Social Control In Canada Issues In The Social Construction Of Deviance:

Critical Perspectives on Social Control and Social Regulation in Canada Mitch Daschuk, 2020-08-25T00:00:00Z How does social regulation shape who is deviant and who is normal Critical Perspectives on Social Control and Social Regulation in Canada is an introduction to the sociology of what has traditionally been called deviance and conformity This book shifts the focus from individuals labelled deviant to the political and economic processes that shape marginalization power and exclusion Class gender race and sexuality are the bases for understanding deviance and it is within these relations of power that the labels deviant and normal are socially developed and the behaviours of those less powerful become regulated This textbook introduces readers to theories and critiques of traditional approaches to deviance and conformity Using vivid and timely examples of contemporary social regulation and control this textbook brings to life how forces of social control and marginalization interact with social media sex work immigration anti colonialism digital surveillance and social movements and much more Theories and critiques are clarified with summaries definitions rich illustrative examples discussion questions recommended resources and test banks for instructors *Feminism, Law, Inclusion* Gayle Michelle MacDonald, Rachel L. Osborne, Charles Smith, 2005 The contributions to this collection are written by legal advocates community activists and legal scholars While the Introduction and Commentary provide a theoretical overview the ten essays examine theories of intersectionality to demonstrate how race class sexual orientation gender and identity have been integrated into legal scholarship and activism in an attempt to shape legal policy and practice Section 1 Theory in Action addresses anti racism in community legal practice the legal construction of women s sexuality as deviant the protection of sexual orientation under human rights legislation and the gender and racial characteristics of the judiciary Section 2 Organizations in Action looks at women s place in the legal profession international women s rights and disrupting discriminatory practices in the workplace Section 3 Law in Action discusses the rights of Native women racial bias in legal judgements and the recognition and protection of same sex spousal rights *Feminism Law Inclusion* is an important contribution to the ongoing development of this critical discourse **The Montreal Massacre** Peter Eglin, Stephen Hester, 2006-01-01 The Montreal Massacre A Story of Membership Categorization Analysis adopts an ethnomethodological viewpoint to analyze how the murder of women by a lone gunman at the Ecole Polytechnique in Montreal was presented to the public via media publication over a two week period in 1989 All that the public came to know and understand of the murders the murderer and the victims was constituted in the description and commentaries produced by the media What the murders became therefore was an expression of the methods used to describe and evaluate them and central to these methods was membership category analysis the human practice of perceiving people places and events as members of categories and to use these to explain actions This is evident in the various versions comprising the overall story of the Massacre it was a crime it was a tragedy it was a horror story The killer s story is also based on his own categorial analysis

he said his victims were feminists The media commentators formulated the significance of the murders in categorical terms it implicated a wider problem that of violence against women and thus the reasons for the murders were shown to be categorical matters As a contribution to sociology and as a demonstration of the significance of ethnomethodology for understanding social life the book reveals the methodical and particularly categorical character of how sense is made of events such as this and how such methodical and categorical resources are central to human interaction **Rethinking Normalcy** Rod

Michalko, Tanya Titchkosky, 2009 The chapters in this book exemplify ways of questioning our collective relations to normalcy as such relations affect the lives of both disabled and currently non disabled people Pub desc **White Unwed Mother ;**

The adoption mandate in postwar Canada Valerie J Andrews, 2018-11-01 In postwar Canada having a child out of wedlock invariably meant being subject to the adoption mandate Andrews describes the mandate as a process of interrelated institutional power systems which together with socio cultural norms ideals of gender heteronormativity and emerging sociological and psychoanalytic theories created historically unique conditions in the post WWII decades wherein the white unmarried mother was systematically separated from her baby by means of adoption This volume uncovers and substantiates evidence of the mandate ultimately finding that at least 350 000 unmarried mothers in Canada were impacted **Prairie**

Rising Jaskiran K Dhillon, 2017-04-24 In 2016 Canada s newly elected federal government publically committed to reconciling the social and material deprivation of Indigenous communities across the country Does this outward shift in the Canadian state s approach to longstanding injustices facing Indigenous peoples reflect a transformation with teeth or is it merely a reconstructed attempt at colonial Indigenous settler relations **Prairie Rising** provides a series of critical reflections about the changing face of settler colonialism in Canada through an ethnographic investigation of Indigenous state relations in the city of Saskatoon Jaskiran Dhillon uncovers how various groups including state agents youth workers and community organizations utilize participatory politics in order to intervene in the lives of Indigenous youth living under conditions of colonial occupation and marginality In doing so this accessibly written book sheds light on the changing forms of settler governance and the interlocking systems of education child welfare and criminal justice that sustain it Dhillon s nuanced and fine grained analysis exposes how the push for inclusionary governance ultimately reinstates colonial settler authority and raises startling questions about the federal **Touching Encounters** Kevin Walby, 2012-09-15 Often depicted as deviant or pathological by public health researchers psychoanalysts and sexologists male with male sex and sex work is in fact an increasingly mainstream pursuit Based on a qualitative investigation of the practices involved in male with male or m4m Internet escorting **Touching Encounters** is the first book to explicitly address how masculinity and sexuality shape male commercial sex in this era of Internet communications By looking closely at the sex and work of male escorts Kevin Walby tries to reconcile the two extremes of m4m sex the stereotypical idea of a quick cash transaction and the tendency toward friendship and mutuality In doing so Walby draws on the work of Foucault to make visible the play of power in these physical

and commercial relations between men At once a revelation to the sociology of work and a much needed critical engagement with queer theory *Touching Encounters* responds to calls from across the social sciences to connect Foucault with sociologies of sex sexuality and intimacy Walby does this and more retying this sexual practice back to society at large *Canadian Journal of Criminology*, 1998

