The Future of Israel Devin Sper,2004 GROUNDBREAKING VISION FOR THE FUTURE OF ISRAEL REPLACING THE FALSE PEACE PROCESS OF TODAY WITH A NEW DECISIVE COURSE OF ACTION THAT WILL SECURE ISRAEL S FUTURE The Arab Israeli conflict is of a national and ultimately a religious nature and not a simple land dispute It cannot be solved by giving away land while the underlying cause of Arab hostility remains unchallenged In his new book THE FUTURE OF ISRAEL Devin Sper scholar and passionate Zionist offers a timely examination of Israel s current crisis and answers the increasingly desperate question Where does Israel go from here In THE FUTURE OF ISRAEL Sper explains Why pursuing the peace process is not in Israel s interest Why both the cause of and the solution to Israel s problems and historical Jewish suffering are one in the same The three things Israel must do immediately to insure her survival and provide security for her people How and why a small fringe group hijacked Judaism and led the Jews to one tragedy after another Sper maintains that Israel is today without a vision of her future her economy is in shambles and her people in despair Their hopes for peace have collapsed and there is a complete vacuum of ideas among Israel s leaders on a new direction which will lead the country out of her seemingly endless tragedy To end two millennia of Jewish suffering Sper argues Israel must reverse the course her leaders chose at Oslo and resume a commitment to the accumulation of Jewish power she began so promisingly in 1948 Sper presents a vision culminating in Israel as a major power and lays out a long term plan for achieving this goal Only by making this journey argues Sper can a permanent end to Jewish suffering be realized With its radical new vision for the future of Israel and the Jewish people based on a remarkably realized plan for a country in turmoil The Future of Israel is the rightful heir to Theodore Hertzl s ground breaking The Jewish State Sper bases his new vision on an ancient and once mainstream Jewish philosophy It is a dynamic Judaism flowing from the Bible itself a Judaism unafraid to engage and challenge the world which the ancient historian Josephus called the Fourth Philosophy Sper explains how the abandonment of this genuine form of Judaism has led to centuries of tragedy for the Jewish people and why a return to this authentic Jewish philosophy is the only path to a secure Jewish future Meticulously researched and compellingly argued this brilliant and original work boldly reinterprets Jewish history and theology to offer the Jewish people and Israel a strategy to reclaim its place as a great nation

Israeli Secret Services Frank Clements,2017-07-05 The Israeli Institute for Intelligence and Special Services the Mossad is pobably the best known of the world s intelligence services one of the most sespected and certainly one of the most intriguing However despite its fame the available literature other than Hebrew is limited and scattered amongst a variety of subject areas because the tentacles of the Mossad are similarly varied The aim of this volume is to document the range of English language material available on f Mossad from its pre official origins in Europe during the Second World War to e present period of the Middle East peace process The organization had its origins in the aftermath of the Holocaust being the

agency responsible for organizing the illegal Jewish immigration into Palestine before becoming officially constituted in 1951. Since its formation the Mossad has been intimately involved in each of the significant events in Israel's history including actions against its Arab neighbors, the hunting of wanted Nazis, spectacular actions such as the raid on Entebbe to free the hostages, counter terrorist activities and high technology espionage against friend and foe alike. This bibliography will be of interest to researchers covering intelligence activities and to students, scholars and librarians interested in the history of Israel and its relations with its Arab neighbors. The early material on the Mossad will also be of special concern to students of the Holocaust and its aftermath.

The Israelis: Founders and Sons Amos Elon, 2019-08-16 Superb. The first critical analysis of Israel written from within. It's a deliberate act of self-awareness exploring how a people got where they are. Time. The most illuminating even handed candid appraisal of the contemporary Jewish condition yet to appear. Newsweek. A penetrating profound explosive essay analysis of the Israelis and the Jews. Elon is that very rare writer of contemporary history who can sincerely and honestly see and sympathize with the irreconcilable forces of so suicidal a death embrace as the Israeli Arab struggle. A moving enlightening stimulating book. This book is a beacon. David Schoenbrun. The New York Times. Amos Elon should be praised. He has written the most acute even handed portrait yet of the perennially controversial Israelis. He has created a portrait that is as complex as it is palpable. Roger Jellinek. The New York Times. An instant bestseller in Hebrew and in English. From 1971 it became required reading in schools and mirrored the lives of Israelis. The Guardian. A superb book. The Nation. Amos Elon's *The Israelis* stands out as a uniquely valuable book. Commentary Magazine.

