forgiveness and surprising revelations enter into it new bonds are formed and the future takes on a brighter hue And one by one with life s irony Olivia s children find themselves committing the same sins for which they blamed their mother for so many years It is a summer of compassion important lessons and truth The Sins of the Mother captures the many sides of family love complex challenging funny passionate and hopefully enduring Along the way we are enthralled by an unforgettable heroine a mother strong enough to take more than her fair share of the blame wise enough to respect her children for who they really are and forgiving enough to love them unconditionally

Uncounted Victim Yael Eylat-Tanaka,2021-01-26 This is the story of the other victims of German occupation in France the story of my mother who was separated from her family and fled and the torture that remained with her forever These are the memoirs as told to me by my mother I have attempted to tell her story as accurately as she presented them to me piecing together her own written journals along with various anecdotes that supplemented and peppered stories over my lifetime without embellishing by interposing my own interpretations of events This is not a suspense novel although certainly the events recounted herein were suspenseful to those who experienced them They certainly sounded suspenseful to me as I heard and read them So as to avert embarrassment to anyone reading these words I have on occasion chosen to use pseudonyms while trying to keep the gist of the story true to form My mother was French and occasionally some French words and phrases appear throughout the text I have included translations wherever appropriate She also lived and studied in Italy before moving to Israel and eventually to the United States Again where words and phrases are included in those languages and I have included translations to the best of my ability

The Sins of A Mother (ForGiven) Annette Mallard,2021-03-12 Woman you are forgiven the blood of Jesus was shed for the remission of sin No more guilt or blame you lived through it and you will be better because of it Letting go of the past is freeing you up for the future that is before you It didn t kill you you survived it and you were being made strong in your weakest moments Hold your head up and continue to move forward by His grace There are generations behind you giving up is not optional By His grace rebuild relationships with your children or child strengthen the relationship you have with your children or child Listen to each other and learn patience As parents we are not always right and there are things that we can learn from our children Their voice matters Their thoughts matter Yes you do matter however the overall goal is to nurture healthy relationships with our children as we move as a family unit together In doing so unhealthy cycles patterns practices curses and habits will have no place to repeat themselves
