Philip, Prince of Greece Constantinos Lagos,John Carr,2021-06-30 Many books have been written about the life of Prince Philip the Duke of Edinburgh yet there always seem to be corners of his long life that have remained unexplored In this long look back into his early years Constantinos Lagos and John Carr uncover hitherto unknown aspects of Philip s life as a Greek prince and his gradual transformation from a mere appendage of the troubled Greek royal family to an enduring pillar of the British monarchy For the first time Lagos and Carr delve into neglected Greek archives for a fascinating picture of Philip s early Greek life and the constant insecurity that dogged his steps as his father Prince Andrew of Greece and mother Princess Alice struggled to order their own lives in the maelstrom of unstable and often violent Greek politics in a Europe sliding towards world war The Greek royal family in which Philip has his roots is dealt with at length to bring out the particular family history and circumstances that played no small part in shaping his personality Anyone curious about how Prince Philip actually grew up will find in this book a wealth of eye opening often startling details that will add more brush strokes to the portrait of the often elusive but real Prince Philip *A War Without Ground* MICHAEL CANN,2018-05-10 Fly

high above the clouds sail deep down to the ocean bottom and see how a nation demilitarized begins to achieve world dominance from above and below without a need to keep their boots on the ground **Brassey's Naval Annual** Earl Thomas Allnutt Brassey, 1941 The War at Sea, 1939-1945: The defensive.- v.2. The period of balance.- v.3. The offensive Stephen Wentworth Roskill, 1954 **The naval war film** Jonathan Rayner, 2013-07-19 This book undertakes a unique coherent and comprehensive consideration of the depiction of naval warfare in the cinema The films under discussion encompass all areas of naval operations in war and highlight varying institutional and aesthetic responses to navies and the sea in popular culture The examination of these films centres on their similarities to and differences from the conventions of the war genre and seeks to determine whether the distinctive characteristics of naval film narratives justify their categorisation as a separate genre or sub genre in popular cinema The explicit factual bases and drama documentary style of many key naval films such as *In Which We Serve* *They Were Expendable* and *Das Boot* also requires the consideration of these films as texts for popular historical transmission Their frequent reinforcement of establishment views of the past which derives from their conservative ideological position towards national and naval culture makes these films key texts for the consideration of national cinemas as purveyors of contemporary history as popularly conceived by filmmakers and received by audiences Visions of War M. Paul Holsinger, Mary Anne Schofield, 1992 For Americans World War II was a good war a war that was worth fighting Even as the conflict was underway a myriad of both fictional and nonfictional books began to appear examining one or another of the raging battles These essays examine some of the best literature and popular culture of World War II Many of the studies focus on women several are about children and all concern themselves with the ways that the war changed lives While many of the contributors concern themselves with the United States there are essays about Great Britain Canada France Germany Poland Russia and Japan **Beyond the Epic** Gene Phillips, 2006-11-24 Two time Academy Award winner Sir David Lean 1908-1991 was one of the most prominent directors of the twentieth century responsible for the classics *The Bridge on the River Kwai* 1957 *Lawrence of Arabia* 1962 and *Doctor Zhivago* 1965 British born Lean asserted himself in Hollywood as a major filmmaker with his epic storytelling and panoramic visions of history but he started out as a talented film editor and director in Great Britain As a result he brought an art house mentality to blockbuster films Combining elements of biography and film criticism *Beyond the Epic The Life and Films of David Lean* uses screenplays and production histories to assess Lean's body of work Author Gene D Phillips interviews actors who worked with Lean and directors who knew him and their comments reveal new details about the director's life and career Phillips also explores Lean's lesser studied films such as *The Passionate Friends* 1949 *Hobson's Choice* 1954 and *Summertime* 1955 The result is an in depth examination of the director in cultural historical and cinematic contexts Lean's approach to filmmaking was far different than that of many of his contemporaries He chose his films carefully and as a result directed only sixteen films in a period of more than forty years Those films however have become some of the landmarks of motion

picture history Lean is best known for his epics but Phillips also focuses on Lean's successful adaptations of famous works of literature including retellings of plays such as *Brief Encounter* 1945 and novels such as *Great Expectations* 1946 *Oliver Twist* 1948 and *A Passage to India* 1984 From expansive studies of war and strife to some of literature's greatest high comedies and domestic dramas Lean imbued all of his films with his unique creative vision Few directors can match Lean's ability to combine narrative sweep and psychological detail and Phillips goes beyond Lean's epics to reveal this unifying characteristic in the director's body of work *Beyond the Epic* is a vital assessment of a great director's artistic process and his place in the film industry

