The House That Jack Built Michael J. Hallowell, 2008-11-15 The House That Jack Built reveals the truth behind one of history's greatest untold stories An old lead miner and his wife who took up residence in a remote cave on a windswept beach in South Shields A pub was built within the cave and a search initiated to find buried Roman treasure hidden in a network of underground caves and tunnels

Borders, Fences and Walls Elisabeth Vallet, 2016-04-08 Twenty years after the fall of the Berlin Wall the question remains Do good fences still make good neighbours Since the Great Wall of China the Antonine Wall built in Scotland to support Hadrian's Wall the Roman Limes or the Danevirk fence the wall has been a constant in the protection of defined entities claiming sovereignty East and West But is the wall more than an historical relict for the management of borders In recent years the wall has been given renewed vigour in North America

particularly along the U S Mexico border and in Israel Palestine But the success of these new walls in the development of friendly and orderly relations between nations or indeed within nations remains unclear What role does the wall play in the development of security and insecurity Do walls contribute to a sense of insecurity as much as they assuage fears and create a sense of security for those behind the line Exactly what kind of security is associated with border walls This book explores the issue of how the return of the border fences and walls as a political tool may be symptomatic of a new era in border studies and international relations Taking a multidisciplinary approach this volume examines problems that include security issues the recurrence and or decline of the wall wall discourses legal approaches to the wall the wall industry and border technology as well as their symbolism role objectives and efficiency The Unofficial Guide to Disneyland 2020 Seth Kubersky,Bob Sehlinger,Len Testa,Guy Selga Jr.,2019-09-17 The most thorough guide to Disneyland Park and Disney California Adventure Filled with revolutionary field tested touring plans that can save 4 hours of waiting in line in a single day The Unofficial Guide to Disneyland 2020 is the key to planning a perfect vacation Get up to date information on Disneyland Park and Disney California Adventure Each attraction is described in detail and rated by age group based on a survey of more than 20 000 families Whether you re visiting Disneyland for a day or a week there is a plan for any group or family Enjoy the rides activities and entertainment instead of wasting time standing in line The Story of Disney: 100 Years of Wonder John Baxter,Bruce C.
