**Snowdrops from a Curate Garden** Aleister Crowley, 2020-03-02 This is certainly an interesting piece of literature If you have a weak stomach or do not have a taste for the twisted and unusual I would not recommend reading it The book was actually written with his wife Rose Edith Kelly in mind She had a love of erotica so Crowley decided to write Snowdrops Only this is not your ordinary piece of erotica It is actually one of the most disgusting things I ve ever read But that makes it worth reading to me No one has used language and idea in such a context that Crowley uses in this book It may turn your stomach but it is certainly worth reading If for no other reason to see what kind of bizarre things this brilliant man could write review from readers About Author Aleister Crowley born Edward Alexander Crowley 12 October 1875 1 December 1947 was an English occultist prolific writer and poet mystic astrologer drug experimenter hedonist aficionado of chess and mountain climbing sexual revolutionary and social critic He is perhaps best known today for his occult writings especially The Book of the Law the central sacred text of Thelema Crowley was also an influential member in several occult organizations including the Golden Dawn the Argenteum Astrum and Ordo Templi Orientis O T O Crowley gained much notoriety during his lifetime and was famously dubbed The Wickedest Man In the World Aleister Crowley founded the religion of Thelema which became adopted by the Ordo Templis Orientis O T O as well as the magical order Argenteum Astrum the Order of the Silver Star He was also a highly controversial member of the Hermetic Order of the Golden Dawn where he was known by the magical name of Frater Perdurabo Crowley s lifestyle was absolutely shocking in the era in which he lived Besides his interest in the occult he was sexually promiscuous with both genders at a time when homosexuality was still illegal in Britain frequented prostitutes was vocally defiant against Christianity and Victorian and post Victorian prudishness toward sexual subjects and was a drug addict While Crowley detested Christianity he considered himself an immensely religious and spiritual person His writings record incidents of experiencing deity and Thelemites consider him to be a prophet In 1904 he encountered a being known as Aiwass described as a minister to Horus the central deity in Thelema and as a Holy Guardian Angel Aiwass dictated the Book of the Law which Crowley wrote down and published becoming the central Thelemic text Crowley s beliefs included pursuing the Great Work which included gaining self knowledge and uniting with the larger universe He also encouraged seeking out one s ultimate destiny or purpose commonly referred to as one s True Will      *First Beast 666* Richard L.
