Humble,2021-07-01 There is one animal that is familiar to all of us whoever we are wherever we live Even if we ve never had direct contact with one we will have seen one or at the very least heard one For those of us who live in the western world it is

more than likely that one sleeps in our house possibly even on our bed I m talking of course of the dog Yet this animal which lives alongside five hundred million of us all over the world as an invaluable partner and a trusted confidant presents us with one great unsolved mystery how did this relationship the most complex and enduring of any between human and animal start in the first place Kate Humble is a life long animal lover Now living on an idyllic farm in Wales she has achieved her dream of surrounding herself with as many varieties as possible But as with many Brits the dog has always held a special place in her heart Here she uses her journey with her sheepdog puppy Teg to frame her examination of this very special relationship Written with warmth and love and packed full of stories about rescue dogs guide dogs service dogs and medical dogs this is a must read for anyone with a four legged friend **Books in Print** ,1962 **Black & Brown Faces in America's Wild**

Places (20th Anniversary Edition) Dudley Edmondson,2025-09-23 Encourage diversity in outdoor wilderness areas by reading interviews with 20 people of color who have active roles in nature During his travels around the country as a wildlife photographer Dudley Edmondson made a concerning observation he was the only person of color in many of the wilderness locations he visited He began asking himself some important questions Why am I not seeing many people of color in the parks Where are the voices of African Americans when it comes to decisions about wild spaces Shouldn t everyone care about the involvement of all Americans in these issues The matter was far too important to let go Instead Dudley turned it into a project seeking out people of color who thrive in the outdoors and asking them about their experiences passions and hopes for the future He met with policymakers park rangers outdoor sports enthusiasts and others with nature centered careers The compilation of his interviews became the groundbreaking book Black Brown Faces in America s Wild Places In these interviews Dudley gets at the heart of what drew each individual to the outdoors how they first became involved with nature why they value those experiences and why they believe people of color are underrepresented in this country s natural landscape He explores the connection between this topic and issues like social justice racial prejudice personal safety economics and cultural traditions I am honored to let the insightful individuals that I interviewed during the course of writing this book explain how all of these subjects come together in this complex social problem says Dudley This 20th Anniversary Edition of Black Brown Faces in America s Wild Places features 20 personal stories from across the USA told by African Americans with strong connections to the natural world There is a bit of American history and personal history in every account Each takes you on a fascinating journey through the life of a stranger The portraits are insightful revealing and entertaining They provide a foundation for discussion about the future of our wild places and hopefully encourage people of color to take up the torch of conservation and carry it forward on behalf of all future generations of Americans *Snowball the Pony* Enid Blyton,2022-08-01 In *Snowball the Pony* Enid Blyton invites readers into a charming world filled with the excitement of childhood adventures and the warmth of animal companionship Written in Blyton s characteristic engaging style this delightful tale follows the spirited Snowball a mischievous pony whose antics capture the hearts of both young and

old The narrative is interwoven with themes of friendship courage and the bond between children and animals echoing the author s broader literary context of fostering imagination and morality in her young audience through vivid storytelling and relatable characters Enid Blyton a prolific British author known for her expansive body of children s literature was inspired by her own childhood experiences and her love for nature and animals Blyton s upbringing cultivated a keen sense of adventure and fantasy elements that permeate her work The writing of Snowball the Pony reflects her deep understanding of childhood often drawn from her observations and rich connections with animals that she cherished throughout her life making her stories resonate with authenticity and charm I highly recommend Snowball the Pony to readers of all ages particularly those who appreciate heartwarming tales of friendship and escapades Blyton s ability to encapsulate the innocence of childhood and the importance of empathy ensures that this book remains a timeless treasure It is an engaging read that promises to delight and inspire a love for storytelling inviting readers to explore a world where every adventure carries the potential for laughter and learning

I Shall Not Want Debbie Viguie, 2010-07-01 Charity work can be murder It s Thanksgiving and Joseph Tyler one of the members of Cindy s church has organized a new charity that provides homeless people with rescue dogs to love and care for But one by one the homeless recipients are being murdered and their dogs stolen Could an overly competitive millionaire with his prize winning pooches and a grudge be behind the crimes Or could it be someone much closer to Joseph who has something sinister to hide Cindy and Jeremiah must rush to find a killer before he strikes again
