Songs From The Manuscript Collection Of John Bell:

Songs from the Manuscript Collection of John Bell John Bell, D. I. Harker, F. Rutherford, 1985 **Songs from the Manuscript Collection of John Bell** University of Newcastle upon Tyne. Library, 1985 Includes all those songs from the manuscript collection of John Bell d 1864 which throw light on the way of life of the majority of the population of North East England and the Eastern Borders Each piece derives ultimately from the life and work of those men and women who were obliged to work for a living usually with their hands Texts arranged under the following headings Soldiers and Sailors Civil and Political Coalwork Country Life Festivities Sport and Social Life Drinking Courtship Love Unrequited Love Satisfied Children In Praise of Wedlock Trouble and Strife Stories Fragments **The New Penguin Book of English Folk Songs** Julia Bishop, Steve Roud, 2012-06-07 One of the Spectator's Books of the Year 2012 Farewell and adieu to you fair Spanish ladies Farewell and adieu to you ladies of Spain For we've received orders for to sail for old England But we hope in a short while to see you again One of the great English popular art forms the folk song can be painful satirical erotic dramatic rueful or funny They have thrived when sung on a whim to a handful of friends in a pub they have bewitched generations of English composers who have set them for everything from solo violin to full orchestra they are sung in concerts festivals weddings funerals and with nobody to hear but the singer This magical new collection brings together all the classic folk songs as well as many lesser known discoveries complete with music and annotations on their original sources and meaning Published in cooperation with the English Folk Dance and Song Society it is a worthy successor to Ralph Vaughan Williams and A L Lloyd's original Penguin Book of English Folk Songs Her keen eye did glitter like the bright stars by night The robe she was wearing was costly and white Her bare neck was shaded with her long raven hair And they called her pretty Susan the pride of Kildare In association with EFDSS the English Folk Dance and Song Society *The High-Kilted Muse* Murray Shoolbraid, 2010-04-02 In 1832 the Scottish ballad collector Peter Buchan of Peterhead Aberdeenshire presented an anthology of risqué and convivial songs and ballads to a Highland laird When Professor Francis James Child of Harvard was preparing his magisterial edition of The English and Scottish Popular Ballads he made inquiries about it but it was not made available in time to be considered for his work On his death it was presented to the Child Memorial Library at Harvard Because of its unseemly materials the manuscript languished there since unprinted though referred to now and again and a few items from time to time made an appearance The manuscript has now been transcribed with full annotation and with an introduction on the compiler his times and the Scottish bawdy tradition It contains the texts without tunes of seventy six bawdy songs and ballads along with a long lost scatological poem attributed to the Edinburgh writer James Balloon Tytler Appendices give details of Buchan's two published collections of ballads Additionally there is a list of tale types and motifs a glossary of Scots and archaic words a bibliography and an index The High Kilted Muse brings to light a long suppressed volume and fills in a great gap in published bawdy songs and ballads **Napoleon and British Song, 1797-1822** Oskar

