ministership not only in its bizarre end but in the entanglement of an amiable easygoing man in poisonous political rivalry and a brutal and contentious war in Vietnam Frank Bongiorno Asia, the US and Extended Nuclear Deterrence Andrew O'Neil, 2013-09-02 Since the end of the Cold War significant attention has focussed on the issue of nuclear deterrence and in particular whether formal nuclear security guarantees from nuclear weapons states to non nuclear weapons states involving the possible use of nuclear weapons have a place in the twenty first century global strategic landscape Growing support for nuclear disarmament in the US and elsewhere has seen serious doubts being raised about the ongoing utility of extended nuclear deterrence This book provides the first detailed analysis of the way in which extended nuclear deterrence operates in contemporary Asia It addresses the following key questions What does the role of extended nuclear deterrence in Asia tell us about the broader role of extended nuclear deterrence in the contemporary international system Is this role likely to change significantly in the years ahead O Neil uses a theoretical and historical framework to analyse the contemporary and future dynamics of extended nuclear deterrence in Asia and challenges many of the existing orthodox perspectives on the topic Providing a new perspective on debates surrounding extended nuclear deterrence this book will be of interest not only to students and scholars of Asian politics international relations and security studies but also to policy makers and professionals **Defence Policy-Making** Arthur Tange, 2008-07-01 Sir Arthur Tange was perhaps the most powerful Secretary of the Australian Defence Department and one of the most powerful of the great mandarins who dominated the Commonwealth Public Service between the 1940s and the 1970s His strong and often decisive influence on both administration and policy was exerted by virtue of his intellectual capacity his administrative ability and the sheer force of his personality Controversies from his time in Defence including those associated with the Tange report and the Tange reforms echo to this day and it is still easy to identify both staunch admirers and vitriolic critics in defence and public service circles Tange wrote this account in his last years It is a memoir based largely on memory supplemented by limited reference to documentary material that focuses upon his career after he came to Defence in 1970 It records his own account of his part in those administrative reforms and policy shifts as well as his involvement or non involvement or alleged involvement in several of the political crises of the 1970s including the downfall of John Gorton as Prime Minister and the dismissal of the Whitlam Government Consent of the People David Kemp, 2022-10-18 Consent of the People Human Dignity through Freedom and Equality 1966 2022 explores how Australia s founding Enlightenment ideals were shaped into a unique national liberalism embodied in liberal democratic institutions political parties and shared values Despite intense partisan loyalties conservative and radical resistance and a politics of unequal power and influence inequality was addressed and personal freedom strengthened This final book in the landmark five volume Australian Liberalism series examines the place of liberal ideas in governments from Harold Holt to Scott Morrison It shows how reform urgency led to the nation's greatest political crisis in 1975 how prime ministers Fraser and Hawke struggled to manage an economy dominated by powerful union

business and global interests how during twenty four crucial years Hawke Keating and Howard led one of the nation s greatest reform eras and how social reform continued despite the leadership instability of the post Howard era David Kemp assesses political parties as the instruments of reform and the difficulties of achieving reform in the public interest highlighting the dangers of factionalism and loss of purpose He examines how an international revival of liberal thought and rising levels of education revolutionised Australian society and politics creating a moral and moralistic ruling class In a remarkable half century Australians strove with growing success to achieve their dreams Strangio, Paul 't Hart, James Walter, 2017-08-28 The prime ministership remains the main prize in Australian politics but it is a precarious one Leadership turnover in recent years has seen more prime ministers rise and fall than at any time since the decade after federation What explains this volatility The Pivot of Power is the second volume in a unique blend of collective biography and institutional history that shows the skills limitations and passions of incumbents are only part of the story The ways in which prime ministers thrive and fail are influenced by the resources at their command the evolving nature of the parties they lead the daunting public expectations they face under a relentless media gaze and the challenges that history throws at them Recent changes in these areas have had a destabilising effect and made the role of prime minister more onerous than ever After decades of strong national leadership the office has rarely seemed quite so confounding as it does for its contemporary holders The Pivot of Power explains how this has come about And its rich account of prime ministerial fortune since the mid twentieth century yields historical lessons for overcoming the current malaise Mungo MacCallum, 2014-07-23 We were a motley mob we sans culottes of Canberra In this vastly entertaining book Mungo MacCallum captures the spirit of a nation changing time He portrays the Whitlam government s key figures from Gough and Margaret to Lionel Murphy Bill Hayden and Jim Cairns as well as the other mob in opposition Billy McMahon John Gorton Malcolm Fraser and many more The Whitlam Mob addresses some crucial questions What was the night of the long prawns Who was the playboy of the parliament And who was the toe cutter This is Mungo at his best vivid and barbed nostalgic but always clear eved A Soldier's Soldier Jeffrey Grey, 2013-01-24 Lieutenant General Sir Thomas Daly was a renowned soldier and one of the most influential figures in Australia s military history As Chief of the General Staff during the Vietnam War he oversaw a significant re organisation of the Army as he fought a war under political and resource restrictions In this unique biography Jeffrey Grey shows how Daly prepared himself for the challenges of command in a time of great political upheaval A Soldier's Soldier examines Daly's career from his entry to Duntroon in the early 1930s until his retirement forty years later covering the key issues in the development of the Australian Army along the way Drawing on extensive interview transcripts the book provides a compelling portrait of Sir Thomas Daly and his distinguished career A General Biographical Dictionary ...
