Dietrich Andre Loeber, 2023-12-14 This series critically examines issues of legal doctrine and practice in Central and Eastern Europe including studies on the harmonization of legal principles and rules the legal impact of the intertwining of domestic economies on the one hand with regional economies and the processes of international trade and investment on the other The series offers a forum for discussion of topical questions of public and private law from domestic regional and international perspectives Comparative research that provides insights in legal developments that can be communicated to those interested in questions not only of law but also of politics economics and of society of countries in the region also finds a home in the series For information about a related title visit the webpages of the Brill journal Review of Central and East European Law

A Century of the Media in Italian-Albanian Cultural Relationships Vito Saracino, 2024-11-23

This book delves into the complex historical cultural and educational ties between Italy and Albania within the realm of media studies examining various mediums such as press radio television cinema and the web Beginning in the late nineteenth century with the inception of the first Albanian language newspapers in Italy the analysis progresses to explore the evolving relationship between Albanians and radio initially focusing on Italian broadcasts before transitioning to national channels Rapidly Italian radio becomes a tool for fascist soft power facilitating fascist Italy's occupation of Albania in 1939 The second section delves into the communist propaganda apparatus encompassing radio television cinema and music It offers a comprehensive exploration of television's evolution from its tentative beginnings in the 1960s to the proliferation of private broadcasters in the post communist era Concluding with the emergence of the internet the book highlights the significant decline of Italian soft power in Albania and the Southern Balkans over the past 15 years Instead these regions increasingly look towards the Anglo Saxon and Turkish spheres as models not only in media but also in terms of migration and development

Albania at War, 1939-1945 Bernd Jürgen

Fischer, 1999 The Second World War in Europe has generated more literature than perhaps any other event in modern history Much of the interest has focused on military history occupation policy puppet governments and resistance movements in Europe's principal states Often ignored in this flood of material however are the small nations of southeastern Europe Yet in the small states the human suffering was no less profound the destruction no less devastating the heroism no less laudable the treachery no less despicable and the impact no less profound Albania at War reviews the most important developments in Albania from the Italian invasion of the country in 1939 to the accession to power of the Albanian Communist Party and the establishment of a people's democracy in 1946 Fischer analyzes in great detail Italian goals and objectives in Albania and explains the eventual failure of Rome's policy the subsequent German invasion of the country against the Axis Powers This unique path breaking book provides a vigorous and thought provoking analysis of competing external interests in Albania and

explores the great obstacles that the Albanians faced in regaining their independence at the end of the war Albania at War 1939-1945 thoroughly covers the developments in Albania during that turbulent period. It is essential reading for all students of Albanian history.

The Albanians Miranda Vickers, 2011-01-28 This is the first full account of a country that following decades of isolation has undergone unprecedented changes to its political system: the collapse of communism, the progression to multi-party elections and the upheaval that followed the March 1997 uprising. Miranda Vickers traces the history of the Albanian people from the Ottoman period to the formation of the Albanian Communist Party. She considers the charismatic leadership of Enver Hoxha, Albania's relationship with Tito and the alliance with the Soviet Union and then China and the long period of isolation. Newly revised for this paperback edition, *The Albanians* considers the gradual process of reform and the fragility of the Albanian experiment with democracy and includes a dramatic account of the days leading up to Sali Berisha's resignation of the presidency. It has now been updated to cover the crisis in Kosovo that has led to the first Western war in Europe since 1945.

Albania's Economy in Transition and Turmoil 1990-97 Anthony Clunies-Ross, Petar Sudar, 2019-01-15 First published in 1998, the contents of this book are the result of a series of studies by several Albanian scholars in cooperation with contributors of differing nationalities on various aspects of the Albanian economy during its transition to market. This study's multiple aim is to provide an accessible body of information for outsiders interested in Albania, to provide locally based teaching material for Albanian economics students and to also clarify policy issues.

The Balkans Robert Bideleux, Ian Jeffries, 2007-01-24 An excellent companion volume to the successful *A History of Eastern Europe*, this is a country-by-country treatment of the contemporary history of each of the Balkan states: Albania, Bulgaria, Romania, Croatia, Serbia, Bosnia and Herzegovina, Macedonia, Montenegro and Kosovo. With a distinctive conceptual framework for explaining divergent patterns of historical change, the book shifts the emphasis away from traditional cultural explanations and concentrates on the pervasive influence of strongly entrenched vertical power structures and power relations. Focusing on political and economic continuities and changes since the 1980s, *The Balkans* includes brief overviews of the history of each state prior to the 1980s to provide the background to enable all students of Eastern European history to make sense of the more recent developments.

Central and Eastern Europe Handbook Patrick Heenan, Monique Lamontagne, 2014-05-12 The *Regional Handbooks of Economic Development* series provides accessible overviews of countries within their larger domestic and international contexts, focusing on the relations among regions as they meet the challenges of the twenty-first century. The series allows the non-specialist student to explore a wide range of complex factors: social and political as well as economic, that affect the growth of developing regions in Asia, Europe and South America. Each Handbook provides an overview chapter discussing the region's economic conditions within an historical and political context, as well as 20 or more chapter-length essays written by recognized experts which analyze the key issues affecting a region's economy, its population, natural resources, foreign trade, labor problems and economic inequalities and other vital factors. In

addition the volumes offer useful support materials including a series of appendices that include a detailed chronology of events in the region a glossary of terms biographical entries on key personalities an annotated bibliography of further reading and a comprehensive analytical index

Blue-Collar Workers in Eastern Europe Jan F Triska, Charles Gati, 2025-03-03 First published in 1981 Blue Collar Workers in Eastern Europe deals with the attitudes and political disposition of the East European working class In particular it provides the first analysis of the growing assertiveness of the industrial proletariat from which East European governments claim to derive their legitimacy and on whose behalf they profess to rule These governments are increasingly hesitant in the use of force yet they lack the economic means of meeting their workers demands The chapters that make up the book fall into three main categories About one third are issue oriented and analytical dealing with the role economic condition attitudes social and demographic characteristics and political involvement of the workers These are followed by case studies of workers in several countries Finally two chapters explore the policy implications of the workers new found assertiveness and assess the international policy options and dilemmas of both the Soviet Union and the West This book covers all the major issues which brought about the widely publicised workers rebellion in Poland in the summer of 1980 and includes an assessment of that crisis and its sequels It will attract a wide readership among students of the history and politics of Eastern Europe especially those interested in labour unions socialist management and comparative communism

Social Albania Since 1944: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Social Albania Since 1944 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