Cox Jensen, 2015-10-12 This study offers a radical reassessment of a crucial period of political and cultural history By looking at some 400 songs many of which are made available to hear and at their writers singers and audiences it questions both our relationship with song and ordinary Britons relationship with Napoleon the war and the idea of Britain itself World Englishes Volumes I-III Set Tometro Hopkins, Kendall Decker, John McKenny, 2012-08-30 A comprehensive survey of English as it is spoken throughout the world *Fragments and Meaning in Traditional Song* Mary-Ann Constantine, Gerald Porter, 2003-08-07 This book takes a radical approach to the study of traditional songs Folk song scholarship was originally obsessed with notions of completeness and narrative coherence even now long narratives hold a privileged place in most folk song canons Yet field notebooks and recordings and increasingly publications overwhelmingly suggest that apparently broken and drastically shortened versions are not perceived as incomplete by those who sing them Dealing with a wide range of traditions and languages this study turns the focus on these dog ends of oral tradition and looks closely at how very short texts convey meaning in performance by working the audience s knowledge of a highly allusive idiom What emerges is the tenacity of meaning in the connotative and metaphorical language of traditional song and the extraordinary adaptability of songs in different cultural contexts Such pieces have a strong metonymic force they should not be seen as residual last leaves of a once complete tradition but as dynamic elements in the process of oral transmission Not all song fragments remain in their natural environment and this book also explores relocations and dislocations as songs are adapted to new contexts a ballad of love and death is used to count pins in lace making song snippets trail subversive meanings in the novels of Charles Dickens Because they are variable and elusive to dating songs have had little attention from the literary establishment the authors show both how certain critical approaches can be fruitfully applied to song texts and how concepts from studies in oral traditions prefigure aspects of contemporary critical theory Like the songs themselves this book crosses and recrosses the perceived divide between the literary and the oral Coverage includes English Welsh Breton American and Finnish songs "Desire, Drink and Death in English Folk and Vernacular Song, 1600?900 " Vic Gammon, 2017-07-05 This much needed book provides valuable insights into themes and genres in popular song in the period c 1600 1900 In particular it is a study of popular ballads as they appeared on printed sheets and as they were recorded by folk song collectors Vic Gammon displays his interest in the way song articulates aspects of popular mentality and he relates the discourse of the songs to social history Gammon discusses the themes and narratives that run through genres of song material and how these are repeated and reworked through time He argues that in spite of important social and economic changes the period 1600 1850 had a significant cultural consistency and characteristic forms of popular musical and cultural expression These only changed radically under the impact of industrialization and urbanization in the nineteenth century The book will appeal to those interested in folk song historical popular music including church music ballad literature popular literature popular culture social history anthropology and sociology **The Garland Encyclopedia of World Music** Timothy Rice, James Porter, Chris

Desire, Drink and Death in English Folk and Vernacular Song, 1600-1900 Vic Gammon,2017-07-05 This much needed book provides valuable insights into themes and genres in popular song in the period c 1600 1900 In particular it is a study of popular ballads as they appeared on printed sheets and as they were recorded by folk song collectors Vic Gammon displays his interest in the way song articulates aspects of popular mentality and he relates the discourse of the songs to social history Gammon discusses the themes and narratives that run through genres of song material and how these are repeated and reworked through time He argues that in spite of important social and economic changes the period 1600 1850 had a

significant cultural consistency and characteristic forms of popular musical and cultural expression These only changed radically under the impact of industrialization and urbanization in the nineteenth century The book will appeal to those interested in folk song historical popular music including church music ballad literature popular literature popular culture social history anthropology and sociology **Folk Song in England** Steve Roud,2017-08-15 In Victorian times England was famously dubbed the land without music but one of the great musical discoveries of the early twentieth century was that England had a vital heritage of folk song and music which was easily good enough to stand comparison with those of other parts of Britain and overseas Cecil Sharp Ralph Vaughan Williams Percy Grainger and a number of other enthusiasts gathered a huge harvest of songs and tunes which we can study and enjoy at our leisure But after over a century of collection and discussion publication and performance there are still many things we don't know about traditional song Where did the songs come from Who sang them where when and why What part did singing play in the lives of the communities in which the songs thrived More importantly have the pioneer collectors restricted definitions and narrow focus hindered or helped our understanding This is the first book for many years to investigate the wider social history of traditional song in England and draws on a wide range of sources to answer these questions and many more **The Folk Handbook** John Morrish,2007-07 Many of the great songs that have inspired performers around the world in the last 50 years come from the English folk song tradition This book provides words and melodies for nearly 100 songs along with an exploration of their history and meaning the context in which they arose and their value to writers and performers around the world

