Social Issues In Imfsupported Programs Pb 2000:

Aanwinsten van de Centrale Bibliotheek (Queteletfonds) Bibliothèque centrale (Fonds Quetelet),2004 **Social Protection Sector Strategy** ,2001-01-01 This book presents recent World Bank analytical work on the causes of violence and conflict in Columbia and the pilot lending programmes which have been designed to promote peace and help development It is divided into three sections The first sets the framework for the history of violence and the mechanisms of its propagation looks at its costs and also at current policy initiatives to reduce it The second part looks at the social economic causes of conflict and the costs of achieving peace The last part reviews the recent experience of the World Bank in assisting countries that are experiencing or have overcome domestic armed conflict *Handbook of Small States* Lino Briguglio,2018-05-11 This handbook covers a wide spectrum of issues relating to small states Chapters in the volume have been grouped under the three main themes of economic social and environmental issues The economics sections include chapters dealing with trade finance and regulatory frameworks while the social theme covers health migration population ageing as well as overall social wellbeing The environmental theme examines matters such as measuring environmental performance natural disasters the ocean economy and the validity of the Sustainable Development Goals One major issue is the definition of small states As this volume demonstrates generally speaking population is used to measure country size in the literature However it clearly emerges that there is no real consensus as to the population cut off point that distinguishes small states from large ones While the approaches taken by the authors vary in all cases the chapters draw practical policy implications for small states The book can therefore be considered as a wide ranging depositary of information on small states with the aim of deriving policy prescriptions and thus as an excellent resource for academics students and policymakers **Corruption, Entrepreneurship, and Social Welfare** Farzana Chowdhury,Sameeksha Desai,David B. Audretsch,2017-09-23 This book examines the complex relationship between corruption and entrepreneurship in countries of varying levels of economic development The authors explore the ways in which social welfare policies have changed in current economic and political environments as well as key challenges faced by the welfare policies In addition this book addresses three key questions with regard to the impact of corruption on institutions and social welfare Is corruption an additional burden in extensive regulatory environment on different types of entrepreneurship necessity entrepreneurship opportunity entrepreneurship total entrepreneurial activity self employment and newly registered firms Is corruption helpful for entrepreneurs who have aspiration to operate outside their home country border in highly regulated environment How does corruption affect income distribution generated through entrepreneurial activity Entrepreneurship is an important factor for local and national economies as it generates employment and income that are crucial for economic development Corruption can significantly influence the nature of decisions made by entrepreneurs with profound effects on business creation institutional development and economic performance For example an entrepreneur with resources and networks

might be able to influence the regulatory agencies to overlook violations expedite permits or bribe corrupt program administrators to violate the rules of distribution exacerbating income inequality and obstructing economic growth and development While corruption is not a new phenomenon the current globalized economy has introduced trade into the corruption question as globalization puts pressure on countries to open borders to attract investments and gain a competitive advantage However many country level institutions do not always change as fast as the economic activity across borders which can encourage corruption in order to bypass inefficient regulations and to successfully engage in entrepreneurship The authors of the book examine this phenomenon Featuring policy implications and case studies this book will appeal to graduate students academics professionals practitioners and researchers in entrepreneurship international business and public policy

Routledge Handbook of Corruption in Asia Ting Gong,Ian Scott,2016-11-25 Corruption in Asia ranges from the venal rent seeking of local officials to the million dollar bribes received by corrupt politicians from excessive position related consumption to future job offers in the private sector for compliant public servants from money laundering to white elephant projects that do little more than line the pockets of developers and their political partners The Routledge Handbook of Corruption in Asia addresses the theories issues and trends in corruption and anticorruption reform that have emerged from this diverse experience The book is divided into four major parts corruption and the state corruption and economic development corruption and society and controlling corruption strategies successes and failures Chapters compare and contrast corruption in different social and institutional contexts examine both successful and unsuccessful attempts to control it and consider what lessons can be drawn from these Asian experiences This academically rigorous and insightful book will be of interest to a wide range of students and scholars particularly those of Asian studies politics and sociology

IMF, World Bank & ADB Agenda on Privatisation Nihal Sri Ameresekere,2011 This shockingly explosive Book deals with the manipulative privatization of Sri Lanka Insurance under a privatization program pushed by IMF World Bank and ADB questionably mishandled by PricewaterhouseCoopers and Ernst involving a consortium of leading corporates controlled by one individual portrayed as a close associate of former US President Bill Clinton This dubious deal was annulled as wrongful unlawful and illegal by the Supreme Court the highest judiciary observing that it shocked the conscience of Court asserting that public assets are held in trust on behalf of the people This Book exposes those holding elected and selected influential and powerful public office unabashedly compromising national and public interests in the disposal of an invaluable national asset at a ridiculous price to parties who had not even been pre qualified with one party incorporated in Gibraltar after the completion of the process and whose source of funds channeled through a leading Bank remained a mystery This Book appallingly reveals how pontificating professionals retrospectively manipulated the financials of Sri Lanka Insurance facilitating a fraudulent demand for a refund from the Government It reveals the unashamed condoning of fraud and corruption and bestowing on corrupt miscreants even more recognition shunning the rule of law and the absence of law enforcement and the duplicitous stances of the Chamber of Commerce and the Institute of Chartered Accountants This book

is an eye opener on socio political realities and is invaluable to those dealing with privatization public finance and commerce fraud and corruption forensic accounting and to legal academics and professionals and public interest activists

Rethinking Development Challenges for Public Policy K. Hanson,G. Kararach,T. Shaw,2012-04-05 Covers topical issues for Africa s development economics and politics of climate change water management public service delivery and delivering aid The authors argue that these issues should be included in the post MDG paradigm and add an important voice to recent moves by academics and practitioners to engage with each other **Future Survey Annual 1990** Michael Marien,1990-01-01 Anti-corruption Policies and Programs Jeff Huther,Anwar Shah,2000 In a largely corruption free environment anti corruption agencies ethics offices and ombudsmen strengthen the standards of accountability In countries with endemic corruption however the same institutions function in form but not in substance under a best case scenario such institutions might be helpful but the more likely outcome is that they help to preserve social justice **Future Survey Annual 1991** Michael Marien,1991-01-01 The Impact of the Global Financial Crisis on Emerging Financial Markets Jonathan Batten,Peter G. Szilagyi,2011-03-02 The Global Financial Crisis of 2007 2009 has highlighted the resilience of the financial markets and economies from the developing world This title investigates and assesses the impact and response to the crisis from an emerging markets perspective including asset pricing contagion financial intermediation market structure and regulation Social Development and Social Work Perspectives on Social Protection Julie L. Drolet,2016-04-28 Social protection is now considered a development milestone and an important tool in combating poverty Interventions can include for example health insurance public works programs guaranteed employment schemes or cash transfers targeting vulnerable populations groups This innovative volume is designed to develop understanding about the role and contribution of social protection globally and to share innovative practice and policies from around the world It explores how to cover an entire population effectively especially those who are at risk or who are already in a situation of deprivation and in a sustainable manner Divided into two parts the book begins by exploring the theoretical underpinnings of social protection discussing the social work and social development perspectives and concepts that currently shape it The second part is comprised of case studies from countries implementing successful social protection initiatives including Brazil India South Africa Ghana Nigeria and Indonesia and reveals how the impact of a successful social protection intervention on poverty vulnerability and inequality can be dramatic This volume is an important reference for advanced students and researchers from a range of disciplines including social policy social work development studies geography planning economics sociology population health and political science **Future Survey Annual** ,1994 *Third World Planning Review* ,2001 *Africa Analysis* ,2000
