Assignment Moscow James Rodgers,2020-06-25 The story of western correspondents in Russia is the story of Russia s attitude to the west Russia has at different times been alternately open to western ideas and contacts cautious and distant or for much of the twentieth century all but closed off From the revolutionary period of the First World War onwards correspondents in Russia have striven to tell the story of a country known to few outsiders Their stories have not always been well received by political elites audiences and even editors in their own countries but their accounts have been a huge influence on how the West understands Russia Not always perfect at times downright misleading they have overall been immensely valuable In Assignment Moscow former foreign correspondent James Rodgers analyses the news coverage of Russia throughout history from the coverage of the siege of the Winter Palace and a plot to kill Stalin to the Chernobyl explosion and the Salisbury poison scandal **Grand Pursuit** Sylvia Nasar,2011-05-10 From the author of A Beautiful Mind a sweeping history of the invention of modern economics that takes you from Dickens London to modern Calcutta Into the Lion's Mouth Larry Loftis,2022-12-20 International bestseller James Bond has nothing on Dusko Popov A double agent for the Abwehr MI5 and MI6 and the FBI during World War II Popov seduced numerous women spoke five languages and was a crack shot all while maintaining his cover as a Yugoslavian diplomat On a cool August evening in 1941 a Serbian playboy created a stir at Casino Estoril in Portugal by throwing down an outrageously large baccarat bet to humiliate his opponent The Serbian was a British double agent and the money which he had just stolen from the Germans belonged to the British From the sideline watching with intent interest was none other than Ian Fleming The Serbian was Dusko Popov As a youngster he was expelled from his London prep school Years later he would be arrested and banished from Germany for making derogatory statements about the Third Reich When World War II ensued the playboy became a spy eventually serving three dangerous masters the Abwehr MI5 and MI6 and the FBI On August 10 1941 the Germans sent Popov to the United States to construct a spy network and gather information on Pearl Harbor He successfully made contact with the FBI in an attempt to warn the country but J Edgar Hoover blew his cover Later MI5 desperately needed Popov to deceive the Abwehr about the D Day invasion but they assured him that a return to the German Secret Service Headquarters in Lisbon would result in torture and execution He went anyway Into the Lion s Mouth is a globe trotting account of a man s entanglement with espionage murder assassins and lovers including enemy spies and a Hollywood starlet It is a story of subterfuge seduction patriotism and cold blooded courage It is the story of Dusko Popov the inspiration for James Bond *A Chance to*

Stalin's Apologist

S. J. Taylor, 2020-02-21 Short unattractive hobbling about Stalin s Moscow on a wooden leg Walter Duranty was an unlikely candidate for the world s most famous foreign correspondent Yet for almost twenty years his articles filled the front page of *The New York Times* with gripping coverage of the aftermath of the Russian Revolution A witty engaging impish character with a flamboyant life style he was a Pulitzer Prize winner the individual most credited with helping to win the U S recognition for the Soviet regime and the reporter who had predicted the success of the Bolshevik state when all others claimed it was doomed But as S J Taylor reveals in this provocative biography Walter Duranty played a key role in perpetrating some of the greatest lies history has ever known *Stalin s Apologist* deftly unfolds the story of this accomplished but sordid and tragic life Drawing on sources ranging from newspapers to private letters and journals to interviews with such figures as William Shirer and W Averell Harriman Taylor s vivid narrative unveils a figure driven by ambition whose early success reporting on Bolshevik Russia he was foremost in predicting Stalin s rise to power established his international reputation fed his overconfident contempt for

his colleagues and indeed led him to identify with the Soviet dictator Thus during the great Ukrainian famine of the early 1930s which Stalin engineered to crush millions of peasants who resisted his policies Duranty dismissed other correspondents reports of mass starvation and though secretly aware of the full scale of the horror effectively reinforced the official cover up of one of history s greatest man made disasters Later he took the rigged show trials of Stalin s Great Purges at face value blithely accepting the guilt of the victims He believed himself the leading expert on the Soviet Union and his faith in his own insight drew him into a downward spiral of distortions and untruths typified by his memorable excuse for Stalin s crimes You can t make an omelet without breaking eggs Taylor brilliantly captures the full range of Duranty s astonishing life from his participation in the Satanic orgies of Aleister the Beast Crowley to his dramatic front line reporting during World War I to his epic womanizing and heavy drug and alcohol abuse It is the bitter ironic story of a man who had the rare opportunity to bring to light the suffering of the millions of Stalin s victims but remained a prisoner of vanity self indulgence and success