Victorian Songhunters E. David Gregory,2006-04-13 *Victorian Songhunters* is a pioneering history of the rediscovery of vernacular song street songs that have entered oral tradition and have been passed from generation to generation in England during the late Georgian and Victorian eras In the nineteenth century there were four main types of vernacular song ballads folk lyrics occupational songs and national songs The discovery collecting editing and publishing of all four varieties are examined in the book and over seventy five selected examples are given for illustrative purposes Key concepts such as traditional balladry broadside balladry folksong and national song are analyzed as well as the complicated relationship between print and oral tradition and the different methodological approaches to ballad and song editing Organized chronologically *Victorian Songhunters* sketches the history of English song collecting from its beginnings in the mid seventeenth century focuses on the work of important individual collectors and editors such as William Chappell Francis J Child and John Broadwood examines the growth of regional collecting in various counties throughout England and demonstrates the considerable efforts of two important Victorian institutions the Percy Society and its successor the Ballad Society The appendixes contain discussions on interpreting songs an assessment of relevant secondary sources and a bibliography and alphabetical song list Author E David Gregory provides a solid foundation for the scholarly study of balladry and folksong and makes a significant contribution to our understanding of Victorian intellectual and cultural life Pitmatic

Bill Griffiths, 2024-06-27 *Pitmatic* brings together a wonderful regional pit language its words jokes and stories that are fast disappearing from our culture This book helps attest to the remarkable vitality of the region's dialect and the inventiveness and humour of its speakers The last major mine in the North East region closed in 2005 and with it went a way of life Through dialect words humour stories and songs *Pitmatic* will help you to understand the everyday lives and work of miners Miners who provided fuel helped sustain an economy consolidated communities and created a unique and rich regional culture This book is a joyous celebration of the history of the North East bringing together the words spoken by miners and their families and how they related to the wider languages of the world The late Bill Griffiths 1948-2007 was an extraordinary writer and poet radical experimental and scholarly but also had a great sense of humour He was a wonderful champion of the North East its people and heritage Born in Middlesex he read history before graduating in 1969 Bill ran his own independent press and published political pamphlets and essays on the arts and poetry After gaining a PhD in Old English he fled London and settled in Seaham where he embraced the northern way of life He was also a scholar of Old English and dialect who knew how to make his work accessible Private and uncompetitive he was at least these things poet archivist scholar translator prison rights campaigner pianist historian curator performer editor short story writer essayist teacher book maker and lyricist The Saturday before he died Bill discharged himself from hospital to host the Dialect Day at the Morden Tower in Newcastle upon Tyne He died as he lived cataloguing awarding Best Dialect prizes opera on his radio the poetry paramount Obituary *The Independent* 20 September 2007 *The Late Victorian Folksong Revival* E. David Gregory, 2010-04-13 In *The Late Victorian Folksong Revival The Persistence of English Melody 1878-1903* E. David Gregory provides a reliable and comprehensive history of the birth and early development of the first English folksong revival Continuing where Victorian Songhunters his first book left off Gregory systematically explores what the Late Victorian folksong collectors discovered in the field and what they published for posterity identifying differences between the songs noted from oral tradition and those published in print In doing so he determines the extent to which the collectors distorted what they found when publishing the results of their research in an era when some folksong texts were deemed unsuitable for polite ears The book provides a reliable overall survey of the birth of a movement tracing the genesis and development of the first English folksong revival It discusses the work of more than a dozen song collectors focusing in particular on three key figures the pioneer folklorist in the English west country Reverend Sabine Baring Gould Frank Kidson who greatly increased the known corpus of Yorkshire song and Lucy Broadwood who collected mainly in the counties of Sussex and Surrey and with Kidson and others was instrumental in founding the Folk Song Society in the late 1890s The book includes copious examples of the song tunes and texts collected including transcriptions of nearly 300 traditional ballads broadside ballads folk lyrics occupational songs carols shanties and national songs demonstrating the abundance and high quality of the songs recovered by these early collectors **Catalogue of the ... library of ...
