Inside the Walls of Matacali City Zoo

Jodie Bain, 2014-07-31 My own impression of the story is that it is a soap opera of people's lives set in a zoo in a book The story details the interactions of many diverse characters within the central theme situated inside the walls of a passive city zoo located in the warm areas of Coastal California It entails the story of a young woman heiress to the magnificent old zoo and her accounts of coping with the daily routines and lives of not only the enormous amount of animals in her care but also of the many people who are involved in running such a colossal and demanding enterprise Jessica Williams faces her own journey of growing up within this intense atmosphere while becoming aware of her deep love for one of her co-workers and mentors an ex army veteran who is plagued with emotional troubles amid the concentration of her own dedication to the monumental task of keeping the zoo alive The two devoted people cohere together to keep the giant enterprise running surrounded by the many sagas involving the zoo staff and helpers amid the shocking treachery of Jessica's own father Another character adding to the twisted tales of emotional roller coasters is that of a young lion tamer Snow Reynolds who aspires to become a world class prize fighter Just a glimpse of the many colourful stories and realistic characters evoking the vast array of lives involved within the walls of the Grand Century Old Matacali City Zoo
