have seen covid 19 Rhys Ryan Evans, 2023-04-19 At first it was thought to be just a bad case of flu spreading around but for sure it was not People always get sick from time to time and that was a fact Bad cold the flu or something similar This time it was something a lot worse Too many people were getting sick very sick too fat Strong headaches no energy bloodshot eyes dizziness dry coughing that won't go away tiredness loss of taste and smell stomach problems all the signs of flu symptoms but this wasn't flu it was something else Something a lot stronger than flu or influenza or any other related illnesses Further later symptoms people developed such as nausea bowel problems tightness in the chest problems in breathing leading to

death More and more people caught the illness confusing everyone The government announced it to be some virus that was unknown over the weeks too late was the announcement The world medical health association found out and started to ask questions what was going on China seemed to be lenient to tell all this was reported down the chain and investigated further Chinese Scientist s worked hard to investigate the new virus 2 Many hundreds of people caught the virus and died in a short period of time this soon turned to thousands taken into hospital to be put on breathing ventilators to try and help them breath mostly they died handfult of people fought the virus with the help of the breathing ventilators they were kept in intensive care and monitored they too passed away in the end This virus spread around ninety percent of China very quickly The Chinese government made quick rules for their people and passed their developments to the world medical association who were not too happy with the slowness of China s reports Bid decisions were being made behind closed doors Weeks passed China reported thousands of deaths to other foreign governments as they should of a lot sooner Quarantine levels were put in place too late Lock down rules were taken on Chinese soldiers were used to disinfect the streets United nations met as quickly as they could and dammed China for this new virus that come from their country The virus was now spreading across Eastern Asia and leaking into Europe It was discovered leaked out that this virus had been spreading around China for weeks could be months it wasn t proven some government officials said could have been longer who knows others talked about It became very messy Countries governments talked and talked strongly together to try and find out what exactly what was going on 3 China announced from their scientists results what they had discovered about the virus They informed it was a pandemic not air born spread around from human to human coughing sneezing talking to close to another person could pass on the virus China called the virus Covid 19 another type of Corona virus They informed it was much stronger than past virus s the world had already encountered and was continually investigating them this was also known to many countries leaders The world health association was not impressed and demanded there was little reply from China just their reports on other viruses they had been working on Uk government officials along with the world health organisation had in depth behind closed doors trying to get to grips with this new virus and what exactly was its strength China still talked behind clouds informing that It was not their fault and that it would blow over It was not the case as more and more cases were discovered around the world UK s prime minister held instance cabinet meetings trying to get to grips with this new virus and preparing what to tell the nation Little was told and was told to late many people thought but that was always is the case with the government in the UK many people have commented in the past **So Now You're a Zombie** John Austin,2010-10-01 Being undead can be disorienting Your arms and other appendages tend to rot and fall off It s difficult to communicate with a vocabulary limited to moans and gurgles And that smell Yes it s you But most of all you must constantly find and ingest human brains Braaaains What s a zombie to do Thankfully zombiologist John Austin details everything you need to know as a newly undead soul to hunt fight and feed on the living As the first handbook written specifically for the

undead So Now You're a Zombie explains how you ended up in this predicament the stages of zombification and what you need to survive in this zombiphobic world Dozens of helpful diagrams outline attack strategies such as the Ghoul Reach the Flanking Zack the Bite Hold and the Aerial Fall to secure your human prey You'll even learn how to successfully extract the living from boarded up farmhouses and broken down vehicles This handbook also explores the upside of being a zombie Gone are the burdens of employment taxes social networks even basic hygiene allowing you to focus on simple necessities in life the juicy gray matter found in the skulls of the living