Contesting the Moral High Ground Paul T. Phillips,2013-04-01 In mid twentieth century Britain four intellectuals Julian Huxley Bertrand Russell Malcolm Muggeridge and Barbara Ward held sway over popular conceptions of morality While Huxley and Russell championed ideas informed by agnosticism and atheism Muggeridge and Ward were adherents to Christianity In *Contesting the Moral High Ground* Paul Phillips reveals how this fundamental dichotomy was representative of British society at the time and how many of the ideologies promoted by these four moralists are still present today As world class public figures in an open forum of debate Huxley Russell Muggeridge and Ward all achieved considerable public attention particularly during the turbulent 1960s Phillips captures the rebellious spirit of the time detailing how these thinkers exploited the popular media to disseminate ideas on prevailing social issues from justice and world peace to protection of the environment Phillips skilfully traces the foundations of their thought to their earlier careers and social movements of previous generations and shows how many of their approaches were adopted by a host of present day groups from the Christian Right and Left to the New Atheists and environmentalists A significant contribution to British intellectual history *Contesting the Moral High Ground* provides new insights into the moral philosophies of four of Britain s most influential minds in the twentieth century

Détente Or Destruction, 1955-57 Bertrand Russell,2005

Malcolm Muggeridge Ian Hunter,2003 This biography of Malcolm Muggeridge traces the varied life of one of the most brilliant and controversial men of the twentieth century The author Ian Hunter was given full access to all of Muggeridge s unpublished material letters and diaries The result is an objective well researched and honest account that is sometimes at variance with Muggeridge s own recollection of events Ian Hunter captures the humor the intellect the rawness of perception the abandoned honesty of a man engaged in knowing himself his world and his God Malcolm Muggeridge was not merely a vendor of words as he invariably described himself but was also a

celebrated author broadcaster lecturer debater traveller journalist and television personality a one time ardent admirer of the Soviet system a World War II intelligence agent and a former agnostic turned committed Christian To many people however Malcolm Muggeridge was admired above all for his superb use of the English language It is to the credit of Ian Hunter that after reading this biography one has a clearer understanding of an extraordinary man Dr Ian Hunter is professor emeritus at the University of Western Ontario His articles and reviews have appeared in many Canadian and American publications He edited two collections of Muggeridge's writings *Things Past* and *The Very Best of Malcolm Muggeridge* he also wrote a biography of Muggeridge's friend Hesketh Pearson *Nothing to Repent The Life of Hesketh Pearson*

Malcolm Muggeridge Gregory Wolfe, 1997 Wolfe founder and editor of *Image A Journal of the Arts and Religion* draws on Muggeridge's 1903-1990 writings correspondence interviews unpublished diaries and his own friendship with Muggeridge to chronicle the long and turbulent life of the controversial writer and social critic From his socialist upbringing to his years as foreign correspondent editor television personality and convert to Roman Catholicism the author delves behind the public persona to reveal the underlying spiritual and intellectual unity that runs through the many phases of his career Annotation copyrighted by Book News Inc Portland OR [A Poet's Notebook](#) Stewart Henderson, 2018-06-22 A Poet's notebook with new poems obviously includes not just recent favourites television and radio commissioned poems some freshly minted verse written especially for this book but also notes and gives the background on how why and where the poems were written Such documentary reportage and wider contemporary reflection gives a fascinating insight into the genesis development and presentation of the 30 poems chosen In effect the book is part journal part commentary on the wider implications of how did we all end up here It addresses the light and shade of our days the celebrations and catastrophes and acutely observes the collective state and soul of this one life Complete with the poet's trademark humour encouraging the reader to practice once again child like glee These are poems you can whistle sing chant and be silent with

