreat and want to hold the attention and intention gained from pausing and experiencing the silence Or perhaps you practice mindfulness and don t call it Buddhism or you are just curious about what mindfulness is all about Still in the City will speak to you Practicing in the city comes with its own set of challenges and opportunities and this book is attuned to both offering guidance by teachers who see mindfulness not only as an intention for self acceptance and relief of stress but also as awareness that leads to dissatisfaction and that inspires our desire for deeper understanding and change Dedicated to using their practice to make a difference not only in their own lives but also those of others the authors speak of their involvement with their cities diverse communities and their experience belies the notion that western Buddhists are of an age and race and class There is amazing clarity in stillness and the opportunity for a skillful response rather than a reaction even to injustice And there is the possibility of equanimity and of freedom everywhere and for all A Survey of Buddhist Temples and Monasteries Akhtar Malik,2007 **Concise History of Buddhism** Andrew Skilton,2013-06-14 An ideal introduction to the history of Buddhism Andrew Skilton a writer on and practitioner of Buddhism explains the development of the basic concepts of Buddhism during its 2 500 years of history and describes its varied developments in India Buddhism s homeland as well as its spread across Asia from Mongolia to Sri Lanka and from Japan to the Middle East A fascinating insight into the historical progress of one of the world s great religions *The Buddhist Unconscious* William S Waldron,2003-12-08 This study focuses on the development of the concept of unconscious mind within Indian Buddhist thought presents issues of conception of mind and examines the doctrinal and philosophical arguments described and defended it International Books in Print, 1995 Barbara Hopkinson,[Anonymus AC01401231],1995 **BMJ** ,2003 Ilāṅkai Tēciya Nūrpattiyal ,1998-07 **The Great Discours on Causation** ,1984 **The Discourse on the Root of Existence** ,2024 The Mulapariy ya Sutta is considered one of the most important texts in the P li Canon The Buddha taught it to clear away the mental obstructions preventing a correct grasp of his teaching and to open the way for insight to arise It aims at eliminating the whole range of subjective misconceptions centered on the concept of an ego right down to their roots It reveals the structure of man s ego biased orientation towards the world shows the way this mental stratification colors and distorts his understanding and points out

the work of inner re orientation he must do to free himself from his egoistic bonds Publisher **The Discourse of the All-embracing Net Fo Views** ,1992 **The Great Discourse on the Anattalakkhana Sutta** The Venerable Mahasi Sayadaw of Burma [Sobhana, Mahasatipatthana Sutta Vipassana Research Institute,1996
 Dhammacakkappavattana Sutta Mahasi Sayadaw,1998

Decoding **The Great Discourse On Causation The Mahanidana Sutta And Its Commentaries**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Great Discourse On Causation The Mahanidana Sutta And Its Commentaries eBooks, including some popular titles.

FAQs About The Great Discourse On Causation The Mahanidana Sutta And Its Commentaries Books

What is a The Great Discourse On Causation The Mahanidana Sutta And Its Commentaries PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Great Discourse On Causation The Mahanidana Sutta And Its Commentaries PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Great Discourse On Causation The Mahanidana Sutta And Its Commentaries PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Great Discourse On Causation The Mahanidana Sutta And Its Commentaries PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Great Discourse On Causation**

The Mahanidana Sutta And Its Commentaries PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