[Posted in Wartime](#) Richard Knott, 2017-03-30 The Second World War saw many people consigned to long periods of exile far from home How did the exiled keep in touch with home Why were some exiles silent when others wrote frequently and at length [Posted in Wartime](#) explores the nature of such exile and considers what could be written in diaries and letters given that letters were censored and diaries were at best frowned upon At the book's heart are the stories of three very different exiles a Liberty Ship captain a doctor in the Royal Army Medical Corps and an airman in Iraq and Palestine Set alongside those are the experiences of a number of celebrated wartime exiles whose diaries and letters are both extensive and detailed and whose stories loosely connect with the journeys of the three main protagonists they include the travel writer Freya Stark the photographer Cecil Beaton and the playwright Noel Coward Exhibition of Cecil Beaton photography of the Duchess of Devonshire and her set at Chatsworth March 2016 to January 2017 The reopening of the British Postal Museum Archive as The Postal Museum in London in 2017 100th anniversary of the Imperial War Museum London 2017 75 years since the release of Noel Coward's film about the Navy at war *In Which We Serve* 1942 75 years on 15 April since the author's father sailed to the Middle East in Winston Special convoy WS18 100 years in November 2017 since the Balfour Declaration Middle East 70 years since Indian independence

David Lean Melanie Williams, 2016-05-16 A rule of mine is this said William Goldman in 1983 there are always three hot directors and one of them is always David Lean One of the best known and most admired of British film makers David Lean had a

directorial career that spanned five decades and encompassed everything from the intimate black and white romance of *Brief Encounter* 1945 to the spectacular Technicolor epic of *Lawrence of Arabia* 1962 This book offers comprehensive coverage of every feature film directed by Lean yielding new insights on the established classics of his career as well as its lesser known treasures Its analysis prioritises questions of gender and emphasises the often overlooked but highly significant recurrence of female centred narratives throughout Lean's career Drawing extensively on archival historical materials while also presenting nuanced close readings of individual films David Lean offers a fascinating and original account of the work of a remarkable British film maker

The Epic Films of David Lean Constantine Santas, 2012 In this volume David Lean's now undervalued epics *The Bridge on the River Kwai* *Lawrence of Arabia* *Doctor Zhivago* *Ryan's Daughter* and *A Passage to India* are restored to the elevated esteem they once held

Surviving the Arctic Convoys John R. McKay, 2021-07-21 Leading Seaman Charlie Erswell saw much more than his fair share of action during the Second World War He was present at the 1942 landing in North Africa Operation TORCH D Day and the liberation of Norway But his main area of operations was that of the Arctic Convoys escorting merchant ships taking essential war supplies to the Russian ports of Murmansk and Archangel In addition to contending with relentless U boat and Luftwaffe attacks crews endured the extreme sea conditions and appalling weather This involved clearing ice and snow in temperatures as low as minus thirty degrees Celsius No wonder Winston Churchill described it as the worst journey in the world Fortunately Charlie who served on two destroyers HMS Milne and Savage kept a record of his experiences and is alive today to describe them His story published to coincide with the 80th Anniversary of

the first convoy is more than one man's account. It is an inspiring tribute to his colleagues many of whom were killed in action. No one reading *Surviving The Arctic Convoys* could fail to be moved by the bravery and endurance of these outstanding men.

When the War Is Over Barbara Fox, 2016-07-28 THE TOUCHING TRUE STORY Two young Second World War evacuees far from home far from family safe from the war Gwenda and Douglas Brady were among the millions of British children sent to live with new families for their own safety during the Second World War leaving behind their parents their friends and all that felt familiar and safe. Evacuation could be a scary experience but five year old Gwenda and her brother were lucky enough to be housed with a kindly schoolmaster and his wife and soon the realities of the war felt very far away. WHEN THE WAR IS OVER touchingly tells the story of how Gwenda and Doug found a second family and a loving home in the remote Lake District village of Bampton and how the war touched the lives of everyone even those far far away from the big cities. Readers love WHEN THE WAR IS OVER. One of the very best books I have ever read without a doubt. A wonderful HEARTWARMING story. A RIVETING read. All the people really came to life. A WONDERFUL record. True stories of life and VERY ENTERTAINING. NOSTALGIC and ENJOYABLE. An intimate record of what it was like as a young child being evacuated in WWII.
