Horowitz, Robert E.

The Great Impeacher A Political Biography Of James M Ashley

Ulysses Simpson Grant

The Great Impeacher A Political Biography Of James M Ashley:

The Great Impeacher Robert F. Horowitz, 1979 The Impeachers Brenda Wineapple, 2020-05-19 ONE OF THE BEST BOOKS OF THE YEAR Jennifer Szalai The New York Times The New York Times Book Review NPR Publishers Weekly This absorbing and important book recounts the titanic struggle over the implications of the Civil War amid the impeachment of a defiant and temperamentally erratic American president Jon Meacham Pulitzer Prize winning author of *The Soul of America* When Abraham Lincoln was assassinated and Vice President Andrew Johnson became the Accidental President it was a dangerous time in America Congress was divided over how the Union should be reunited when and how the secessionist South should regain full status whether former Confederates should be punished and when and whether black men should be given the vote Devastated by war and resorting to violence many white Southerners hoped to restore a pre Civil War society if without slavery and the pugnacious Andrew Johnson seemed to share their goals With the unchecked power of executive orders Johnson ignored Congress pardoned rebel leaders promoted white supremacy opposed civil rights and called Reconstruction unnecessary It fell to Congress to stop the American president who acted like a king With profound insights and making use of extensive research Brenda Wineapple dramatically evokes this pivotal period in American history when the country was rocked by the first ever impeachment of a sitting American president And she brings to vivid life the extraordinary characters who brought that impeachment forward the willful Johnson and his retinue of advocates including complicated men like Secretary of State William Seward as well as the equally complicated visionaries committed to justice and equality for all like Thaddeus Stevens Charles Sumner Frederick Douglass and Ulysses S Grant Theirs was a last ditch patriotic and Constitutional effort to render the goals of the Civil War into reality and to make the Union free fair and whole Praise for *The Impeachers* In this superbly lyrical work Brenda Wineapple has plugged a glaring hole in our historical memory through her vivid and sweeping portrayal of President Andrew Johnson's 1868 impeachment She serves up not simply food for thought but a veritable feast of observations on that most trying decision for a democracy whether to oust a sitting president Teeming with fiery passions and unforgettable characters *The Impeachers* will be devoured by contemporary readers seeking enlightenment on this issue A landmark study Ron Chernow Pulitzer Prize winning author of *Grant*

The Forgotten Emancipator Rebecca E. Zietlow, 2018 Zietlow explores the ideological origins of Reconstruction and the constitutional changes in this era through the life of James Mitchell Ashley Thaddeus Stevens Hans L. Trefousse, 2000-11-09 One of the most controversial figures in nineteenth century American history Thaddeus Stevens is best remembered for his role as congressional leader of the radical Republicans and as a chief architect of Reconstruction Long painted by historians as a vindictive dictator of Congress out to punish the South at the behest of big business and his own ego Stevens receives a more balanced treatment in Hans L Trefousse's biography which portrays him as an impassioned orator and a leader in the struggle against slavery Trefousse traces Stevens's career through its major phases from his days

in the Pennsylvania state legislature when he antagonized Freemasons slaveholders and Jacksonian Democrats to his political involvement during Reconstruction when he helped author the Fourteenth Amendment and spurred on the passage of the Reconstruction Acts and the impeachment of Andrew Johnson Throughout Trefousse explores the motivations for Stevens s lifelong commitment to racial equality thus furnishing a fuller portrait of the man whose fervent opposition to slavery helped move his more moderate congressional colleagues toward the implementation of egalitarian policies Encyclopedia of Constitutional Amendments, Proposed Amendments, and Amending Issues, 1789-2023 John R. Vile, 2023-10-19 Written by a leading scholar of the constitutional amending process this two volume encyclopedia now in its fifth edition is an indispensable resource for students legal historians and high school and college librarians This authoritative reference resource provides a history and analysis of all 27 ratified amendments to the Constitution as well as insights and information on thousands of other amendments that have been proposed but never ratified from America s birth until the present day The set also includes a rich bibliography of informative books articles and other media related to constitutional amendments and the amending process

