The Smart Set, 1921 Murder on the Texas Eagle Serena B. Miller, 2013-05-30 In this tongue in cheek short story Doreen Sizemore an elderly and opinionated Kentucky woman who hasn't been outside of home town since her senior class trip gathers her courage and boards the Texas Eagle train bound for her brother's home in Texas She is feeling quite the brave adventuress until she discovers a murder on the train *The Lobstermen of Penobscot Bay* Gerald H. Lufkin, 2008-03-27 Pull up that slack Jeremy yells trying to be heard over the howling wind Snug it up Snug it up he continues excitedly as he is trying to control the boat in the wild seas Here she comes his son replies as a three foot lobster trap comes flying over the gunwale Never mind them now Jeremy orders Pull out the slack in that trawl line before it snags the propeller We've got one more trap on this trawl Just then a wave crest breaks over the boat and then sucks the stern back over the trap line Crack Snap the line breaks sending Charley hurtling into the cabin bulkhead He struggles to grab a handhold while the deck is awash with sea water The lobsterman and his son are twelve miles off the mainland in outer Penobscot Bay They are working furiously against the wind and icy cold ocean spray Twelve foot ocean swells lift his 40 foot work boat up like an express elevator onto the wind driven wave crests and then the boat drops over the other side like a rock The engine strains to keep headway and steerage against the swells insulated rubber gloves and numb hands make it impossible to take up the slack in the lobster trap line strung out three hundred feet in the freezing water This story is about these stout hearted men their relationships among each other and the heart rendering fear suffered by their families Most of all it is about their day to day danger excitement and emotional encounters set in the midst of the most beautiful environment that anyone could want to live in **The Accidental Adventures of Doreen Sizemore** Serena B. Shamrock Robert Honea, 2004-10 With the government that ruled over them arbitrary and capricious the stage was set for a new kind of trouble While none could yet imagine its size or brutality its symbol would come in the form of a fiery cross Born of men in hoods and robes known by many names it would be the Klan Founded by a group of Confederate veterans in a small town in Tennessee soon after the succession of hostilities their numbers would swell until they became a shadow government Although subversive with tentacles extending into the nation's capitol it would influence politics on both the local and federal level well beyond the middle of the next century While it could be argued that due to conditions imposed upon the South immediately after the war such an organization was bound to emerge it is also true that it grew beyond anyone's expectations Although the organization did much to level the playing field in the post war years with its darker side soon overshadowing any good it might do the rest is history
