**The Cinematography of Roger Corman** Pawel Aleksandrowicz, 2016-09-23 Roger Corman is an ambiguous artistic figure On the one hand he is notorious for shooting and producing his films quickly cheaply and with blatant disregard for safety measures which together with his ability to issue a dozen new films every year and his impressive filmography have earned him the titles of shlockmeister and the King of the Bs among film journalists On the other hand he became the youngest