Moscow in the Making Ernest Simon, Shena Simon, W. A. Robson, J. Jewkes, 2014-08-07 This book published in 1937 reported on a four week visit to Moscow in 1936 to study the making of Moscow as a showpiece Soviet capital At its core was the 1935 General Plan for the Reconstruction of Moscow but the book was a study of planning in the Soviet rather than the Western sense Thus it covered many aspects of the city's social and economic life including industry and finance education and housing production as well as governance and town planning Much first hand detail is included based on the visit and the authors meetings with Soviet officials and citizens that illustrate various points usually in praise The book made a significant contribution towards the growing arguments in 1930s Britain and other parts of the Anglophone world for a bolder more comprehensive and more state led approach to planning In turn these arguments had an important impact in shaping the policies adopted in the 1940s *The Experience of Expatriate English Language Teaching* David B. Wilson, 2025-05-24 This is a unique applied linguistic study which demonstrates that the history of TEFLers is very different

from the history of TEFL Instead of studying theories of language learning and teaching it explores the experience of being a TEFLer through the ages using a wide range of fictional and fictive sources novels plays biographies memoirs essays and poems Part One considers the present and recent past through an analysis of 15 fictional works and five memoirs Part Two is concerned with the experiences of some historical iconic figures from the world of TEFL beginning with the sixteenth century and ending with figures associated with the British Council and International House Along the way one meets Victorian governesses Berlitz teachers and literary figures from the inter War Golden Age of travel Interposed are some of the experiences of the author garnered during his long and varied career as an expatriate TEFLer **Shaw A M**

Gibbs,1990-06-14 *Not Seeing Red* Stephen Karetzky,2002 In *Not Seeing Red* Stephen Karetzky examines American librarianship s attitude towards the Soviet Union from the Russian Revolution through the Cold War While focusing on the years 1917 through 1960 the work includes an overview of the subsequent period ending with Gorbachev s rise to power Karetzky s study concentrates on leaders of the library profession in the United States but also deals with American educationists as well as librarians in Britain and other countries Conversion Malcolm Muggeridge,2005-02-18 From the book *What is a conversion* The question is like asking What is falling in love There is no standard procedure no fixed time No Damascus Road experience has been vouchsafed me I have just stumbled on like Bunyan s Pilgrim falling into the Slough of Despond locked up in Doubting Castle terrified at passing through the Valley of the Shadow of Death from time to time by God s mercy relieved of my burden of sin but only alas soon to acquire it again From my earliest years there was something going on inside me other than vague aspirations to make a name for myself and a stir in the world something that led me to feel myself a stranger among strangers in a strange land whose true habitat was elsewhere another destiny whose realization would swallow up time into Eternity transform flesh into spirit knowledge into faith and reveal in transcendental terms what our earthly life truly signifies In November 1982 Malcolm Muggeridge was received into the Roman Catholic Church an event which attracted much attention and curiosity To Malcolm Muggeridge it signified a sense of homecoming of picking up the threads of a lost life Malcolm Muggeridge well known around the world in the latter part of the twentieth century as a journalist writer and media figure is still remembered as a vociferous unbeliever for a great part of his career But always he had had an awareness that another dimension existed that there was a destiny beyond the devices and desires of the ego and that earthly life could not be the end This book first published in 1988 and the last of his writing to be published in his lifetime is a personal statement of the history and development of his religious beliefs An important section relates to Mother Teresa of Calcutta latterly beatified and with expectations to becoming a Saint Her influence was perhaps the most powerful force leading this deeply thinking man to God and to the Roman Catholic Church He describes also the effect upon him of meetings with Alexander Solzhenitsyn a man whom he considers to be one of the greatest prophets of our time with a profound spiritual message for our turbulent world This moving testimony is not about the mechanics of becoming a Roman

Catholic Rather it is about a series of happenings occasions of enlightenment that led one spiritually troubled man to find God It is a statement of belief which will fascinate all who are interested in the workings of the human mind and will inspire all who seek the Truth
