David Yellin, 2017-05-12 This wonderful resource from two authors with an infectious enthusiasm for children's literature will help readers select and share quality books for and with young children. Specifically focused on infants through the third grade, *Sharing the Journey* contains descriptive book annotations, instructive commentary, and creative teaching activities tailored for those important years. Extensive book lists throughout will help readers build a library of quality children's literature. Books representing other cultures are included to help celebrate diversity as well as cultural connection. Genre chapters include poetry, fantasy, and realistic and historical fiction. A chapter on informational books demonstrates how young children can be introduced to and learn to enjoy nonfiction. **Mathematics in the K-8 Classroom and Library** Sueanne

McKinney, KaaVonia Hinton, 2010-05-11 Two experts on education offer a rich and diverse selection of children's literature and teaching strategies for the K-8 mathematics classroom. Taking advantage of quality, motivating literature during mathematics instruction pays off especially when teachers and media specialists work together to convey crucial mathematical concepts and standards. *Mathematics in the K-8 Classroom and Library* shows you how it's done. After an introduction to the National Council of Teachers of Mathematics's NCTM Principles and Process Standards, each remaining chapter is devoted to an NCTM content standard. The book offers engaging, research-based strategies and booklists of specific titles that together can be used to increase student achievement. The strategies suggested here provide a hands-on, student-centered focus that allows students to make connections with prior learning, personal experiences, and good books. Both the recommended children's books and the activities will appeal even to reluctant readers and students for whom mathematics might be a challenge. Each chapter includes an extensive, annotated list of texts, dozens of hands-on activities, handouts, and writing prompts. **Challenging Exceptionally Bright Children in Early Childhood Classrooms** Ann

Gadzickowski, 2013-05-07 Support and guide exceptionally bright children while creating richer, inclusive learning environments for all children in early childhood classrooms. *Good Books Matter* Shelley Stagg Peterson, Larry Swartz, 2008 Based on extensive research on the features that make children's books appealing and appropriate, this valuable teacher resource offers guidance on selecting books, strategies for specific grade levels, suggestions for extension, and tips for assessment. This teacher-friendly book is organized around the major genres: traditional literature, picture books, nonfiction, poetry, and multicultural texts that will inspire young readers. Throughout the book, teachers will find suggestions for using literature to implement shared reading, reading aloud, and response strategies with emergent, developing, and independent readers. **An Idler** John Hay, Douglas Warren Hill, 2006 John Hay's distinguished national service began when he was Lincoln's private secretary and continued until up to his death as Secretary of State for two presidents. For a public man under scrutiny, including numerous biographies, and Henry Adams's insightful portrait in *The Education of Henry Adams*, little is known about Hay and his anonymous commentaries, reviews, and critiques written during the Civil War. Dr. Hill's new monograph remedies that situation. As *An Idler* demonstrates, Hay was involved in a broad range of literary activities as the

War continued Hay's interest in social and aesthetic themes became predominant Professor Hill discusses Hay's own battles with depression and how he believed his condition to be similar to Samuel Johnson's in the 18th century as well as to his chief Abraham Lincoln Hay's eloquent depiction of Washington in wartime his critiques of jobbing and profiteering as well as his hopes for a new American cultural and social revival are all discussed in these pages Excerpts of Hay's writings as well as a discussion of his publishers Washington Chronicle Washington National Republican etc are included along with a scholarly discussion of the effect of Hay's writings on the larger public and on the closed circle of Lafayette Square the Five of Hearts and the White House
