Martin, 2008 Even in literature and art no man who bothers about originality will ever be original whereas if you simply try to tell the truth without caring two pence how often it has been told before you will nine times out of ten become original without ever having noticed it C S Lewis This is the true story of Raymond D Martin an authentic original It is an account of a life lived with single minded purpose a testimony to the wonderful grace of Jesus From his childhood in Queens to his dramatic conversion and throughout his 60 years of ministry Ray invites you to know him As you become acquainted you will discover a man of unfaltering earnestness and disarming tenderness If you begin to sense that if it were possible he would love to get to know you too you wouldn t be mistaken His heart for people is matchless Yet one wonders what makes it beat The answer to that question is the theme of this book the theme of Raymond D Martin s life It is perhaps exceedingly rare that a person can say with absolute honesty for me to live is Christ This is the story of such a person and the amazing grace of God **God's Amazing Grace** Ellen G. God's Amazing Grace: Reconciling Four Centuries of African American Marriages and Families Terry M. Turner, 2017-12-18 God's Amazing Grace Reconciling Four Centuries of African American Marriages and Families is an insightful study that will be welcomed by thoughtful practitioners and all who ponder the African American family's complexity Readers familiar with the deep rich reservoir of African American family literature will recognize many of the black scholars referenced in this work Readers unfamiliar with these sources will be grateful to discover them and the effective use of disparate literature This work will become a different kind of guide for studying American history through the lens of the African American family Underneath all the research is the search for answers to the compelling questions Is there a correlation between slave owners denial to slaves God's design for the family and the familial chaos that has plagued African American families for more than a hundred fifty years And if there is connection what is it The author has brought something new to a familiar topic of discussion the Bible The unique moral compass that steered this study is solidly anchored in the bedrock of holy scripture In this work the history and sociology of African American marriages are examined in light of the questions asked by Holy Scripture In so doing Dr Turner skillfully attempts to help readers make sense of the story of black families in America May this book mark the beginning to a new reality for African American families Dr Willie Peterson senior executive advisor adjunct professor of Pastoral Ministries Dallas Theological Seminary

Grace is supposed to be amazing but all too often the Christian life can be more about keeping stuffy rules than enjoying a relationship with Christ The tendency to add works to salvation has been a thorny problem since the gospel was first preached Legalism the doctrine of salvation by works robs the Christian of the grace filled life The book of Galatians is like an emancipation proclamation that says If the Son has set you free then you are free at last The liberating message of Galatians says believers are free from sin regulations and guilt Free from the need to measure up Free to be loved by Christ and changed by his grace Galatians is a guide for recovering Pharisees and in *Free at Last* Derrick McCarson takes us on a verse by verse journey through Paul s bondage busting manifesto You may be surprised to learn that Paul s message of grace is still as relevant today as it was centuries ago While the culture has changed much in those intervening years mankind s inherent desire for performance based religion has not This book is a timely reminder to Christians everywhere that if we aren t living by grace then we have succumbed to spiritual slavery **The Art of Loving God** John H.
