through eight months of training before leaving for the Front on 24th November 1944 just days after qualifying. Joining the third Belorussian Front her battalion endured rounds of German mortar as well as loudspeaker announcements beckoning them to come over to the German side. Luliia recounts how they would be in the field for days regularly facing the enemy in terrifying one on one encounters. She sets down the euphoria of her first hit and starting her battle count but her reflection on how it was also the ending of a life. These feelings fade as she recounts the barbarous actions of Hitler's Nazi Germany. She recalls how the women were once nearly overrun by Germans at their house when other Red Army formations had moved off and failed to tell them. She also details a nine day stand off they endured encircled by Germans in Landsberg. *The Publishers Weekly*, 2005 Sniper Jackson Frederick Sleath, 1919 **Vietnam War After Action Reports**, *The White Sniper* Tapio A. M. Saarelainen, 2020-01-10. The remarkable story of the Finnish marksman nicknamed White Death by the Red Army for his record number of confirmed kills Simo Häyhä is the most famous sniper in the world. During the Winter War fought between Russia and Finland from 1939 to 1940 he had 542 confirmed kills with iron sights a record that still stands today. A man of action who spoke very little Simo Häyhä was hugely respected by his men and his superiors and given many difficult missions including taking out specific targets. Able to move silently and swiftly through the landscape melting into the snowbound surroundings in his white camouflage fatigues his aim was deadly and his quarry rarely escaped. The Russians learned of his reputation as a marksman and tried several times to kill him by indirect fire. He was promoted from corporal to second lieutenant and he was awarded the Cross of Kollaa. For sniping Simo Häyhä only ever used his own M 28/30 rifle. Eventually his luck ran out and Simo received a serious head wound on March 6 1940 though he subsequently recovered. The White Sniper fully explores Simo Häyhä's life his exploits in the Winter War the secrets behind his success including character and technique and also includes a detailed look at his rifle itself. There are appendices on the basics of shooting the impact of fire on the battlefield battles on the Kollaa Front during the Winter War and a list of ranked snipers of the world. No matter how many books on sniping you have read this must be added to your list if you are serious about shooting. GunMart *The Longest Kill* Craig Harrison, 2024-03-26. Powerful and compelling Craig Harrison's *The Longest Kill* is a must read for fans of military memoirs. It takes a tough mindset to be a successful sniper to be able to dig in for days on your own as you wait for your target to stay calm on a battlefield when you yourself have become the target the enemy most want to take out. Craig Harrison has what it takes and in November 2009 in Afghanistan under intense pressure he saved the lives of his comrades with the longest confirmed sniper kill 2 475 meters. In this unflinching autobiography Craig catapults us into the heat of the action as he describes his active service in the Balkans Iraq and Afghanistan and gives heart stopping accounts of his sniper ops as he fought for his life on the rooftops of Basra and the barren hills of Helmand province. Craig was blown up by an IED in Afghanistan and left battling severe PTSD. After his identity was revealed in the press he also had to cope with al Qaeda threats against him and his family. For Craig the price of heroism has been devastatingly high. **PUBG Sniper's Paradise:**
