Serving in Coordination and Washing in Love Witness Lee, 2025-03-11 How can we be useful and effective in our service to the Lord We all love the Lord but the fruit of our work may not be rich because we lack coordination with others The book of Ephesians uses two phrases many times in spirit and in love We have seen that we need to be in spirit in order to have genuine coordination but we must also see the importance of love When we are in spirit we can conduct ourselves in love However if we emphasize being in spirit but do not emphasize being in love we will not be able to be adjusted in relation to our flesh and our self Conducting ourselves in love is a limitation to our flesh and our self The ability to know whether we are in the self or in the flesh depends on whether we conduct ourselves in love In John 13 we see an indication of the Lord s love His foot washing The Gospel of John speaks of foot washing in love bearing fruit in love and oneness in love In order to bear fruit we must love one another and it is difficult to arrive at a genuine love for one another apart from spiritual foot washing Genuine oneness is in foot washing in love This is our need today
