**Educating for Citizenship in a Canada-China Sister School Reciprocal Learning Partnership** Yishin Khoo,2022-12-13 This book enriches the discourse around Global Citizenship Education in teacher education through

the example of a teacher's experience in a Canada China Sister School reciprocal learning landscape. Instead of positioning global citizenship teaching and learning as a set of fixed goals to be attained by teachers alone, this book approaches global citizenship teaching and learning as unfinished lifework in progress and as situated curriculum problems to be inquired together by university researchers, school teachers and students under the spirit of reciprocity and community. This reimagination of narratives theory and action start from collaborative and reciprocal learning partnerships among Chinese and Canadian researchers and teachers in the practicality of re searching and re enacting the purpose and meanings of twenty first century education in a Canada China Sister School setting.

**Mountain of Fire** Jason Cordova, 2024-09-03 New Entry in the Best Selling Black Tide Rising Series FIRE ON THE MOUNTAIN When the lights went out, humanity died. But from darkness came hope. The surviving students at St. Dominic's Preparatory School for Girls have had it rough since the H7D3 virus virtually wiped out human civilization. Between rampaging hordes of zombies and wannabe tinpot dictators, the only thing holding them together is the iron will of the school's lone surviving nun, Sister Ann. They know how to survive, but rebuilding isn't only about surviving; it's about rising up. As more survivors start to seek asylum at the isolated school, it becomes readily apparent that the school can be the anvil from which humanity is reforged. To achieve this, though, the survivors must rely on one another to rebuild. The flames of life will be fanned, and the sparks from every strike of the hammer will provide light in the darkness. But it will not be easy. From atop the mountain of fire, this beacon of hope must spread, or humanity will die quietly in the long final night. **From Unseen Fire** Cass Morris, 2018-04-17 From Unseen Fire is the first novel in the Aven Cycle, a historical fantasy set in an alternate Rome by debut author Cass Morris. The Dictator is dead, long live the Republic. But whose Republic will it be? Senators, generals, and elemental mages vie for the power to shape the future of the city of Aven. Latona of the Vitelliae, a mage of Spirit and Fire, has suppressed her phenomenal talents for fear they would draw unwanted attention from unscrupulous men. Now that the Dictator who threatened her family is gone, she may have an opportunity to seize a greater destiny as a protector of the people if only she can find the courage to try. Her siblings, a widow who conceals a canny political mind in the guise of a frivolous socialite, a young prophetess learning to navigate a treacherous world, and a military tribune leading a dangerous expedition in the province of Iberia will be her allies as she builds a place for herself in this new world against the objections of their father, her husband, and the strictures of Avenian society. Latona's path intersects with that of Sempronius Tarren, an ambitious senator harboring a dangerous secret. Sacred law dictates that no mage may hold high office, but Sempronius, a Shadow mage who has kept his abilities a life-long secret, intends to do just that. As rebellion brews in the provinces, Sempronius must outwit the ruthless leader of the opposing Senate faction to claim the political and military power he needs to secure a glorious future for Aven.

and his own place in history As politics draw them together and romance blossoms between them Latona and Sempronius will use wit charm and magic to shape Aven s fate But when their foes resort to brutal violence and foul sorcery will their efforts be enough to save the Republic they love      *Revealed by Fire* G.