Destinies: Jon Kimche, David Kimche, 2019-07-23 Founded on a vast amount of research and personal interviews as well as direct involvement in the Palestine War 1947-1948 the authors have written a book on this much disputed subject which presents a few new theories and outlooks. With minute detail they treat and trace the history, preambles, development and actualities of the war and include several maps of the strategic areas and manoeuvres of the battles. Pinpointing the central and most significant personalities of the war, this is a book which should and will find a great reading audience all over the world.

Prisoners Jeffrey Goldberg, 2006-10-03 During the first Palestinian uprising in 1990 Jeffrey Goldberg, an American Jew, served as a guard at the largest prison camp in Israel. One of his prisoners was Rafiq, a rising leader in the PLO. Overcoming their fears and prejudices, the two men began a dialogue that over more than a decade grew into a remarkable friendship. Now an award-winning journalist, Goldberg describes their relationship and their confrontations over religious, cultural and political differences. Through these discussions, he attempts to make sense of the conflicts in this embattled region, revealing the truths that lie buried within the animosities of the Middle East.

The Best American Travel Writing 2002 Frances Mayes, Jason Wilson, 2002 This third volume in the series presents more exemplars of armchair reading in this case, armchair listening, taking people away from daily routine to exotic, often remote settings.

Six Days Jeremy Bowen, 2012-09-27 The Six Day War was an extraordinary human drama. It swept up a generation of Israelis and Arabs whose children still cannot live peacefully in the world. The war created today's Israel, the superpower of the region. It has nuclear weapons but has never been able to digest the land it swallowed in 1967. However big its army, it will never be at peace or feel secure until the future of this land is settled. Forty years after the end of the six days of fighting, after thousands more deaths and the failure of years of negotiation to try to reach a political settlement, Israelis and Palestinians are fighting once again on the streets in the West Bank and Gaza. It is still a low level conflict but if another full-blown Middle East war breaks out, its roots will lie in those six days in June 1967. Drawing on his experiences as the BBC's former Middle East correspondent and building on extensive original research and interviews with some of the key participants, Jeremy Bowen uses his vast array of contacts to weave together a completely convincing and compelling account, hour by hour, of the 1967 war between Israel and Egypt, Jordan and Syria. As insightful as the best modern history writing and as gripping as fiction, this is a deeply personal book.

The Making of Modern Israel Leslie Stein, 2013-05-20 On May 14, 1948, the State of Israel was declared, announced by David Ben-Gurion at a small gathering that assembled in the main hall of the Tel Aviv Art Museum. Within a time frame of only nineteen years, culminating in the Six Day War, Israel fought three separate wars. But within its first four years, thanks to mass immigration, its population doubled. Furthermore, Israel had been confronted with acute economic difficulties, intra-Jewish ethnic tensions, a problematic Arab minority and a secular-religious divide. Apart from defence issues, Israel faced a generally hostile or at best indifferent international community, rendering it hard-pressed in securing great power patronage or even official sympathy.

and understanding Based on a wide range of sources both in Hebrew and English this book contains a judicious synthesis of the received literature to yield the general reader and student alike a reliable balanced and novel account of Israel's fateful and turbulent infancy

The Holocaust Is Over; We Must Rise From its Ashes Avraham Burg,2016-01-05 Modern day Israel and the Jewish community are strongly influenced by the memory and horrors of Hitler and the Holocaust Burg argues that the Jewish nation has been traumatized and has lost the ability to trust itself its neighbors or the world around it He shows that this is one of the causes for the growing nationalism and violence that are plaguing Israeli society and reverberating through Jewish communities worldwide Burg uses his own family history his parents were Holocaust survivors to inform his innovative views on what the Jewish people need to do to move on and eventually live in peace with their Arab neighbors and feel comfortable in the world at large Thought provoking compelling and original this book is bound to spark a heated debate around the world