Uncivil Warriors Peter Charles Hoffer, 2018 Uncivil Warriors is an expansive and authoritative account of the central role of law and lawyers in the Civil War Peter Hoffer shows battles over freedom slavery and the right to secession were all legal contests and both sides relied on law to justify their war efforts Uncivil Warriors is an essential account of the centrality of law in the war that irrevocably reshaped the nation Religion and the Radical Republican Movement Victor B. Howard, 2021-03-17 A distinctive contribution on the influence of Christians on Union politics during the Civil War era Ohio History Religion and the Radical Republican Movement 1860 1870 is a study of the interplay of religion and politics during the Civil War era More specifically it examines the extent to which religion set the moral tone of the North during the period of 1860 through 1870 Howard focuses on the growing influence of the evangelical and liberal churches during the period This influence was largely exerted through the agency of the radical Republicans a faction that took an extreme position on war measures and on reconstruction after the war This book examines the degree to which radicalism was inspired by moral motivation and the action that followed the moral commitment The author s prodigious research and stacks of quotations convincingly display the northern church s commitment to black suffrage and to the era s important congressional legislation bearing on black rights and other central Reconstruction issues Choice

The Worst Passions of Human Nature Paul D. Escott, 2020-03-10 The American North s commitment to preventing a southern secession rooted in slaveholding suggests a society united in its opposition to slavery and racial inequality The reality however was far more complex and troubling In his latest book Paul Escott lays bare the contrast between progress on emancipation and the persistence of white supremacy in the Civil War North Escott analyzes northern politics as well as the racial attitudes revealed in the era s literature to expose the nearly ubiquitous racism that flourished in all of American society and culture Contradicting much recent scholarship Escott argues that the North s Democratic Party was consciously

and avowedly the white man's party as an extensive examination of Democratic newspapers as well as congressional debates and other speeches by Democratic leaders proves The Republican Party meanwhile defended emancipation as a war measure but did little to attack racism or fight for equal rights Most Republicans propagated a message that emancipation would not disturb northern race relations or the interests of northern white voters freed slaves it was felt would either leave the nation or remain in the South as subordinate laborers Escott's book uncovers the substantial and destructive racism that lay beyond the South's borders Although emancipation represented enormous progress racism flourished in the North and assumptions of white supremacy remained powerful and nearly ubiquitous throughout America *Andrew Johnson* Glenna R.

Schroeder-Lein, Richard Zuczek, 2001-06-22 This A Z encyclopedia provides carefully selected entries covering the people events and concepts relevant to Andrew Johnson's life Andrew Johnson was and is an American paradox He never attended school yet fought for public education He was a Southern slaveholder who opposed secession and enforced emancipation Born into poverty he became the 17th president of the United States and the first U S president to be impeached This new volume thoroughly examines the troubled career of our most unpopular president not to resuscitate his reputation but because his personal contradictions reflected those of his country a democratic nation conceived in liberty yet existing half slave and half free an economy of yeoman farmers and independent artisans being swept into industrialization and a market system a country fond of tradition but caught up in social economic and political revolution Gregarious Saints Lawrence J. Friedman, 1982-05-31 Professor Friedman studies the abolition movement through individuals and groups in the USA

Reconstruction in the United States David Lincove, 2000-01-30 The only comprehensive bibliography on Reconstruction this book provides the definitive guide to literature published from 1877 to 1998 In over 2 900 entries the work covers a broad range of topics including politics agriculture labor religion education race relations law family gender studies and local history It encompasses the years of the Civil War through the conclusion of the 1876 election and the end of the federal government's official role in reforming the postwar South and protecting the rights of Black citizens In detailed annotations the book covers a range of literature from scholarly and popular studies to published memoirs letters and documents as well as reference sources and teaching tools The issues of Reconstruction civil rights states rights and federal state relations racism nationalism government aid to individuals continue to be relevant today and the literature on Reconstruction is large This book provides a systematic and comprehensive bibliographic guide to that literature It is organized by topics and geographical regions and states thereby emphasizing the local diversity in the South In addition to a variety of literature it covers the relevant Supreme Court cases through 1883 provides full citations to federal acts and cases cited and includes the texts of the 13th 14th and 15th Amendments to the Constitution The book will be useful to scholars and students researching a wide range of topics in Southern history constitutional history and national politics in post Civil War United States The Papers of Ulysses S. Grant, Volume 19 Ulysses Simpson Grant, 1967 Lincoln and Black