A Sociology of Crime Stephen Hester, Peter Eglin, 2017-05-15 *A Sociology of Crime* has an outstanding reputation for its distinctive and systematic contribution to the criminological literature Through detailed examples and analysis it shows how crime is a product of processes of criminalisation constituted through the interactional and organizational use of language In this welcome second edition the book reviews and evaluates the current state of criminological theory from this grammatical perspective It maintains and develops its critical and subversive stance but greatly widens its theoretical range including dedicated chapters on gender race class and the post als including postcolonialism It now also provides questions exercises and further readings alongside its detailed analysis of a set of international examples both classical and contemporary

Canadian Perspectives on the Sociology of Education Cynthia Levine-Rasky, 2009 This collection of original essays examines the complex relationship between schooling and society By taking a critical approach the text urges readers to formulate difficult questions about the practice of teaching and the experience of schooling The text also illustrates the multiple forces that come into play for both educators and for students and challenges the reductive and pragmatic approach adopted in conventional education courses

Outside Looking in Mary Jane Miller, 2008-06-09 Widely sold abroad *Beachcombers* and *North of 60* are what many international audiences know about Canada In *Outside Looking In* Mary Jane Miller traces the evolution of representations of First Nations people in fifty years of Canadian television broadcasts

School Rules Rebecca Raby, 2012-04-28 How much say should students have in shaping their schools disciplinary cultures Should they have the power to weigh in on contentious issues like favouritism discrimination no hats rules and zero tolerance What if pupils disagree with their teachers and administrators on certain rules Rebecca Raby reflects on how regulations are made applied and negotiated in educational settings in the accessibly written *School Rules* Through an in depth analysis of original data including interviews with teachers administrators and students and codes of conduct *School Rules* reveals what rules mean to different participants and where it is that they becoming a challenge Raby investigates students acceptance or contestation of disciplinary regulations and examines how school rules reflect and perpetuate existing inequalities and students beliefs about young people Illustrating the practical challenges and political and theoretical concerns of involving students in rule making *School Rules* can help teachers and administrators facilitate more meaningful rules and student participation in their own schools

Breaking Women Jill A. McCorkel, 2013-08-05 Winner of the 2014 Division of Women and Crime Distinguished Scholar Award presented by the American Society of Criminology Finalist for the 2013 C Wright Mills Book Award presented by the Society for the Study of Social Problems Compelling interviews uncover

why tough drug policies disproportionately impact women in the American prison system Since the 1980s when the War on Drugs kicked into high gear and prison populations soared the increase in women s rate of incarceration has steadily outpaced that of men As a result women s prisons in the US have suffered perhaps the most drastically from the overcrowding and recurrent budget crises that have plagued the penal system since harsher drugs laws came into effect In *Breaking Women* Jill A McCorkel draws upon four years of on the ground research in a major US women s prison to uncover why tougher drug policies have so greatly affected those incarcerated there and how the very nature of punishment in women s detention centers has been deeply altered as a result Through compelling interviews with prisoners and state personnel McCorkel reveals that popular so called habilitation drug treatment programs force women to accept a view of themselves as inherently damaged aberrant addicts in order to secure an earlier release These programs were created as a way to enact stricter punishments on female drug offenders while remaining sensitive to their perceived feminine needs for treatment yet they instead work to enforce stereotypes of deviancy that ultimately humiliate and degrade the women The prisoners are left feeling lost and alienated in the end and many never truly address their addiction as the programs organizers may have hoped A fascinating and yet sobering study *Breaking Women* foregrounds the gendered and racialized assumptions behind tough on crime policies while offering a vivid account of how the contemporary penal system impacts individual lives

[Essentials of Sociology](#) George Ritzer,2015-12-10 Join the conversation with one of sociology s best known thinkers *Essentials of Sociology* Second Edition adapted from George Ritzer s *Introduction to Sociology* Third Edition provides the same rock solid foundation in a shorter and more streamlined format Like the original Ritzer text *Essentials of Sociology* illuminates traditional sociological concepts and theories and focuses on some of the most compelling contemporary social phenomena globalization consumer culture the Internet and the McDonalidization of society As technology flattens the globe students are challenged to apply a sociological perspective to their world and to see how public sociologists are engaging with the critical issues of today

The War on Drugs in Sport Vanessa McDermott,2015-10-23 This book is an innovative and compelling work that develops a modified moral panic model illustrated by the drugs in sport debate Drawing on Max Weber s work on moral authority and legitimacy McDermott argues that doping scandals create a crisis of legitimacy for sport governing bodies and other elite groups This crisis leads to a moral panic where the issue at stake for elite groups is perceptions of their organizational legitimacy The book highlights the role of the media as a site where claims to legitimacy are made and contested contributing to the social construction of a moral panic The book explores the way regulatory responses in this case anti doping policies in sport reflect the interests of elite groups and the impact of those responses on individuals or folk devils *The War on Drugs in Sport* makes a key contribution to moral panic theory by adapting Goode and Ben Yehuda s moral panic model to capture the diversity of interests and complex relationships between elite groups The difference between this book and others in the field is its application of a new theoretical perspective
