L. Anderson, 2013-02-28 There's more to inheriting eternal life than what many of us have been told Depending upon your level of spiritual commitment this statement may or may not mean anything to you But it means everything to me

Why It is because eternal life represents the progressive alternative to endless death the only other potential final destination of my soul Therefore as the soul shall subsist forever securing eternal life should be the primary objective of every progressive existence At the same time many have been deceived into believing that inheriting eternal life is as easy as saying a simple prayer or having an undeveloped meager level of faith Still the reality is that inheriting eternal life i e the greatest prize of all time will naturally require the greatest investment of all time a life dedicated to the will of the Father which is the basis of progressive spiritualism Accordingly the scriptures teach us For whosoever will save his life shall lose it and whosoever will lose his life for my sake shall find it For what is a man profited if he shall gain the whole world and lose his own soul Or what shall a man give in exchange for his soul See Matthew 16 25 26 In my opinion any honest person would come to this conclusion and would rightfully as well as willfully desire to make the necessary investment required to obtain the prize of eternal life The problem is that many honest believers havent been told the whole story and are preparing to go to the Judgment with many of their works undone Consequently the question of the hour is simply this what more is there to the story Conclusively the answers to this inquiry are found within this volume of The Pinnacle of Holiness Building off the former volume which provides a high level description of the path which leads to eternal life this volume will focus on providing detailed information about the path Thus it should be viewed as a spiritual training manual which each sojourner soldier can employ to ensure that they are abiding by every criterion associated with inheriting eternal life In the end and with regards to the delicate matter of eternal life the most critical factors are the instructions which the Father has revealed to us by His Spirit and recorded within His Word Definitively these spiritual and scriptural disclosures are contained within this volume As the scriptures have said And thine ears shall hear a word behind thee saying This is the way walk ye in it when ye turn to the right hand and when ye turn to the left The Nature of Christianity in the True Light Asserted, Etc. [An Answer to "Christianity Vindicated," by Robert Gordon. With "An Additional Postscript, by George Keith to Robert Gordon.]" George Whitehead,1671 **The Nature of Christianity, in the True Light Asserted** George Whitehead,1833

Medium Theory of the Atonement G. H. Sheldrake,1888 *How to Break a Stubborn Habit* Erwin W. Lutzer,2017-08-01 When Your Decision to Change Is Not Enough You ve prayed You ve surrendered your sin to God You ve been more zealous about reading the Bible and attending church But what do you do when you still can t shake your bad habits After discouragement and defeat set in you need a dose of genuine hope and some biblical time tested guidance on breaking free for good Dr Erwin Lutzer shows you the three essential ground rules you must accept in order to truly change the secret to dismissing tempting thoughts rather than rehearsing them the roles of God Satan and your loved ones in your success or failure You ve resolved to break a stubborn habit Now discover the grace courage and wisdom to make it happen so you can step out of the past and into a renewed future Includes questions for personal study or group discussion **An Exposition Upon the Second Epistle General of St. Peter** Thomas Adams,1848 **How to Save a Troubled Marriage Biblically**

Gaines Bradford Jackson, 2010-02-16 How to Save A Troubled Marriage Biblically is an absolute must for anyone planning on marrying as well as for married couples already in a relationship This book is a welcomed first because it is a Scripturally based systemic psychiatric exercise and practical work for todays men and women Wisdom and the handling of crisis in ones life is all in the Holy Bible but is highly dispersed but here in this book it is easily found and applied in the appropriate manner The author has five fundamental themes flowing through the text and they are 1 Marriage is a covenant not a contract and was designed by God 2 Whenever possible restoration of broken relationship is the major goal 3 In marriage the husband seeks to meet the needs of his wife and the wife seeks to meet the needs of her husband 4 The Holy Bible is the ultimate authority on effective relationships in particular marriage relationships and 5 The Biblical pattern for both husband and wife is to sacrifice in order to pursue the satisfaction joy and ultimate happiness of their spouse And you will find as in Proverbs 15 17 RSV A bowl of vegetables with someone you love is better than a steak with someone you hate God be with you and your spouse on your life long loving and happy journey together Well here it is folks read meditate and apply it and you too can be changed by Gods grace