Freedom LaWanda Cox, 2021-05-10 Reveals the political savvy and egalitarian convictions behind Lincoln's racial policies In the midst of America's civil rights movement historians questioned the widely held belief that Abraham Lincoln was the Great Emancipator They pictured him as a white supremacist moved by political expediency to issue the Emancipation Proclamation In *Lincoln and Black Freedom* LaWanda Cox a leading Reconstruction historian argues that Lincoln was a consistent friend of African American freedom but a friend whose oblique leadership style often obscured the strength of his commitment Cox reveals Lincoln's cautious rhetoric and policies as deliberate strategy to achieve his joint goals of union and emancipation and she demonstrates that his wartime reconstruction efforts in Louisiana moved beyond a limited concept of freedom for the former slaves Cox's final chapter explores the limits of the possible concluding that had Lincoln lived through his second term the conflict between his successor and Congress could have been avoided and the postwar Reconstruction might have resulted in a more lasting measure of justice and equality for African Americans Lincoln emerges from Cox's study as a masterful politician whose sure grasp of the nature of presidential leadership speaks not only to the difficulties of his age but also to the challenges of our own time

Final Freedom Michael Vorenberg, 2001-05-21 This book examines emancipation after the Emancipation Proclamation of 1863 Focusing on the making and meaning of the Thirteenth Amendment *Final Freedom* looks at the struggle among legal thinkers politicians and ordinary Americans in the North and the border states to find a way to abolish slavery that would overcome the inadequacies of the Emancipation Proclamation The book tells the dramatic story of the creation of a constitutional amendment and reveals an unprecedented transformation in American race relations politics and constitutional thought Using a wide array of archival and published sources Professor Vorenberg argues that the crucial consideration of emancipation occurred after not before the Emancipation Proclamation that the debate over final freedom was shaped by a level of volatility in party politics underestimated by prior historians and that the abolition of slavery by constitutional amendment represented a novel method of reform that transformed attitudes toward the Constitution

A Bibliography of Tennessee History, 1973-1996 W. Calvin Dickinson, Eloise R. Hitchcock, 1999 With some 6 000 entries *A Bibliography of Tennessee History* will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee's rich and colorful past A sequel to Sam B. Smith's invaluable 1973 work *Tennessee History: A Bibliography* this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state's history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women's history and African American history two areas in which scholarship has proliferated during the past two decades The history of

entertainment in Tennessee is also well represented in this volume including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South

The Salmon P. Chase Papers Salmon Portland Chase,1993 **Devil's Game** Carman Cumming,2010-10-01 The first book length study of one of the Civil War s most outlandish and mysterious characters Devil s Game traces the amazing career of Charles A Dunham Civil War spy forger journalist and master of dirty tricks Writing for a variety of New York papers under alternate names Dunham routinely faked stories created new identities and later boldly cast himself to play those roles He achieved his greatest infamy when he was called to testify in Washington concerning Abraham Lincoln s assassination Many parts of Dunham s career remain shadowy but Cumming offers the first detailed tour of Dunham s convoluted high stakes international deceptions including his effort to sell Lincoln on plans for a raid to capture Jefferson Davis Exhaustively researched and unprecedented in depth this carefully crafted assessment of Dunham s motives personality and the complex effects of his schemes changes assumptions about covert operations during the Civil War **American Civil War**
Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict **Owen Lovejoy and the Coalition for Equality** Jane Moore,William Moore,2019-12-20 Antislavery white clergy and their congregations Radicalized abolitionist women African Americans committed to ending slavery through constitutional political action These diverse groups attributed their common

vision of a nation free from slavery to strong political and religious values Owen Lovejoy's gregarious personality formidable oratorical talent probing political analysis and profound religious convictions made him the powerful leader the coalition needed Owen Lovejoy and the Coalition for Equality examines how these three distinct groups merged their agendas into a single antislavery religious political campaign for equality with Lovejoy at the helm Combining scholarly biography historiography and primary source material Jane Ann Moore and William F Moore demonstrate Lovejoy's crucial role in nineteenth century politics the rise of antislavery sentiment in religious spaces and the emerging congressional commitment to end slavery Their compelling account explores how the immorality of slavery became a touchstone of political and religious action in the United States through the efforts of a synergetic coalition led by an essential abolitionist figure *The Thirteenth Amendment and American Freedom* Alexander Tsesis, 2004-12-12 Tsesis explains why the 13th Amendment is essential to contemporary America offering a fresh analysis of the role the Amendment has played regarding civil rights legislation

The Great Impeacher A Political Biography Of James M Ashley Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Great Impeacher A Political Biography Of James M Ashley free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Great Impeacher A Political Biography Of James M Ashley free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading The Great Impeacher A Political Biography Of James M Ashley free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Great Impeacher A Political Biography Of James M Ashley. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Great Impeacher A Political Biography Of James M Ashley any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Great Impeacher A Political Biography Of James M Ashley Books

1. Where can I buy The Great Impeacher A Political Biography Of James M Ashley books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
